A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Norval Richard Richards is one of four sons and two daughters of the family of the late Richard A. Richards and Annie L. Patterson. Born in the hamlet of Kinlough, he spent his boyhood years on his father's farm near the town of Lucknow, in Bruce County. Over the years he has retained a deep respect and love for the rural countryside.

He benefited from the primary and secondary school systems of his home community before pursuing further education at the Ontario Agricultural College, then affiliated with the University of Toronto. Postgraduate studies followed at Michigan State University.

In 1950 he married the former Mary Katharine Greer, and together they established a home in Guelph where they continue to reside. They are members of Dublin Street United Church. Their two sons, Robin, a resident physician training in orthopaedic surgery, and Gregory, a graduate in law, both live in Toronto.

Professor Richards has been associated with the University of Guelph in teaching, research, and administrative capacities. At various points in his career he has been a Professor, Chairman of a Department, and Dean of the Ontario Agricultural College. His chosen area of interest is land resource science where his efforts have been recognized through fellowships granted to him by the Agricultural Institute of Canada and the Soil Conservation Society of America. Quebec's Laval University awarded him an Honorary Doctorate in 1967.

Having been initiated into Waverley Lodge No. 361 G.R.C. in 1943, he was installed as Worshipful Master in 1952 and again in 1953. He was appointed Assistant Grand Director of Ceremonies after he served as a District Secretary in 1956-1957. In 1965 he received an appointment

to the Board of General Purposes and has served continuously on it since that time. While on the Board he has been active as a Chairman of the Committee on Masonic Education, a member of the Committee on Benevolence, and a director of the Masonic Foundation of Ontario. After his election to the office of Deputy Grand Master in 1977, he became President of the Board of General Purposes. At the 124th Communication of Grand Lodge he was installed as the Grand Master of the Grand Lodge of Canada in the Province of Ontario.

In Scottish Rite Masonry Professor Richards has served as presiding officer of Royal City Lodge of Perfection, and the Guelph Chapter of Rose Croix. He is a member of Moore Sovereign Consistory, Hamilton, and was crowned an active member of Supreme Council in 1974. A member of the Royal Arch Masons, Guelph Chapter, he was appointed Grand Senior Sojourner at the Annual Convocation of the Grand Chapter of Royal Arch Masons held in 1979 at Niagara Falls, Ontario. At the present time he is Deputy Provincial Grand Master of the Royal Order of Scotland.

Participation in Masonry has occupied a large part of our Grand Master's extracurricular activities. He is anxious to express his deep gratitude to the brethren for the opportunity and privilege of working with them in the interests of Ancient, Free and Accepted Masonry, and to serve as their Grand Master.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

My Brethren:

I am pleased to stand before you this morning and report some of the things that have happened in our Grand Lodge and our Grand Jurisdiction since our last communication in July of 1979.

I would be remiss if I did not first thank you for the privilege and opportunity to serve as your Grand Master. Now being at the half-way mark of a two year term I assure you that it is proving to be an exciting, challenging, satisfying experience because you have made it so. Your help, understanding and thoughtful consideration for Mrs. Richards and myself is appreciated in the fullest meaning of the word "thanks".

It is pleasant to welcome you to the 125th Annual Communication of the Grand Lodge of Canada in the Province of Ontario. To our visitors from other provinces and other countries we are happy and pleased to have you with us. In a small way it provides an opportunity to attempt to repay you for the Masonic courtesies extended to us and to benefit from your experience. The meaning and purpose of Masonry does not recognize the limits of country or provinces but flows across such boundaries. In particular we are happy you are here so that we can enjoy your Masonic fellowship and exchange views about matters of mutual concern.

It is appropriate to reflect for a moment about our 124th Annual Communication. You will recall we adopted a revised constitution and it became effective January 1, 1980. We are indebted to that Special Committee comprised of M.W. Bro. W. K. Bailey, Chairman, R.W. Bro. H. A. Leal, V.W. Bro. J. V. Lawer, V.W. Bro. A. F. Rodger and V.W. Bro. G. T. Rogers for having brought the revision to a successful conclusion. Having completed its task we extend to the committee the sincere thanks of Grand Lodge.

The success of Project H.E.L.P. will be a continuing source of pride and satisfaction to the Masons of this Grand Jurisdiction. The project terminated on December 31st, 1979. Sincere gratitude is extended to R.W. Bro. C. John Woodburn, Campaign Chairman, members of his committee and the large number of Masons associated with this project. Project H.E.L.P. generated an awareness for participation that received a most gratifying response on the part of the brethren who now look forward to making effective use of the momentum generated by this important activity.

I am happy to confirm the position on Concurrent Jurisdiction enunciated by M.W. Bro. R. E. Davies in the Grand Master's Address of 1978. I do so at the direction and approval of the Board of General Purposes.

The topic concerning the use of alcoholic beverages was given deep and thoughtful consideration since our last communication. The statement prepared and read in each of the lodges in the Grand Jurisdiction is printed herewith as Appendix 1. It would be less than realistic not to recognize a change in the attitude of society towards the use of alcoholic beverages. This in no way lessens our responsibility to encourage and insist that, if alcoholic beverages are served and consumed, discretion, propriety and moderation must be exercised.

The approval of the Grand Master is not required when the Volume of the Sacred Law of the candidate's choice is placed between our Volume of the Sacred Law and the Square and Compasses. Lodge Secretaries are requested to advise the Grand Secretary's office when this occurs.

PAST GRAND MASTERS

It is only through experience that one can fully appreciate the understanding, guidance, support and value of our Past Grand Masters. Their advice has been sought, not only at the four meetings held during the year, but on countless other occasions. Their assistance has found expression in many different ways such as reviewing the

statement on alcoholic beverages to which I have alluded earlier. As individuals they occupy important offices such as Grand Secretary, Grand Treasurer, Custodian of the Work, Committee on Lodge Reassessment, President of the Masonic Foundation of Ontario, and Chairmen of Committees on Constitution and Jurisprudence, Fraternal Correspondence and Fraternal Relations.

It was a great joy to join with brethren from across the Grand Jurisdiction at special evenings when M.W. Bro. Irvine was recognized in Hamilton and M.W. Bro. Bailey in Toronto: I know you join with me in extending congratulations to M.W. Bro. Nancekivell who was elected chairman of the Committee on Recognition during the Conference of Grand Masters and Grand Secretaries of North America held in Washington, D. C.

I share your regrets that indifferent health deprives us of the presence of M.W. Bro. E. G. Dixon at this communication. We wish for him comfort and satisfaction and hope he will be restored to improved health.

The strength of the Past Grand Masters as an Advisory Council to your Grand Master is a great source of support, comfort and guidance.

GRAND SECRETARY

It was with much regret that I advised the Masons of our Grand Jurisdiction that I received a resignation from M.W. Bro. J. A. Irvine as Grand Secretary effective August 31, 1979.

I am certain you agree with me that M.W. Bro. Irvine served this Grand Lodge in a unique and commendable manner. His services went beyond the boundaries of our Grand Lodge and were shared by others particularly in his association with the Biennial Conference of Grand and District Grand Lodges A.F. & A.M. of Canada and the Conference of Grand Secretaries of North America. M.W. Bro. Irvine enjoyed the distinction of serving as Chairman of the latter! We thank him for the great contribution he has

made to Masonry in our Grand Jurisdiction and appreciate his assurance of continued interest and assistance in furthering our Masonic efforts.

I was pleased to appoint M.W. Bro. Robert E. Davies to the office of Grand Secretary effective September 1, 1979. I am certain you share with me the pleasure and satisfaction of having such a well informed and skilled brother available for this important office. We extend to him congratulations and best wishes as our Grand Secretary.

THE SEVEN TORONTO DISTRICTS

The brethren in the Grand Jurisdiction are indebted for the untiring efforts of the officers and members of The Past Masters' Association A.F. & A.M. of The Metropolitan Toronto Districts for their generous efforts in making arrangements for our comfort and pleasure at each of our Annual Communications. On this particular occasion we appreciate their close co-operation and integration of effort with the 125th Anniversary Committee.

The gift of a Grand Lodge Banner by the Masons of the seven Toronto Districts will serve as a positive example of your interest in and generous support of Masonry in this Grand Jurisdiction and a reminder at each Annual Communication of one way in which you recognized the 125th Anniversary year. The antependium for a lectern will be an ornament much appreciated for display when Grand Lodge functions are held.

It is pleasant to extend sincere thanks to the brethren of the Seven Toronto Districts and to assure you of our continuing gratitude for your contribution to Masonry in this Grand Jurisdiction.

THE 125th ANNIVERSARY COMMITTEE

The work of the 125th Anniversary Committee under the chairmanship of R.W. Bro. Charles W. Emmett, and committee chairmen R.W. Bro. Lou Copeland, R.W. Bro. C. John Woodburn, R.W. Bro. Ron Groshaw, R.W. Bro. John Hunter and R.W. Bro. M. J. Damp has been unfolding before our eyes over several months. At this time 1 am proud to thank this Special Committee for the planning, leadership and encouragement they have given to make our 125th Anniversary year a particularly significant one. Lodges, Districts, and Grand Lodge have responded to this positive leadership. I believe Masonry in our Grand Jurisdiction will benefit from the efforts of this committee for many years.

I particularly remind you of the book "Whence Come We — Freemasonry in Ontario 1764 - 1980" which is now available for purchase. This book has been prepared under the supervision of a committee of which R.W. Bro. Wallace McLeod is Chairman and I am pleased to recommend his appointment as Grand Lodge Historian in recognition of his scholarly contribution. Twenty-five thousand copies have been ordered and I would ask for your full help in encouraging brethren to procure a copy of this excellent source of Masonic information.

Our thanks to R.W. Bro. Chas. W. Emmett and all those associated with the 125th Anniversary Celebration.

THE DISTRICT DEPUTY GRAND MASTERS

Space or words do not permit me to thank adequately those sincere, dedicated brethren who represented the Grand Master in the forty-three districts during the past year. The District Deputy Grand Masters exhibited courage in decisions they were called upon to make, competence in the discharge of their duties and great commitment of purpose to Masonry. Their contribution is much appreciated and in saying thank you I express the hope that their enthusiasm will continue and that Masonry will have the benefit of their experience so that programs in our several districts may be enriched from their presence.

DISTRICT RECEPTIONS

It is a great joy to meet the brethren of the districts on evenings set aside to receive their Grand Master and other representatives of Grand Lodge. The arrangements for the comfort and pleasure of the Grand Master, the opportunity to meet the Worshipful Masters and the Immediate Past Masters and to associate with Masons from several parts of Ontario is much appreciated. The thoughtfulness extended to Mrs. Richards and myself will long be remembered. I am particularly happy that lodge anniversary celebrations are often combined with district receptions. I am much indebted to the districts listed in Appendix 2 for receptions held in the past year.

OTHER VISITATIONS

Whether meeting with brethren on special evenings such as anniversary celebrations, or to celebrate for members who have earned special recognition, or representing this Grand Lodge in other jurisdictions the privilege of being your representative generates within me a great sense of pride and gratitude.

I am particularly happy to have been present when special recognition was given to the late R.W. Bro. W. S. McVittie by New Hope Lodge, to R.W. Bro. Fred Homuth by Harriston Lodge, and to R.W. Bro. Tom Greenaway by Reba Lodge.

At the meeting of Supreme Council of the Ancient and Accepted Scottish Rite held in Niagara Falls on September 11-14 and the Grand Chapter Convocation held in Toronto on April 22, 23, and 24, I had the pleasure of bringing greetings from this Grand Lodge.

Visits to other Grand Lodges are listed in Appendix 3. Other visits made during the year are noted in Appendix 4.

REGIONAL MEETINGS OF BOARD OF GENERAL PURPOSES

During the autumn half of our 1979-80 Masonic year the Board of General Purposes held regional meetings at Huntsville and London. The President of the Board, our Deputy Grand Master, R.W. Bro. Howard Polk, arranged for the agenda and chaired the sessions. Choice of timely topics, ready participation by members of the Board and spirited discussion contributed to useful and successful sessions.

LONG RANGE PLANNING COMMITTEE

Our Deputy Grand Master, R.W. Bro. Howard O. Polk is Chairman of the Long Range Planning Committee. I am encouraged by the topics being discussed by this committee and am satisfied that it has a very important role to play in studying and recommending guide-lines for our pattern of operation in the future.

THANKS FOR SERVICES RENDERED

The success of Masonry depends so much on the voluntary contribution of the time and talents of the brethren. It is with much regret I note that R.W. Bro. Stuart MacKenzie, R.W. Bro. Robert Faithfull, R.W. Bro. A. Millard George and R.W. Bro. Charles A. Sankey are not seeking re-election to the Board of General Purposes. We are indebted to these distinguished Masons for the contribution they have so generously given over the years.

To R.W. Bro. Eric C. Horwood we are grateful for the contribution he has made as Chairman of the Advisory Committee on Lodge Buildings. R.W. Bro. Horwood's proficiency and commitment to purpose will long be remembered. It is our hope that although he retires as Chairman of this important committee his expertise and wise counsel will be available to us.

R.W. Bro. Melville J. Damp has asked to be relieved of the chairmanship of the Library Committee. We are sorry to lose his valuable services and wish for him happiness in his new place of residence. Distance from Toronto would make it difficult for Bro. Damp to have a close association with the operation of the library.

It is with much regret that I advise you of the resignation of R.W. Bro. Colin MacKenzie who is Chairman of the Committee on Benevolence. We are indebted to Bro. MacKenzie for his participation in Masonry and recognize the great contribution he has made in several different capacities.

PAST RANK

I am pleased to recommend Past Rank be granted to several brethren who have served the Craft with sincerity and distinction. I am satisfied that the contribution made by these brethren whose names are listed herewith warrants the conferring of the rank of Past Master and I am pleased to so act. We appreciate the services they have rendered.

NEW LODGE ROOM DEDICATED

On Saturday, March 15, a large number of Masons assembled in Exeter to dedicate the building in which Lebanon Forest Lodge No. 133 G.R.C. meets. The dedication ceremony and the dinner that followed the evening were happy and satisfying gatherings. The Grand Master used the topic "Completing the Temple" when speaking to the brethren at the dinner hour. Congratulations to Lebanon Forest Lodge for a long and happy occupancy of the new building.

We share sympathy and concern for the people in these areas who suffered loss and discomfort from the ravages of flood and hurricane.

NECROLOGY

The names of the Grand Lodge Officers with whom we associated and worked over the years and who have passed from our midst during the past year are listed in the report on Deceased Brethren. A complete list of the names of the departed brethren is contained in the Proceedings. We sorrow in their departure from us.

Upon returning from Grand Lodge in July of 1979 I was saddened to learn of the sudden passing of Wor. Bro. Gary Dawkins, Worshipful Master of Walker Lodge at Acton. A voung man of much promise, a teacher by profession, he died suddenly. We are saddened by his passing and sincere sympathy is extended to his widow and two young sons. Waterloo District and Masonry in general suffered a great loss in the passing of R.W. Bro. William S. McVittie. More than three hundred Masons gathered in the Sanctuary of Saint Luke's United Church, Cambridge at a Masonic Service which attested to the love and esteem with which this Past District Deputy Grand Master and practising Mason was held.

GRAND CHAPLAIN

Divine Services hold an important place in Masonry in the Grand Jurisdiction.

R.W. Bro. Keith F. Tudor through the written and spoken word, working with the Assistant Grand Chaplain, V.W. Bro. H. C. Secker, and the District Chaplains has made a very real contribution in teaching Masons about the relationship between Masonry and the religion of their choice.

We are indebted to R.W. Bro. Tudor, the Grand Chaplain and extend to him our warmest of thanks and appreciation.

CONCLUSION

As I have moved about the Grand Jurisdiction this past year I am encouraged by the interest, the dedication, the enthusiasm and the voluntary contribution of a large number of brethren.

I never cease to marvel at the "pull power" of Masonry. Brethren meet together regularly in the hamlets, cities, and towns of our country to practise Masonry. Why? Masonry has stood the test of time and has survived in a changing environment in which people now live. Our basic tenets of brotherly love, relief, and truth are as important today as in any period of our history. The future of Masonry is in our hands. Let us make certain that the Masonry of tomorrow adds lustre to the Masonry of yesterday and today.

It would be inappropriate for me to conclude this address and not acknowledge that the strength and success of Masonry depends upon the competence and commitment of those associated with it. The Worshipful Masters and Officers of the lodges are essential to the success and continuity of successful Masonic activity. There is as well that devoted group of brethren who either do not aspire to or have not had an opportunity to serve as an officer in a lodge. The brethren who come out and lend support when lodges engage in their major work activity as new Masons are initiated, passed and raised.

I have already made reference to the District Deputy Grand Masters. Your Grand Lodge is particularly indebted to M.W. Bro. W. K. Bailey, Custodian of the Work. Masonry continues to benefit from his dedication to purpose, his competence and his untiring effort for the welfare of Ancient Free and Accepted Masonry. The Grand Secretary, M.W. Bro. R. E. Davies and a loyal hard

working staff at the Grand Lodge Memorial Building in Hamilton have earned our sincere gratitude for their competence and performance. Space does not permit me to name other hard working brethren devoted to our purpose and not naming them in no way lessens my appreciation for their contribution.

It would be less than realistic on my part if I did not express a concern about a continuing decline in membership. We are not alone in this Grand Lodge in searching for an answer and a solution to this concern. I believe the problem is real. My brethren I ask that we share this concern together. Let us have your suggestions and more important let us have your continued assistance as we struggle to stabilize our membership.

This is our 125th Anniversary year. As we reflect on the past and project to the future we are grateful for what has happened and optimistic about what will happen. One is impressed by the activities reported by individuals, lodges and districts and how they have been associated with this anniversary year. We have arrived at this place in our history by building on what we have inherited from the past. Tennyson wrote: We may use the position we have reached to-day as a stepping stone to higher things. If instead we use it as a pedestal on which to pose we alienate ourselves from life.

My brethren let us make certain we use our position of today as a stepping stone. And may that stepping stone lead us to a tomorrow in Masonry that will add strength and enlargement to the Masonry of today.

Sincerely and fraternally,

N. RICHARD RICHARDS Grand Master.

APPENDIX 1

TO BE READ AT THE NEXT REGULAR MEETING OF THE LODGE

To the Worshipful Master of each Lodge — My dear Worshipful Master:

The topic concerning the use of alcoholic beverages was duly considered at each of the 1979 regional meetings of the Board of General Purposes held in Huntsville and London. As a result of the consensus drawn from the regional meetings and further consideration by the Grand Master he reaffirms the principles enunciated in the statement circulated over the signature of M.W. Bro. Bailey under date of May 15, 1972. The Grand Master recognizes the changing attitudes of society towards the use of alcoholic beverages. He emphasizes the importance and responsibility of all Masons to insist that, if alcoholic beverages are served and consumed, discretion, propriety and moderation be exercised.

The Grand Master deems it advisable to issue the following new directive which replaces that of 1972.

- Alcoholic beverages shall not be taken into or consumed in a lodge room.
- 2. Alcoholic beverages may be served in a banquet room auditorium for the following purposes:
 - (a) (i) at annual lodge installation or election night. (ii) at annual lodge Ladies' Night.
 - (b) at annual district functions.
 - (c) at annual meetings of Masonic groups such as Masters' and Wardens' Association.
 - (d) at social functions related to lodge visitations between Grand Jurisdictions.
- 3. Alcoholic beverages may be served in:
 - (a) designated lounge area of Masonic buildings.
 - (b) at functions of non-masonic tenants of buildings or other non-masonic users

- 4. It is understood that no behaviour is permitted on Masonic premises at anytime inconsistent with Masonic dignity, or that which might bring discredit to the Order.
- 5. Under no circumstances may alcoholic beverages be served or consumed in Masonic buildings except in conformity with the intent expressed in this statement and the laws and regulations of the Province of Ontario.
- 6. Temple Boards, or equivalent (Board of Trustees) shall be responsible to state that the appropriate liquor license is or has been obtained. Compliance with regulations contained in a liquor license from the Ontario Liquor License Board is the total responsibility of the user group (Masonic or non-masonic).
- 7. The decision for the distribution or prohibition of alcoholic beverages is the responsibility of the Temple Corporation or its equivalent (Board of Trustees).

Sincerely and fraternally

N. R. RICHARDS Grand Master.

APPOINTMENT OF COMMITTEE ON THE **GRAND MASTER'S ADDRESS**

At the conclusion of the Address it was moved by M.W. Bro. J. N. Allan, seconded by M.W. Bro. E. W. Nancekivell, and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON DECEASED BRETHREN

This Report was presented by R.W. Bro. W. L. Pacey, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Pacey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Brethren, we shall miss them. In paying our last farewell to "those whom we have loved long since and lost awhile," let us recall the familiar words of our ritual which we have heard so often at the passing of a Departed Brother.

"While we sorrow for our loss, let us lift up hearts of thanksgiving for a life well spent, for a work well done, and let us humbly pray we may be given grace, strength and wisdom to enable us to perform our duty in the pathway of life's service."

Many of the Brethren who were with us at our Communication last year, have since been called to the Grand Lodge Above. We miss their familiar faces and the inspiration of their presence. As they fade from our view, let them not fade from our memories. During the quietness of these moments, may we pause with dignity, reverence, affection and respect to remember our Departed Brethren. Many have been outstanding Masons who have rendered excellent service in the interest of the Craft during their earthly pilgrimage.

It is fitting that once each year, this Grand Lodge should withdraw itself from the crowding considerations and cares of its activities. We should pause and pay a last tribute of love and respect to the memory of the household of the faithful who, since our last Communication, have been advanced through the portals of death to the Celestial Grand Lodge.

Vacant chairs speak to us at this time. These are everrecurring yet ever new reminders of our inevitable destiny and of that time when all distinctions, save those of goodness and virtue, shall cease.

"Whence come you," should we not ponder? It is on an occasion such as this that we should ask truly of ourselves, "Whither am I directing my course." As the Brethren of other

days, one by one, pass onward to that undiscovered land, it is now we must remind ourselves that with each new gap in the chain of earthly friendships. The Master Workman has a plan to bind us to that unseen world.

> To each of us is given a set of tools A shapeless mass and a book of rules And we must build ere life has flown A stumbling block or a stepping stone.

The passing of our Brethren reminds us, as we have so often heard, to contemplate our inevitable destiny. Death must come soon or late. Therefore, let us set out our priorities not on the material. They have left with us a beautiful memory of their dedication and service. It was all done with a quiet dignity.

In concluding my Brethren, such is the nature of our existence. We have the privilege to pass through life but once. We should strive for dignity and a purpose to build a bulwark against hatred and bigotry.

The urgent message which our Departed Brethren have for us, the living, could be summed up with these words:

> "The Clock of Life is wound but once And no man hath the power To tell just when the hands will stop At late or early hour. Now is the only time you own; Live, love, toil with a will, Place no faith in Tomorrow, for The clock may then be still."

We will observe a one-minute silence in memory of those Departed Brethren whose names have been engraved in the printed form.

May They Rest In Peace --- So mote it be.

These Tablet Pages

Are inscribed and fraternally dedicated

in memory of

Gur Departed Brethren

THE SERVICE OF REMEMBRANCE

The Opening Sentences:

GRAND CHAPLAIN:

He that dwelleth in the secret place of the Most High shall abide under the shadow of the Almighty. I will say of the Lord, He is my refuge and my fortress: My God in Him will I trust.

Response (said by all)

The Lord is near unto all them that call upon Him, to all that call upon Him in truth. He will fulfill the desire of them that fear Him: He also will hear their cry, and will save them.

The Prayer of Invocation:

Almighty God, our Father, from whom we come, and unto whom our spirits return; You have been our dwelling place in all generations. You are our refuge and strength, a very present help in all the experiences of life. Grant us Your blessing in these moments, and enable us so to put our trust in You that our spirits may grow calm and our hearts be comforted. Lift our eyes beyond the shadows of earth, and help us to see the light of eternity. In Your Most Holy Name we pray. Amen.

The Responsive Reading:

The souls of the righteous are in the hand of God.

And no torment will ever touch them.

In the eyes of the foolish they seemed to have died.

And their departure was thought to be an affliction.

And their going from us to be their destruction.

But they are at peace.

Having been disciplined a little, they will receive great good.

Because God tested them and found them worthy of Himself.

Their reward is with the Lord;

The Most High takes care of them.

The Prayer of Remembrance and Dedication

(The Brethren stand at the S. of F.)

O God, You are the Creator and Friend of all, by You all souls do live; we bless and praise You for all that was pure and true, beautiful and good, in the lives commemorated this day; for the example they have left to us of their acts of brotherly love, relief and truth. We commend their spirits to You who gave them and we cherish their memory in our hearts.

Mercifully grant, now, Eternal God, that this moment of Memory may be a mount of vision, from which new light shall fall upon our fleeting days; that we may think of our lives as sent from You. Use us as You will, our hands to do Your work, our lips to speak Your truth, our lives to be areas of service of Your love and mercy; and grant us when life is done Your rest and peace. Amen.

The Hymn-"Guide Me, O Thou Great Jehovah"

CWM RHONDDA 878787 and repeat

Guide me, O Thou great Jehovah, Pilgrim through this barren land; I am weak, but thou art mighty; Hold me with thy powerful hand: Bread of Heaven, bread of Heaven, Feed me till I want no more. Feed me till I want no more.

Open now the crystal fountain Whence the healing stream doth flow; Let the fiery cloudy pillar lead me all my journey through: Strong deliverer, Be thou still my strength and shield.

When I tread the verge of Jordan, Bid my anxious fears subside; Death of deaths, and hell's destruction, Land me safe on Canaan's side: Songs of praises I will ever give to thee.

The Benediction

May the blessing of the Great Architect of the Universe rest upon us; and may He give us light to guide us, courage to support us, and love to unite us, now and evermore. Amen.

> KEITH F. TUDOR, Grand Chaplain.

Respectfully and fraternally submitted,

W. LORNE PACEY, Chairman.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have examined the statement of resources of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1980 and statements of receipts and disbursements of the General Fund and combined Memorial and Semi-Centennial Fund for the year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests and other procedures as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of May 5, 1980 by the Canadian Imperial Bank of Commerce.

In my opinion, these financial statements present fairly the financial position on a cash basis of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario as at April 30, 1980 and the receipts and disbursements for the year then ended in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally

A. WM. PARISH, F.C.A.

Most Worshipful Sir and Brethren:

I have the honour and pleasure to submit the Grand Treasurer's Report for the year 1979-1980. It is a pleasure because I am again able to assure you that the finances of Grand Lodge are in a sound and satisfactory state. Also, because the bottom line indicates further growth in our assets. I can repeat a statement I made one year ago that those responsible for the administration of the affairs of Grand Lodge are worthy of much credit for the excellent statement that will appear in the 1980 Proceedings.

I should like to make special mention of the progress that has been made in the management of the Commutation Fund as a result of action taken by a former Grand Treasurer, the late M.W. Bro. Cleeve Hooper. Bro. Hooper segregated the payments into the fund and invested the proceeds in sound investments while at the same time making substantial annual payments to the General Fund of Grand Lodge from current receipts. The Auditor's Report now indicates that investments held in the Commutation Fund portfolio total \$170,120,00 Income from these investments amounted to \$14,844,90. This amount was channelled into the General Fund of Grand Lodge to compensate the General Fund for the loss of the per capita tax which would have accrued to Grand Lodge from those brethren whose dues were commuted. I feel I should mention an item included in the receipts of \$16,652.00 which is payment in advance for the book "Whence Come We?". General Fund will lose these funds when the printing of the book will be paid for next year.

I am pleased to report an increase in income from investments held in the General Fund portfolio of \$13,056.65, also an increase in investment income of \$3,915.30 in the Commutation account, which amounts are

included in the receipts of Grand Lodge. I should like to express a word of appreciation to the Municipality now responsible for bonds issued by the Township of Sandwich East. An original holding of \$4,000.00 in bonds paying 2% interest and due in 1985 is being redeemed at the rate of \$1,000.00 per year.

The needs of the Committee on Benevolence were greater this year than last, \$73,124.10 compared to \$59,828.01, which difference was covered by an additional grant of \$10,000.00.

I am again indebted to the Grand Secretary and his staff for their assistance in facilitating the work of the Grand Treasurer and to the Chairman of the Committee on Audit and Finance for his co-operation and wise counsel.

I wish also to record my appreciation of the financial statements prepared each month by our Auditor, Bro. A. W. Parish, F.C.A., and for the annual statement covering the financial operation of Grand Lodge for the Masonic year.

A full statement of Assets and Liabilities together with Receipts and Disbursements is set out in the pages that follow. I urge all brethren to study these reports and become familiar with the financial operations of our Grand Lodge.

Fraternally submitted,

JAMES N. ALLAN, Grand Treasurer.

In conclusion, I wish to recognize the legacy left by my predecessors in this office, namely — that of a well-organized office and an extremely capable and efficient staff. This has been a year of transition for your Grand Secretary and I might say a year not entirely free of problems and complications, but nevertheless a pleasant year due to the untiring efforts, assistance and co-operation given by our staff.

A special thank you must be given to our Grand Master with whom it has been a pleasure to work, to the Past Grand Masters for their continuing interest and guidance, to the President and Members of the Board of General Purposes for their efforts and especially to the Lodge Secretaries for their co-operation and unselfish devotion to our Craft, and to the entire membership whom we are privileged to serve.

Respectfully and fraternally submitted

Grand Secretary.

RESavies

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and adopted by Grand Lodge.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 43 District Deputy Grand Masters were presented by the Grand Secretary and on motion of the Deputy Grand Master, seconded by the Grand Secretary, they were received and referred to the Board of General Purposes.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed R.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. B. B. Foster presented this Report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. B. B. Foster, that the Report be received and adopted: Carried.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This Report was presented by M.W. Bro. E. W. Nancekivell, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Last year, for reasons explained at that time, the Grand Lodge of Canada in the Province of Ontario withdrew recognition of the Grand Lodge of Belgium. A new Grand Lodge has been formed in Belgium, called the Regular Grand Lodge of Belgium.

which has petitioned us for recognition and since it would appear to be regular in every respect, we recommend that this recognition be granted. (It has already been recognized by the Grand Lodges of England, Scotland, Ireland, France (G.L.N.F.), Pennsylvania, Texas, India, Turkey and Iceland.

The Masonic situation in Spain is still such that the Spanish United Grand Orient is considered to be irregular and not entitled to recognition by this Grand Lodge.

The Grand Lodge of Uruguay seeks recognition from the Grand Lodge of Canada in the Province of Ontario and, since it is now considered to be regular and worthy of recognition, we do so recommend.

Similarly the Grand Lodge of Ceara, one of 22 State Grand Lodges of Brazil, has requested recognition and we recommend that such recognition be granted.

This year your chairman has the honour of also being chairman of the Commission on Information for Recognition of the Conference of Grand Masters of Masons in North America and it necessarily follows that the recommendations of the Committee on Fraternal Relations reflects the deliberations. decisions, and recommendations of that Commission.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL Chairman.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. H. C. Steele, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Steele, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Warrants it is a privilege to present this report at this our 125th Anniversary Celebration.

The Committee on Warrants for the year 1979-80 is comprised of the following members: Most Wor. Bros. J. A. Irvine, R. E. Davies; Rt. Wor. Bros. A. N. Newell, N. R. Strutt, R. S. Throop, W. E. Morley, C. R. Harris, D. H. Sears, R. I. Smith, H. E. Schroeder, J. A. Neve, O. A. Bradt, R. J. MacArthur with the undersigned as Chairman.

Applications for Warrants have been received from 3 lodges presently working under Dispensation. Friendship Lodge U.D., instituted April 26th, 1979. Anniversary Lodge U.D., instituted March 12th, 1980 and West Gate Lodge U.D., instituted March 26th, 1980. All 3 lodges were instituted by the D.D.G.M. of their respective district, in accordance with the Book of Constitution.

The customary administrative books along with the request for Warrants and records have been examined by the Committee and have all been found in good order.

The Committee on Warrants recommend that Warrants be issued as follows:

- 1. Friendship Lodge U.D. Georgetown be granted No. 732 and added to Wellington District.
- 2. Anniversary Lodge U.D. Brampton be granted No. 733 and added to Toronto District No. 1.
- 3. West Gate Lodge U.D. Streetsville be granted No. 734 and added to Toronto District No. 1.

The brethren of Anniversary Lodge must be congratulated for a first in our Grand Jurisdiction. The lodge will meet in the morning. It is the thoughts of the brethren responsible for the formation of this lodge that a morning meeting could be beneficial to members who worked shift work.

100 GRAND LODGE OF CANADA ANNUAL COMMUNICATION

The congratulations and best wishes of the Committee on Warrants is extended to all the brethren responsible for requests for Warrants. Our 125th Anniversary has been made richer due to your efforts. To the brethren who were appointed the Secretary of the 3 new lodges, special thanks is extended to each of you for your fine efforts in setting up the necessary books. Without proper books your requests would have not been granted.

Your Committee would like to urge all brethren who have not done so as yet, to become familiar with the new Book of Constitution. This is very important if you are in one of our newly Warranted Lodges or if you are contemplating starting a new lodge.

We would remind you of the help available from the Grand Secretary and his staff if you are having problems.

To the membership of each of our new lodges seeking Warrants, we trust that the years ahead will be rewarding, your lodges will grow, and as you look back over the years you will ever remember the active part that you played in making the 125th Anniversary of our Grand Lodge the great success that it has been.

Respectfully and fraternally submitted

H. CAMERON STEELE, Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This Report was presented by R.W. Bro. N. E. Byrne, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Byrne, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once more your Committee on the Condition of Masonry in the Grand Jurisdiction is privileged to report on the Masonic activities of all Masons in Ontario as we acknowledge and celebrate a venerable milestone in the colourful history of this Grand Lodge.

From its very beginning, traced in ancient and antiquated links from a small lodge at Niagara, through amalgamations, reorganizations, merges and unifications, to a Grand Jurisdiction giving direction and authority to 645 separate lodges and guiding and inspiring over 110,000 individual Masons, the Grand Lodge of Canada in the Province of Ontario has reached milestone 125 in the long road of dedication which leads down the passage of time to the future.

From each district in our Grand Jurisdiction the direct representatives of our esteemed Grand Master report, without exception, that this past year has been crowded with a myriad of activities where all Masons of Ontario have been able to personally express their pleasure at celebrating this august occasion, individually and collectively.

From the four corners of this vast province come reports of concrete examples of dedication, renewal of purpose, brotherhood, self sacrifice, an awakening of a sleeping giant as hundreds of lodges took specific action to record this plateau in the history of this Grand Lodge.

Your Committee could not, in the space and time permitted, record for all to see the many, many endeavours that the Masons of Ontario have completed which will serve us all so well in the future as definitive evidence of a desire to recognize now and in the years to come the celebration of our 125th year.

The 125th Anniversary Committee, under the guidance of its Chairman, R.W. Bro. Charles Emmett deservedly acquires the acclaim of us all as it completes a task begun several years ago which has culminated in a surge of activity in the Masonic year just completed. The projects commenced, completed and in many cases still continuing, vary equally in form as the faces of man differ each from the other.

The lodges in Ontario will benefit for years to come from renovated lodge rooms, rejuvenated banquet rooms, redecorations, new carpets, the construction of a patio, the purchase of a Church as a Masonic Temple (North Star 322 and St. George's 88), assembled framed photographs of past ruling Masters from the inception of the lodge, the purchase of a seeing eye dog for a blind brother (Blyth 303), \$5,000.00 raised to equip a hospital room (Temple 665), creation of a Masonic Library, roof repairs, construction and installation of washroom facilities, installation of electric heating, refinishing of lodge furniture, refurbishing of the tombstone of a distinguished charter member (The Barton 6), a vault to store lodge records and paraphernalia, the dedication of a new Temple (Lebanon Forest 133), the creation and formation of new lodges (Toronto District 1 and Wellington District). commemorative dances, receptions and social evenings, rededication ceremonies, the assistance given to elderly and indisposed brethren to ready their homes for a long, hard winter, the purchase and dedication of new regalia for lodge officers, the purchase of a new organ (Union 7) the handcrafting of a travelling gavel made from rare 125 year old wood. . . . the list goes on and on. Surely a fine effort of the Masons in Ontario who only needed an Anniversary to sharpen their initiative and direct their joint activities in so very many varied activities. The interest of many Ontario Masons was already caught up by the intensity of the Project H.E.L.P. campaign and its very successful completion so that the 125th Anniversary projects started off in high gear and utilized the wealth of talent, labour and sacrifice that was bubbling just beneath the surface, anxious to burst forth in renewed activity.

Each D.D.G.M. reports with humble pride that this past year has been an ideal opportunity for Masons of all ages and walks of life to visibly demonstrate to others the practical reality of that brotherhood that symbolizes Masonry at its finest hour.

Your Committee is of the opinion that projects such as the Project H.E.L.P. campaign, the 125th Anniversary lodge projects and the special ceremonies and services that we will all share in at

this Annual Communication, have and will give Masons and our beloved Craft an opportunity to visibly demonstrate to the general public that indeed Masonry is "alive and well" and not a secret society concerned only with closed meetings and mystic rituals. It would seem to your Committee that this "blossoming" of Masonry cannot help but have a beneficial effect on our Order. There may be some who may well feel that this exposure of Masonry offends tradition and will surely result in chaos and unpopular changes. Tradition is constantly opposed to change and change cannot tolerate pure tradition. Tradition has kept alive the basic tenets and truths of our Craft and must need be preserved to insure order and regularity and yet our society, our lives, our methods of communication, education, work and travel, have changed drastically in just one or two generations. Change for change sake alone is dangerous, but not to change at all is also perilous. To modify, to meet existing conditions, to bring our cherished Masonry forth for all to see, to be more open about Masonry with the general public may be, if conducted carefully, with due consideration, common sense and thought, our saving grace.

Our Grand Master has struck a Long Range Planning Committee and this Grand Lodge should look to its deliberations which should reflect the considered opinions of many for guidance in the years that lie ahead.

The D.D.G.M.s' reports repeated their concern and the concerns of the constituent lodges with finances. Increased initiation fees (some to comply with the new constitution) and dues just don't seem to keep pace with the ever increasing costs of lodge operation, rents, taxes, stationery, stamps and banquet room costs. Temple Boards and Masonic Temple Holding Corporations across the province are faced with new methods of municipal realty taxation and assessment and a united effort in this area is indicated.

The dedicated Masons who represent our Grand Master in each district have collectively expressed great joy in serving their office and record with humble pride their satisfaction in presenting long service awards to those distinguished brethren whose service to our Craft has been recognized by Grand Lodge and their brethren.

Even amid the flurry of activity created by Project H.E.L.P. and the 125th Anniversary of Grand Lodge, the Committee on Masonic Education under the leadership of R.W. Bro. Wallace McLeod has recorded another year of increased success.

Your Committee notes that each District Chairman has been particularly active this year and hardly a meeting of Masons occurs without some time being devoted to improving the brethren's knowledge of the history, teachings and meanings of our Order. This Committee has given much impetus to this most important duty of the individual Mason "to make a daily advancement in Masonic knowledge."

In this, our Anniversary Year, eight lodges have been able to celebrate their "Golden" Anniversary and now wear with pride regalia emblazoned with the purest of metals — the gold of antiquity. We congratulate:—

King Solomon Lodge No. 378 at London Middlesex Lodge No. 379 at Ilderton Union Lodge No. 380 at London Doric Lodge No. 382 at Hamilton Henderson Lodge No. 383 at Winchester Alpha Lodge No. 384 at Toronto Spry Lodge No. 385 at Beeton McColl Lodge No. 386 at West Lorne

In addition, the following lodges have had a special, personal reason to be enthusiastic in this Anniversary Year as they celebrate their own 125th Anniversary. Truly a remarkable achievement.

Great Western No. 47 at Windsor Vaughan No. 54 at Maple Merrickville No. 55 at Merrickville Victoria No. 56 at Sarnia Harmony No. 57 at Binbrook Doric No. 58 at Ottawa (who conducted their celebration on the exact date of their 125th Anniversary) St. Andrew's No. 62 at Caledonia

During 1979-80 two districts gave evidence of the growth of Masonry in general by arranging for the formation of three new lodges who, 125 years from now, will repeat this 125th Anniversary celebration in their own lodges in the year 2105. Toronto District 1 gave birth to the Anniversary Lodge U.D. at Brampton which has an unusual feature in that it meets in daylight hours to serve shift workers, retired brethren and others who find this time of meeting more advantageous. It also spawned West Gate Lodge U.D. at Streetsville. Wellington District was not far behind in its efforts and created Friendship Lodge U.D. at Georgetown. Your

Committee congratulates these two fine Districts and the Masons involved for producing living memorials of the progress of this Grand Lodge and its 125th year of existence.

The individual responsibility to give the "Gift of Life" remains an active phase of Masonry in general and the Blood Donor Committee led by the fine hand of R.W. Bro. Rod J. Connor continues to give leadership and direction to the District Chairmen and they report increases in response to this "Charity" in many districts. Hamilton District "C" arranged for the Chief Magistrate of the City of Hamilton to officially proclaim a special Blood Donor Day and a presentation was made by municipal officials with attendant publicity in the media to V.W. Bro. William Hoyle, whose actions many years ago instituted the idea of Masonic Blood Donors. An examination of the various reports brings forth ideas that have assisted Masters and lodges in the jurisdiction and your Committee records some as being worthy of note and examples that may be copied or modified by others anticipating similar results.

One lodge, to stir interest, creates a "Masonic Celebrity of the Month" to give recognition to a deserving brother in the hope that it will inspire others to put forth similar efforts.

Ionic Lodge No. 716 at London, following a successful effort for Project H.E.L.P., conducted a Masonic Walkathon under the auspices of the Masters', Past Masters', and Wardens' Association of London Districts East and West, which raised over \$10,000.00 for Childhood Cancer Research. The London Masons publicly served a deserving cause and enjoyed good fellowship at the same time. Some lodges have formed Masonic Choirs to assist in the degree work and the D.D.G.M.s involved report new interest by many brethren, a truly enhanced ritual and an opportunity for the latent musical talents in some of the brethren to come to the surface. Corinthian Lodge No. 101 at Peterborough made a special effort at attendance and celebrated 4652 years of Masonry at one meeting. Mount Zion Lodge No. 39 at Brooklin honoured W. Bro. R. Down, who had never missed a single lodge meeting in 32 consecutive years.

Each year in each district wherever our beloved Grand Master has been received, the D.D.G.M.s report that these receptions are the highlight of the district year as the brethren have an opportunity to meet and greet our Ruler as he journeys about this province, bringing visible evidence of his leadership and

inspiration, messages of lasting moment and a warmth that has endeared him to all who have had the opportunity to break bread with him, or share in a Masonic ceremony.

This Anniversary Year has made another mark on our Masonic Community as the first partial year operating under the new Constitution and rules, passed by all the brethren at our last Communication. From all reports, much has been accomplished to more clearly define our Masonic rights and responsibilities, improve our finances with improved initiation fees and generally cope with questions on authority and administration in our complex Masonic society.

Your Committee would be remiss in its duty if it was not prompt to acknowledge the great debt we as Masons in Ontario owe to the untiring efforts of each District Deputy Grand Master, the District Chaplains, the District Secretaries, the District Chairmen of all committees and all others who serve their Masonic brethren quietly and effectively so that our beloved Craft may continue to grow and flourish in well regulated order and prosperity. We salute them all.

Your Committee wishes to thank the Grand Secretary, M.W. Bro. Robert Davies and his staff for their help, counsel and assistance during this past year which has aided greatly in the compilation of this report.

In general summation, your Committee is pleased to report that this year, Masonry in Ontario has had a "bumper crop" with all the activities prompted by the celebration of our 125th year. Masons who have somehow lapsed into somnolence or drifted into the comfortable lethargy of inattendance and inactivity have been inspired to rededication and have been guided back to the path of Duty which leads straight up the mountain of Truth, travelling in company with Faith, Hope and Charity and in the fraternal companionship of their Masonic brothers everywhere.

All of which is respectfully submitted on behalf of the Committee.

NORMAN E. BYRNE, Chairman.

REPORT OF THE LONG RANGE PLANNING COMMITTEE

R.W. Bro. H. O. Polk presented the following report. On motion of the Deputy Grand Master, seconded by R.W. Bro. James Napier, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Long Range Planning Committee, I have the honour to present the following report to the 125th Annual Communication of this Grand Lodge.

The perceptiveness of our present Grand Master concerning the broad spectrum conditions of our Masonic Fraternity initiated the formation of a new committee on Long Range Planning.

The members were appointed by our Grand Master on their respective merits and have been chosen to portray a fair and unequivocal geographical representation throughout the entire jurisdiction. The members of your committee are:

Chairman: R.W. Bro. Howard O. Polk, Deputy G.M.; R.W. Bros. David Bradley, Arthur Broomhead, Rev. William Fairley, Raymond Gamble, Gerald MacDonald, James Napier, Dr. William Pellow, James Scarborough, Rev. Arthur Watson, and Earl Wilson.

Your committee met formally in November 1979, March and May 1980. On each of these occasions the committee spent an entire day discussing the challenging submissions from their constituent lodge members.

Your committee realizes that the vast scope of the deliberations will eventually include every facet of Masonry. To zero in on definite areas the following issues were presented for introspection and discussion:

- 1. Finance
- 2. Structure and organization of Grand Lodge
- 3. Commitment and awareness of members

Your Long Range Planning Committee begs your indulgence during the formative days in structuring and organization. The survival and success of this committee depends on many serious and pertinent factors. The foremost is the publicity by our Grand Lodge Officers to inform the general membership of our existence, purpose and sincere devotion to our beloved fraternity. It is mandatory that your committee is provided with voluntary information on the condition of Masonry at the constituent lodge level. Criticism can be constructive and on occasion destructive. The management of criticism is very important. Your Masonic Fraternity in Ontario can not be shrouded, draped, or painted all in black or sombre colors; neither can we afford, if we are to survive in perpetuity, the pleasure and privilege of wearing rose coloured glasses when we attempt to rivet and secure our principles and tenets on a solid foundation. We do have some problems in our fraternity, but these problems are not insurmountable and can be eradicated and our foundations can and will be strengthened. Your assistance is requested and the continued diligence and hard work of your committee will be persistently and assuredly forthcoming.

To those brethren who do not know the word "apathy" and to those brethren who have so graciously and conscientiously submitted their problems for consideration, your committee thanks you most sincerely.

From submissions received, your committee is aware of an impending problem in the area of finance with several lodges. This particular facet of concern will be one of our prime target areas in future meetings. High interest rates, basic escalation, and unstable economic affairs are taking their toll on the reserves of many lodges.

Although the Long Range Planning Committee, as its title suggests, is long range in commitment, there was an urgency that a recommendation be placed forthwith before Grand Lodge that an Ad Hoc Committee on financing be formed to study various problems of the Craft such as lodge budgets, high cost of Regalia, refreshments and entertainment.

Your committee has been aware of the continued decline in membership, the poor attendance, and the learning and execution of the work. These topics have been discussed at great length. Your committee does not intend to submit further recommendations this year, but serious and lengthy discussions have devolved around the following topics:

(a) Counselling and instruction at lodge level in areas of business and finance

- (b) Budget preparation and instructional management.
- (c) Autonomy for lodge fund raising.
- (d) Guidelines for new lodge premises.
- (e) Guidelines for changing lodge locations.
- (f) Degraded lodge accommodations.
- (g) Cost of Regalia and Past Master Jewels, possible reclamation, and standardization.
- (h) Grand Lodge Resource Funds with preferential borrowing rates.
- (i) Restructuring and strengthening of Grand Lodge committees and the introduction of new.
- (j) Geographical distribution of Board of General Purpose members.
- (k) Generalized study and functional roles of our present Grand Lodge organization; the effectiveness and purpose of several Grand Lodge appointments, offices, and officers.
- (1) Teaching and education.

Unanimously all members have agreed to remain and devote their services to complete their term. Without exception it is agreed our task is not easy, but all submissions will be conscientiously reviewed. Decisions, although they may reflect the fallibility of man, will nonetheless be executed with one thought of purpose in mind, to serve you, my Masonic Brother, enhance and strengthen our great and wonderful fraternity of Masons.

For this privilege, we thank you.

All of which is respectfully and fraternally submitted, on behalf of the committee.

H. O. POLK, Chairman.

The Grand Master announced his intention to act upon the recommendation of the Long Range Planning Committee and indicated his intent to establish an ad hoc Committee on Lodge Financing.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes, through the Committee on Masonic Education, begs leave to report as follows:

The Committee was composed of M.W. Bros. W. L. Wright, J. A. Irvine, W. K. Bailey, R.W. Bros. D. I. Murdy, A. G. Seaton, C. C. Lillico, C. A. Sankey, Arthur Youngs, E. C. Steen, M. J. Damp, W. A. Isbister, and V.W. Bro. E. J. Brown, with the undersigned as Chairman.

The purpose of education is to make people think, and so the committee is grateful to all those who have given us something to ponder. A few may be singled out for special mention. The Custodian of the Work has gladly shared the fruits of his wisdom with any district, lodge, or individual that had the wit to ask. The District Deputy Grand Masters have among them spoken in every lodge in the jurisdiction. The Grand Chaplain has provided inspiration by his addresses and by his very presence. The Editor of the Grand Lodge Bulletin has given us "all the news that's fit to print," and has also offered us one particularly elegant specimen of the speaker's craft. We have derived much food for thought from this 125th Anniversary programme, and we must especially thank the organizers of the Heritage display, and those who scripted, directed, and re-enacted the Birth of our Grand Lodge.

Communication with the Masons of Ontario. Much of what Grand Lodge thinks, or says, or wishes, is unknown and perhaps even irrelevant to the individual Mason. During the year, in an effort to keep the lines of transmission open, your committee sent out five communications to each district:

(1) A copy of last year's report, which by the courtesy of the D.D.G.M.s was placed in each lodge in the jurisdiction. We hoped

that this might provide some ideas for programmes during the year.

- (2) Through the generosity of R.W. Bro. Frank J. Bruce, one copy of the booklet *Towards the Square*, which was prepared two years ago by R.W. Bro. David C. Bradley for the instruction of the deacons of Toronto District 3. The District Deputy Grand Masters were invited to comment on its potential usefulness; there were four responses.
- (3) A notice for every lodge announcing a correspondence course in Masonic study and inviting applications; of this, more anon.
- (4) A publicity release concerning the book *Whence Come We?* together with a request that every member of the Board do his utmost to promote sales.
- (5) A questionnaire asking for details on the year's educational activities in each district

In addition the committee continued to publish short reviews of Masonic books in the magazine *The Freemason*, and in connection with Grand Lodge's new processional banner it prepared an information sheet for distribution at this Annual Communication.

"The Study Group." The correspondence course of Masonic study, known as "The Study Group," was entirely the brainchild of V.W. Bro. Ernest J. Brown. Such a programme conducted the previous year in Wyndham Lodge, No. 688, Guelph, had been well received, and seemed likely to appeal to a wider circle of Masons. Your committee agreed to sponsor a pilot project across the whole jurisdiction. The initial response was excellent, and enrolment was closed after 100 registrations. The first class includes representatives of thirty-one districts and eighty lodges, from Kenora to North Gower.

The course operates as follows. Every month (or more or less frequently, as convenient to the student) each participant receives a short talk about 1200 - 1500 words long. He reads it carefully and then writes a review. He also receives three brief questions which he answers after due research. His scripts are submitted under a pseudonym and forwarded to a scrutineer, who assigns grades and comments before returning them. Each participant who

successfully completes nine assignments is awarded a certificate. The short talks used in the pilot project carried the following titles:

- (1) God and Religion:
- (2) Allegories and Symbols;
- (3) Darkness into Light;
- (4) The North East Angle;
- (5) Corn, Wine, and Oil;
- (6) The Gavel:
- (7) Our Moral Responsibility:
- (8) Women Freemasons:
- (9) The Lesser Lights.

The whole burden of administering the programme, communicating with the applicants, and providing study material, has fallen upon V.W. Bro. Brown. We were fortunate to be able to persuade R.W. Bro. Arthur Youngs to serve as scrutineer. He has done his job promptly and responsibly, blending encouragement and instruction in due proportion.

The expenses for stationery, printing, postage, and administration were too large for your committee to assume and were met by fees assessed upon each applicant. The financial records were inspected by V.W. Bro. Frederick A. Hamilton, who has submitted the following report:

"I have audited the books, as requested by you, and found them to be clear, concise, and correct."

The Committee on Masonic Education has contributed nothing to the programme beyond the lustre of its name. We may venture an interim assessment. The papers assigned for study are compiled or written from standard authorities. The course is not progressive or structured, and this no doubt keeps it from becoming too narrow in its emphasis. It fosters critical curiosity, encourages orderly research, provides an opportunity for evaluation and accreditation, and offers external incentives to performance. Perhaps more specialized sequels could be devised, on the history of our Grand Lodge, or the administration of a lodge, or the duties of officers. It might not even be necessary to have new talks especially written and printed for such courses, for there are excellent text-books available.

At all events there is a substantial waiting list for the basic programme, and your committee recommends that it be repeated, provided that the same administrators are willing to continue, or that suitable successors can be found. Anyone who is interested in the course should contact "The Study Group," 43 Cedar Street, Guelph, Ontario N1G 1C2. We are grateful to all who have organized this project, but above all to V.W. Bro. Ernest J. Brown and R.W. Bro. Arthur Youngs, whose contributions in time, skill, and energy, have been nothing short of phenomenal.

Activities in the Districts and Lodges. A brief review of the year's educational events will give some notion of the range of activities available, and perhaps suggest ideas that might be tried elsewhere next year. The ritual is of course fundamental. In addition to lodges of instruction, word reached the committee of degrees being conferred by special teams: from the Mohawk Indian Reserve near Brantford, from the R.C.M.P. (in Eastern District), by the Past District Deputy Grand Masters (South Huron, Waterloo), and in an outdoor natural amphitheatre by the Worshipful Masters (London East and London West). Other less familiar rituals were exemplified — that of the eighteenth century (Toronto 1, 2, and 7), and those of Michigan (London East) and Scotland (Toronto 4). Evenings of discussion were devoted to such topics as the First Degree (Grey), the Junior Warden's lecture (Hamilton B), the three tracing boards (Ontario), the Installation eeremony (Ottawa 2), and "Standardization of the Ritual" (Toronto 4).

There were programmes of instruction for the officers of the lodge (Peterborough, Toronto 3, Toronto 6, Wellington), explanations of the changes in the Book of Constitution (Ottawa 1, Ottawa 2), guidance on how to conduct a Masonic trial (Eastern), and a consideration of the booklet for the Petitioner (Toronto 3). Toronto 3 participated in a course on speech communication at Seneca College. Other titles were concerned with the ideals of the Craft: "The Mystic Rites of Masonry" (Ontario). "The New Mason and the 125th Anniversary" (Toronto 6). "The Importance of Visitation" (Ottawa 2), and "Your Responsibility to your Lodge" (also Ottawa 2).

There were historical topics, on the development of Masonry (Frontenac, Ontario), the First Grand Master (Ontario), early Masonry in a particular district (Sarnia) and the history of individual lodges (Ottawa 1, Toronto 7). Frontenac had a film on the Grand Lodge of Ohio, London East saw slides of King Solomon's Temple, and Sarnia heard a report on the Masonic pilgrimage to Australia. Toronto 1 had an explanation of the painted ceiling of the Annette Street Temple. The Masonic play "A Rose upon the Altar" was produced in Toronto 1, and a

scripted quiz show "Whence Come We?" in Toronto 2, 3, and 7.

Your committee has long been urging that several speakers can keep the attention of a crowd more easily than one. It is therefore satisfying to learn that Hamilton C had a successful series of four programmes to which each lodge contributed a short paper. London East, Wellington, and Waterloo all had Questionand-Answer sessions which were very well received.

In our last report we said, "Potentially the most effective form of Masonic Education is at the lodge level. *That* is where you find the young Masons who cannot be lured to attend a district meeting." With this in mind several districts have begun to sponsor educational activities in the constituent lodges (Chatham, Muskoka-Parry Sound, Ontario, St. Thomas). The District supervisor for Sudbury-Manitoulin, R.W. Bro. Warren O. Mulack, each month prepared a brief talk (two or three minutes long) and sent it to the lodges in the district.

It is never amiss to put in a good word for The Heritage Lodge, No. 730, Cambridge. During the year it was host to four speakers, whose papers are all published in the lodge *Proceedings:*

"New Light on John Coustos" (W. McLeod):

"Morgan: The Canadian Connection" (Greg C. Robinson);
"An Overview of the Scottish Rite Rituals for the first Three

Degrees" (Charles A. Sankey);

"The Lodge Room, Lodge Furniture, Regalia, and Other Masonic Matters" (John E. Taylor).

The Heritage Lodge is a worthy endeavour. Any Master Mason in the jurisdiction may join; for details contact the Secretary, V.W. Bro. Jacob Pos. 10 Mayfield Avenue, Guelph N1G 2L8.

Altogether then, there is lots going on.

Aim and Scope of Masonic Education. For the last two years the chairman of your committee has been privileged to meet with the new District Deputy Grand Masters for a few minutes soon after their election, and to offer them some suggestions on the theory and practice of Masonic Education. Many have asked that these suggestions be put in written form, and so we venture to include them with this report.

The aim of Masonic Education is to tell the brethren something about the Craft that will increase their understanding of it. The duties of your committee are set out in the Book of

Constitution, section 136 (j). Its responsibility includes such broad topics as the meaning of The Work, symbolism, lodge administration, philosophy, and history. Strictly speaking, it does not include the mechanics of the ritual (which is the province of the Custodian of the Work) nor the Book of Constitution (which is interpreted by the Grand Secretary).

Suggested Procedures within the District. Soon after his election the District Deputy Grand Master will select a District Supervisor of Masonic Education to carry out his policy. He should choose carefully, "Skill without exertion," we are told, "is of little avail." Exertion without skill is equally futile, and the absence of both qualifications is disastrous. Early in the year the D.D.G.M. should meet with his supervisor, perhaps several times,

- (1) to pool their ideas;
- (2) to set educational policy for the year;
- (3) to discuss the possibility of sponsoring programmes in the individual lodges, and to determine what form the sponsorship should take:
- (4) to decide whether there should be some special district enterprise, or more than one;
- (5) to plan what form that enterprise should take (lodge of instruction, exemplification of unfamiliar ritual, training session for lodge officers, workshop, play, question-and-answer session, a series of brief talks, a single speaker from the district or outside it, an open house for non-Masons);
- (6) to settle exactly what the responsibilities of the supervisor in this regard are to be.

Once these decisions have been reached, the supervisor should have the D.D.G.M.'s blessing to go ahead without interference. If distances do not preclude, it is also a good idea for the D.D.G.M. and his supervisor to meet with the lodge chairmen, to inform them of the district's plans and policies, to motivate them, and to offer if need be to help them.

Grand Lodge's Committee on Masonic Education is always available for counsel and assistance. Perhaps we should add that the committee does not provide ready-made programmes which can be put on with no local participation.

Problems in the Lodges. We can do no better than to quote from the reports of the District Deputy Grand Masters, which

highlight two main problems connected with the constituent lodges:

- (1) "Our Grand Master has described Masonic education as a 'dirty word'; when it is listed in the monthly summons it practically assures a poor attendance." And, from another district: "I know we have at least one young member who stays home from lodge because of Masonic education. He told me that rather than go to lodge and listen to Wor. Bro. So-and-so he would stay home. The monthly talks given by this brother, he said, are as exciting as sitting in the backyard watching the grass grow. On some of my visits this year I would have had to agree with him."
- (2) "My district supervisor told the lodges that he was available if they needed assistance. Those lodges that had degree work did not participate in Masonic education." Or again: "In some lodges it seemed as though the main thrust was directed to putting on a degree, even if they had only one candidate waiting. We are so busy 'getting someone to do the work' that 'the cultivation and improvement of the human mind' gets lost in the shuffle." Or again; "The material and talent is available, but people feel they have to devote time to degree work. I don't know how, but we should try to encourage more educational nights in the lodges."

In other words, the lodge needs an education chairman who is able at once to please and instruct, and it needs to give him an opportunity to do so.

Where can the Lodge chairman get material for short talks? Some brethren say they don't know how to get material for talks, and they ask this committee to provide the words. We're not in a position to do that. Actually, in the *Proceedings* for 1979 on pages 101-105 they will find detailed instructions on how to make up one kind of talk, together with a specimen. But there are thousands of other topics that the brethren would find interesting. What do we mean by landmarks? What do the symbols on the seal of Grand Lodge mean? Which is "the right hand pillar?" Short papers on these can practically be copied out of Beyond the Pillars (a book more bought than read). How do you go about making up a lodge budget, and who should do it? Who is entitled to enter a lodge "under the wands" and receive the Grand Honours? The answers to these are in Meeting the Challenge, which also lists on page 70 some collections of talks which may be borrowed from the Grand Lodge Library. Why are two lodges in Ontario permitted to use a distinctive ritual? Why do we "recognize" some Grand Lodges but not others? You will find the answers in Whence Come We?

Do you need yet more material? Every month since January 1923 The Masonic Service Association (8120 Fenton Street, Silver Spring, Maryland 20910, U.S.A.) has prepared a "Short Talk Bulletin." Altogether that's nearly 700 talks suitable for presentation in lodge. All are in print, and can be purchased for twenty cents (U.S. currency) each. A catalogue is yours for the asking. Or you can subscribe and receive the next twelve talks for \$2.50 (U.S. currency).

Are there any good Books? We keep trying to tell you that the books published by your Grand Lodge are worth while. Perhaps vou don't believe us. Maybe sometimes you wonder whether it's all part of a gigantic confidence game. What, you may ask, do others think? Well, we've put our press-clipping service to work, and we want to share a few excerpts with you. First, about Beyond the Pillars: The Freemason, of Toronto, for October, 1973, says, "The writers have incorporated the results of the latest research . . . It has been written . . . above all for the Master Mason. We are confident that it will be well received." The Maine Mason for 1973 writes, "The section on the origin of Freemasonry . . . would make the book a valuable addition to anyone's library for this reason alone ... The parts on symbolism are very well handled and provide very interesting reading for those who are interested in Masonic Education. The book closes with a chapter on the challenge of Freemasonry which is timeless and free of any geographical complications." In the authoritative Transactions of Quatuor Coronati Lodge in London for 1973, we find, "This book amply fulfils its purpose and should be read by every Canadian Mason and by all others who are interested in Freemasonry in that country. They are indeed fortunate that the Grand Lodge of Canada in the Province of Ontario has taken so much trouble to produce such a useful book." The ultimate compliment of course is reprinting. Two sections of Beyond the Pillars were reprinted in 1974 by the Masonic Service Association as two of its Short Talk Bulletins; they bore the titles "The Challenge of Freemasonry" and "Veiled in Allegory and Illustrated by Symbols." That is what the world thinks of a book which is held in such low esteem by the Masons of Ontario that even after seven years the first printing is not exhausted.

Very well, what about *Meeting the Challenge?* A reviewer in the *Transactions of Quatuor Coronati Lodge* for 1977 observed, "It is wide in its scope and detailed in its examination of many facets of Masonic government and practices. It will, therefore, be of considerable help to every Mason in that jurisdiction." And in

Masonry in Manitoba, the official publication of the Grand Lodge of Manitoba, for January, 1980, we read: "It spells out quite clearly the duties of every officer in the Lodge. It shows how Lodges should function and gives valuable suggestions on the way to achieve interesting and attractive meetings. Every Lodge should have at least one copy... Indeed, one would think that every Officer would want his own private copy. They can be obtained from the Grand Secretary's Office for \$4.00 each. A real bargain." In Manitoba Meeting the Challenge is a "real bargain" at \$4.00. In Ontario it is available from the Grand Secretary's Office for \$2.50.

If the brethren are to buy these books, they need regular reminders and they need convenient opportunities. The District Deputy Grand Master of Niagara B says, "With all the books now available I think that the lodges should promote their sale, and also present them when the candidate is raised." In Chatham, Niagara A, and Toronto 4 the D.D.G.M., or his supervisor, constantly had a stock of books with him for resale to the brethren. This worked well. Why not try it elsewhere?

Conclusion. High up on the cornice of a public building in another city we read the words, "The commonwealth requires the education of the people as the safeguard of order and liberty." The good of Masonry requires the same thing, and for the same reasons. The material is to hand. The talent is available. The thirst for knowledge is there. Shall the brethren seek in vain? It's up to us.

All of which is respectfully and fraternally submitted on behalf of the committee.

WALLACE McLEOD, Chairman.

REPORT OF THE COMMITTEE ON PRINTING AND PUBLICATIONS

This Report was presented by R.W. Bro. C. W. Emmett, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Emmett, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Printing and Publications composed of Rt. Wor. Bros. H. G. Blanchard, O. W. D. Sayer, R. E. MacNally, K. H. Teed, H. J. Jonassen, M. H. Walker, S. Harbert, K. M. Fraser, F. J. Rowland, V. Lepp, and C. S. McKnight, with the undersigned as Chairman are pleased to submit for your consideration this our annual report. Printing costs for the year to date as of the preparing of this report are as follows:

1978 — 42 books sold \$210.00 1979 — 35 books sold 175.00 1980 — 27 books sold 135.00

Final figures for the year to April 30th, 1980 are contained in the Grand Treasurer's Report.

A comparison of the total printing cost for the period 1979 80 vs. 1978 / 79 is of no consequence as the 1979 / 80 printing cost

figures include an extra large expenditure for the printing of the New Constitution. We would note however the other costs reflect an average increase of approximately 10%.

We record with appreciation, the sale of many of our fine Masonic books, a large percentage of these sales were due to the conscientious effort of a small band of dedicated brethren.

Recommendation

To the Worshipful Master and Secretary of each lodge, that it may be well in this our Anniversary year to adopt a new permanent program of having on hand at all meetings one of each of these fine books, thus offering their officers and members a first hand opportunity of selecting a personal copy.

WHENCE COME WE?

My brethren, may we respectfully suggest, if you have not obtained your copy of this Anniversary Publication, you do so without further delay. Order forms are available at the Grand Secretary's desk. We depend on each one of you to discuss and promote the sale of this new edition in your lodge and during your travels throughout our jurisdiction.

Once again, we have continued the practice of offering for sale, from the Grand Lodge office the extra copies of our Proceedings at a cost of \$5.00 per copy.

We express our thanks to M. Wor. Bro. R. E. Davies, Grand Secretary and his staff for their usual co-operation and dedication, and in particular for their pleasant and warm reception at all times.

Respectfully and fraternally submitted,

C. W. EMMETT,

REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

The Report was presented by M.W. Bro. W. L. Wright, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Wright, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

No matters of importance have come before the Committee on Constitution and Jurisprudence this past year.

Respectfully and fraternally submitted on behalf of the Committee.

WILLIAM L. WRIGHT Chairman.

REPORT OF THE COMMITTEE ON BENEVOLENCE

R.W. Bro. C. D. MacKenzie presented this Report and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes through the Committee on Benevolence reports to you as follows:

Once again it is my privilege as Chairman of the Committee to present a brief report on the activities of its members in the discharge of the responsibilities assigned them by you.

While it may be said of some Committees that their work is primarily vested in the chairman this is not the case in ours. Any success this Committee has enjoyed is directly attributable to the active participation and interest of all the members of the Committee who are as follows:

M.W. Bro. N. R. Richards; R.W. Bros. H. O. Polk, H. C. Steele, C. W. Emmett, R. T. Runciman, A. E. Broadley, J. W. Millar, C. A. Sankey, W. L. Pacey, G. F. W. Inrig, T. E. Burton, D. G. Kaye, D. L. Bond, and V.W. Bro. T. Richard Davies.

I extend them my personal thanks for their co-operation, unfailing interest and genuine concern for our work. It has been a pleasure to be associated with them.

Our annual meeting was held at the Grand Lodge Offices on June 13th and 14th, 1980. This meeting always has several items of business on its agenda. We receive a report from our Supervisor of Benevolence, Rt. Wor. Bro. James C. Guy, review applications for Benevolence, establish levels of assistance where required and discuss any policy matters or changes in procedure that may appear to be required.

May I first comment on the report of our Supervisor of Benevolence. A review of the reports made by this Committee to Grand Lodge since Rt. Wor. Bro. Guy has assumed the responsibility of Benevolence will show, without exception, that he is a man dedicated to his task. I find it very difficult to properly express the feelings our Committee has regarding our Supervisor.

While assuming an ever increasing load of responsibility as assistant to our Grand Secretary he continues to maintain and increase his interest in the welfare of all our brethren who fall under his care as a result of our Benevolent Programs. May I simply say that if all Masons were as dedicated to our Craft and its members as Rt. Wor. Bro. Guy we would be fortunate indeed.

Disbursements for 1979-1980 for Benevolence were as follows:

Grants paid - 85	\$61,704.00
Interim Grants - 25	
Christmas Gratuity	1,000.00
Less: — Cancellations	
— Refunds	1,025.00
	\$73,124.00

May I particularly direct your attention to the interim grants which numbered 25 this year and required an expenditure of

\$15,210.00. Both in numbers and total value this represents a significant increase over previous years and is the result of a continuing trend. More and more we are being asked to assist in catastrophic matters. Brethren are in dire distress as a result of such occurrences as heart attacks, back fractures, leukemia attacks, muscular dystrophy etc., etc. It is the belief of your Committee that in the future we will be called on more and more to provide assistance in cases of this nature.

The Christmas gratuities referred to in the table are a \$10.00 gift which is sent with a Christmas card on your behalf to every one of our recipients.

For consideration this year we expect to receive a total of 96 applications. May I say that to some extent it would appear that the requests of previous years for completeness in detail on these applications and ensuring their presence on time has been heeded. We have far less difficulty than normal assessing the needs and requirements of those applications presented and more of them have been on time this year. While I cannot say that we have solved this problem I am happy to report that it does appear that our brethren are beginning to understand that it is necessary that the Committee have full information, on time, in order to properly help our brethren.

We estimate that in the year ahead \$75,000.00 will be required for Benevolent purposes and request that this sum be made available for that purpose.

Masonry is full of happy traditions and for the members of this Committee one of the most pleasant is the annual hospitality extended by the Hamilton Past Masters' and Wardens' Association at our Annual Meeting. They provide a refreshment hour for the Committee during our deliberations which provides us with an opportunity to join with them for a few moments of relaxation and we want to extend our warm thanks for their kindness.

May we also thank the District Deputy Grand Masters and the District Chairmen of Benevolence. This year, in particular, we have found them to be most interested in Benevolence and prepared to undertake work on its behalf. Naturally we want to extend particular appreciation to the District Chairmen who are in every sense members of our Committee in their respective districts. They provide the experience and the knowledge required by our lodges when looking for advice on Benevolent matters.

May we once again emphasize to the incoming District Deputy Grand Masters that where possible they consider the reappointment of those chairmen who are prepared to continue in office. While we recognize that it is important to bring new talents to Masonry's task it is also vital that the knowledge and experience they have should be used as much as possible. Please—please—use your best judgment in the matter.

During the past year the Supervisor of Benevolence, together with the chairman and various members of the Committee, continued holding regional meetings with District Chairmen, Lodge Chairmen and Senior Lodge Officers. The continuance of these meetings is imperative and we thank all those who participated in them and recommend that they be continued and expanded in future years.

The new Benevolent forms which were authorized last year were not put into service. During the fall while they were being prepared we received further requests for modification which had been taken into consideration and we would advise you that commencing with the 1980-81 Masonic year these new forms will be used.

We wish to extend our continuing appreciation to the various Boards of Relief in the province. They are staffed by dedicated Masons who fully understand their work and without them the task of the Committee would be difficult indeed. We recommend very strongly that if you have a Masonic Board of Relief in your area you take an active interest in its affairs and give it your full support. We can assure you it is very well deserved and you will enjoy working with them.

We recommend renewal of our membership in the Masonic Relief Association of the United States and Canada. The information provided can be obtained in no other way and we are very dependent upon it.

Finally, may I say a word or two on behalf of the Committee. We are very grateful for the opportunity of working in this sphere of Masonic activity. Constant exposure to the Benevolent programs in our Jurisdiction makes one realize how valid the teachings of Masonry are and we are very grateful for the opportunities we have to be reminded of the fact. I would report to you that every member of your Committee has discharged his responsibilities cheerfully, willingly and completely. We hope you will feel that our actions are in accord with the expectations you had when you appointed us to the Committee.

May I also add a personal note. The presentation of this report represents my last act as an active officer of Grand Lodge. For the past twelve years I have been afforded a great many opportunities to be of assistance to you and I want you to know that I have welcomed and enjoyed them all. Please be assured that, as I join the ranks of Past Grand Lodge Officers, my interest in Masonry has not and will not wane. It has been said that as life moves on some doors close and others open. I can only say that for me in Masonry thousands of doors have opened and none have closed. I am mindful of the confidence you have placed in me in the past and hope that the work that I have done on your behalf has merited some portion of that confidence.

Sincerely and fraternally,

COLIN D. MacKENZIE, Chairman.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This Report was presented by R.W. Bro. P. S. MacKenzie, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. MacKenzie, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals presents its report in the following parts:—

1. TUDOR LODGE No. 141 vs. BRO. WILLIAM FRANKLIN TUER

This case came before your Committee in 1979 and a full report is contained in the Proceedings for that year at page 137.

Bro. Tuer, a member of Tudor Lodge No. 141, was convicted in 1974 of murder and sentenced to life imprisonment.

A charge of unmasonic conduct was laid in the Lodge under Rule 1 (p) of the old Constitution and after trial, Bro. Tuer was found guilty. The Lodge voted for indefinite suspension and recommended to Grand Lodge that he be expelled.

This Grand Lodge, at its Annual Communication in 1979, adopted the report of this Committee and directed that Bro. Tuer be notified to appear at this Annual Communication to show cause why he should not be expelled. He has been so notified — he has not appeared. His non-appearance is of course understandable, but as directed by Grand Lodge, he was advised that he was at liberty to appoint any one of the members of Tudor Lodge to appear and speak on his behalf. In view of the nature of his offence there is little that could be said in extenuation. Your Committee therefore recommends that Bro. William Franklin Tuer be expelled.

Although again this year there is only the one case for consideration by Grand Lodge, during the course of the year your Committee has been consulted by several of our Constituent Lodges with respect to problems of concern to them. Actually several complaints are now being dealt with throughout the jurisdiction. In the Proceedings of 1977 at p. 133, your Committee deemed it advisable to draw to the attention of the Constituent Lodges its concern, and that of Grand Lodge, with respect to the reticence of the Lodges to institute proceedings against a brother who appears to have been guilty of an infraction of our Rules respecting Masonic offences. This reluctance may have stemmed from a desire to avoid unpleasant publicity if a charge were later to be found unjustified. It is suggested that Section 411 and 412 of the new Constitution preserve the privacy of the complaint and the complainant. If the Reviewing Committee find there are not reasonable grounds to support the complaint, all proceedings before that body remain confidential. It is hoped that these innovative sections of our Constitution may prove helpful in solving this vexing problem.

Respectfully and fraternally submitted,

P. S. MacKENZIE, Chairman.

COMMITTEE ON LODGE REASSESSMENT

The Chairman, M.W. Bro. James N. Allan, proferred a few oral comments.

REPORT OF THE LIBRARY COMMITTEE

This Report was presented by R.W. Bro. M. J. Damp, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Damp, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Library Committee it is my pleasure to present this the 48th report to the 125th Annual Communication of Grand Lodge.

Those appointed to serve on this committee were R.W. Bros. J. J. Talman, C. D. MacKenzie, C. W. Emmett, E. J. B. Anderson, C. Winter, L. M. Whiffen, E. A. Christie, F. A. Fox and S. R. Lough.

Again we are pleased to recognize the services rendered by Bro. William J. McKee who has completed his thirteenth year as librarian and V.W. Bro. J. Petherick and Bro. J. Peddie, both of whom attended the library on Wednesdays and Fridays respectively during the noon-hour for the convenience of the brethren. One is cognizant of the inconvenience and hardships encountered by these dedicated brethren as they braved the elements on many an occasion in order to perform their duties.

For the twelve month period ended May 1, 1980, 235 brethren signed our register; 92 out-of-town brethren were mailed 104 books and 105 brethren in the immediate area borrowed 131 books for a total of 235 books in circulation. The recorded lectures and slide presentations were borrowed on 11 occasions. These statistics indicate a marked decline not only in the use of the facility, but the interest in it and reference will be made to this later.

The library maintained its membership in the Masonic Book Club from which source we received The Sufferings of John Coustos, a facsimile reprint of the first English edition, published at London in 1746 but what really made this edition outstanding is its brilliant and fascinating introduction by our own R.W. Bro. Wallace McLeod.

The library also acquired Volumes 11 and 12 of Quatuor Coronatorum Antigrapha containing the Minutes of the Premier Grand Lodge, 1740 - 1760. These Minutes are invaluable for all Masonic students and were only available from the Quatuor Coronati Lodge.

Through the kind offices of R.W. Bro. C. Ross Thomson, P.D.D.G.M., Ottawa District 1, we acquired a reproduction of the card indexes of some 625 volumes which comprised the personal Masonic library of the late R.W. Bro. A. J. B. Milborne (ref. Transactions of Quatuor Coronati Lodge, volume 88 for the year 1975, page 222) and is housed in the Public Archives Library in Ottawa. This is one of the most complete Masonic collections in North America and is readily available to the public for reference.

As a result of the efforts of R.W. Bro. Thomson, Bro. Glenson T. Jones of Bytown Lodge No. 721, and Brother Coates became interested in the collection and after studying the contents for many months, embarked on the tremendous task of classifying and coding the various items for proper identification. From the latest communique, Brother Coates anticipated that the cataloguing, classification and orderly arrangement of the collection will be made available to Grand Lodge at this Communication as a 125th Anniversary Project of Ottawa District 1. It is indeed refreshing to be reminded that we do have a few dedicated Masons like Bros. Thomson, Jones and Coates amongst us who are willing to interest themselves in our great legacy and share their experiences with others.

In recent years it has been customary to record the address of the guest speaker at the Grand Master's Banquet and to supply a copy of the tape to the library for circulation. This routine was inadvertently neglected since 1975 however, with the kind assistance of R.W. Bro. Colin MacKenzie, this collection is up-to-date and we have the following addresses available — M.W. Bro. Robert A. Hinshaw, Grand Master of the State of Ohio, July 21, 1976; Bro. the Very Rev. A. Lorne MacKay, Central Presbyterian Church, Hamilton, July 20, 1977; M.W. Bro. Jerry C. Rasor, Grand Master of the State of Ohio, July 19, 1978 and R.W. Bro. Donald M. Fleming, P.G.J.W., July 18, 1979. Your committee

hastens to commend these literary gems to your serious contemplation.

As has been the practice these last few years, we arranged to have the library open most evenings other than when the librarian was in attendance. This was a rather difficult task this past season since a goodly number of our previous volunteers declined to serve a further term; however, a sufficient number of brethren were eventually recruited which made it possible for the library to be available to the brethren 98 evenings — mid October 1979 through May, 1980. Grand Lodge has just cause to be deeply grateful to these dedicated brethren for their services as volunteer assistant librarians and we hasten to record their identity for posterity: Bros. Raymond B. Cater (Maple Leaf Lodge), Alan K. Norris (Melita Lodge), James Scott (Islington Lodge), James A. Ross (St. Clair Lodge), Patrick Carr (Wilson Lodge), Brian McWhirter (Doric Lodge), Bruce Findlay (Universe Lodge), George Blackie (Simeoe Lodge), Balfour LeGresley (University Lodge), A. Reginald Medhurst (Long Branch Lodge), Coulson Mallov (Vaughan Lodge), Wallace McLeod (Mizpah Lodge), J. Gordon Baker (Mizpah Lodge), Ivan Collymore (Robertson Lodge), Robert McIlroy (Riverdale Lodge), Anthony Jenik (Huron Bruce Lodge), John Fenwick (Lake Shore Lodge), and Brian Ferry (Lake Shore Lodge).

After considering the aforementioned statistics, one cannot help but be concerned about the future of our outstanding library. Equally surprising is the number of districts and individual lodges that have established libraries as a 125th Anniversary project. Whether or not this departure is desirable is debatable but there is no doubt but what it is having an effect on the usage of our facility.

The wise sage Samuel Johnson (1709 - 1784) once said, "A man ought to read just as inclination leads him; for what he reads as a task will do him little good. A young man should read five hours in a day, and so may acquire a great deal of knowledge."

Your committee shares the opinion that special mention should be made of those in various capacities who have advertised and commended the more extensive use of our library and have advocated more reading, study and thought by the membership. Such support is timely and is most certainly one of the ways each member may add his bit to the strengthening of our great fraternity. If perchance one reads just for his own personal enjoyment — Is there a reward? Hear what Cicero, that famous statesman and orator of Rome, said in the first century B. C.—

"No mental employment, as that of reading, is so broadening to the sympathies, or so enlightening to the understanding. Other pursuits may belong; not to all times or all ages, or all conditions, but this activity gives stimulus to our youth and diversion to our old age, it adds a charm to success, and offers a haven of consolation to failure. Through the nightwatches, on all our journeyings, and in our hours of ease, it is our unfailing companion."

This utterance of one of the great minds of so long ago may lead us more fully to appreciate the golden opportunities that are ours in the Grand Lodge Library.

All of which is respectfully and fraternally submitted on behalf of the Committee.

M. J. DAMP, Chairman.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This Report was presented by M.W. Bro. J. N. Allan, seconded by M.W. Bro. J. A. Irvine, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Brethren:

I wish firstly on behalf of the members of our Committee, indeed of all the Brethren to compliment the Grand Master upon the excellence of his address in this 125th year of our existence as a Grand Lodge. The address gives a full report of his leadership throughout the year and reminds us that our Grand Lodge is a vibrant institution with a future.

Your Committee are in agreement with the expression of gratitude expressed by the Grand Master to the Brethren generally and to some in particular for their loyal and enthusiastic support. It made the first year of his two year term one of progress and accomplishment.

We fully understand that the responsibilities of the Grand Master are extremely onerous, that the discharge of the many duties of the office require much personal sacrifice. We are therefore happy in the knowledge that he found the experience enjoyable and rewarding.

We felt a part of the warm welcome extended by the Grand Master to our guests from sister Grand Jurisdictions and to concordant bodies.

We share the joy of the Grand Master in the knowledge that three lodges will be consecrated this fall, namely: Friendship Lodge U.D., Georgetown; Anniversary Lodge U.D., Brampton; and West Gate Lodge U.D., Toronto. The dedication of a new Temple to serve Lebanon Forest Lodge, Exeter, on March 15 was one of the highlights of his year.

Your Committee commend the Grand Master for his expression of special thanks to the Committee that brought the revision of the Constitution to completion and acceptance by Grand Lodge at the last Annual Communication. It was a herculean task requiring patience, skill and understanding, all of

which the members of the Committee possessed in an eminent degree. We agree entirely with the Grand Master's words of appreciation to R.W. Bro. John Woodburn and to all of the Brethren who contributed to the success of Project H.E.L.P. as workers or as contributors.

Your Committee support the Grand Master in his views with respect to concurrent jurisdiction, the use of alcoholic beverages on lodge premises and the granting of permission to the candidate to place the Volume of the Sacred Law of his choice between our Volume of the Sacred Law and the Square and Compasses.

The Committee on the Grand Master's Address desires to acknowledge the tribute paid by him to Past Grand Masters, District Deputy Grand Masters, the Grand Lodge Officers and the members of the Board of General Purposes. We encourage all brethren to read the Grand Master's Address carefully and take note of those brethren who are giving outstanding leadership to Freemasonry.

We commend the Grand Master for his words of congratulations to M.W. Bro. Irvine, M.W. Bro. Bailey and M.W. Bro. Nancekivell for honours they received during the year; likewise, for his expression of regret that M.W. Bro. Dixon's health does not enable him to join his brethren at this Communication of Grand Lodge.

Your Committee are in agreement with the Grand Master's expression of regret at receiving the resignation of M.W. Bro. Irvine as Grand Secretary, also in his mention of the satisfactory service rendered to Grand Lodge during his tenure of office.

Your Committee approve the appointment of M.W. Bro. Davies by the Grand Master to the office of Grand Secretary. Bro. Davies' experience as Grand Master will be helpful to him in the performance of his new duties. Your Committee wish Bro. Davies well.

The successful operation of Grand Lodge requires the assistance and co-operation of many persons. We agree wholeheartedly with the words of appreciation extended to the seven Toronto Districts by the Grand Master for their assistance in the preparation for Grand Lodge, year after year. We likewise approve the expression of appreciation of the work of the 125th Anniversary Committee whose wise and careful planning will become evident as we celebrate this important milestone in the life of our institution.

Your Committee compliment the Grand Master upon his willingness to accept invitations to attend a great many special events of constituent lodges. These visits were in addition to District Receptions, Anniversaries and the usual communication of concordant bodies. The presence of the Grand Master at any function provides a spark which is good and very much appreciated by the brethren. We were pleased to note the continuance of the regional meetings of the Board of General Purposes and to learn that the sessions were worthwhile. It was likewise encouraging to know that the Long Range Planning Committee have been appointed and are functioning. Masons throughout the jurisdiction are looking forward to their report with optimistic anticipation.

Your Committee approve the Grand Master's recommendation "that Pask Rank be granted to those Past Masters of Lodges, who for reasons beyond their control were unable to serve as Masters for a full year." We join the Grand Master in his expression of thanks to those members of the Board of General Purposes who are retiring, and are pleased to approve the recommendation of the Grand Master relating to the appointment of 7 Right Worshipful Brethren as Honorary Members of the Board for a three-year term.

Your Committee approve the donations to non-Masonic bodies as listed amounting to \$8,200. We make special mention of the grant of \$2,500 to the Haldimand-Oxford-Norfolk Disaster Fund. This was a one-time grant and was greatly appreciated by those who suffered property damage resulting from the tornado.

We commend the Grand Master for his choice of speaker for the Grand Master's Banquet. We will all enjoy and benefit from the message R.W. Bro. Leal will bring to the brethren.

Your Committee recommend that Grand Lodge confirm all that the Grand Master has reported in his Address covering his activities during the past year. We congratulate him most sincerely and most heartily on the contribution he has made to Freemasonry within our Grand Jurisdiction and as well outside its borders.

Ever bearing in mind our great respect and deep affection for our Grand Master, we pray that the Most High will continue to grant him wisdom and strength to enable him to continue his service to the Craft during the coming year.

> JAMES N. ALLAN, Chairman.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. E. C. Horwood, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Horwood, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the members of the Advisory Committee on Lodge Buildings, it is my pleasure and privilege to present an outline of some of the activities of your Committee. For the information of all, the members of the Committee are M.W. Bro. R. E. Davies, Grand Secretary; M.W. Bro. J. A. Irvine, Past Grand Secretary; M.W. Bro. Ewart G. Dixon, Q.C., Grand Secretary Emeritus, and the undersigned as Chairman.

With the permission of the members of this Committee, I decided to rediscuss some topics which concern me and should also concern all the brethren. Some of these topics are the several Building Codes, the Fire Marshal's Regulations, Grand Lodge Regulations and others. The several Building Codes, namely The National Building Code and the Ontario Building Code state that such Codes are minimum Standards and Requirements. There is nothing in any of these Codes which could or would prevent a person or a group of persons from adopting and putting into practise higher standards. You should therefore know that, in certain cases, Grand Lodge Standards are higher.

The Fire Marshal's Regulations, together with the Supplement to the National Building Code, namely, Fire Performance Ratings, may at times appear to be unreasonable and even somewhat harsh. I hasten to inform you that the up-grading of the Regulations is due to experience, investigations, and, in some cases, tragedies. Many of you have read, since my last year's report, but particularly in the winter months, of the many deaths due to fire and smoke inhalation, such as the New Year's Eve tragedy at Chapais, Quebec, where 42 people lost their lives.

Over a period of many years, I have had many meetings with the Fire Marshal and/or various members of his staff, and I know how quickly he and they can and will act under certain circumstances. On one occasion, I said to one of his plan examiners, "What would happen if I should recommend to my client that he refuse to comply with the Fire Marshal's requirements?" He replied immediately as follows: "We contact the Attorney-General, request him to order the building be closed immediately, and, in turn, the Provincial Police will be ordered to see that the order is carried out. "Furthermore," he continued, "if your client's building is entitled to receive a Government Grant, we will see that the grant is immediately stopped."

In October 1979, I was talking to a Deputy Fire Chief of Metropolitan Toronto, and who happens to be a member of the Craft. He told me that they had received numerous calls from the Fire Marshal's Office to go and close up certain premises which try to and evade carrying out the Fire Marshal's Recommendations.

The Advisory Committee has received a detailed report from each of two D.D.G.M.s, giving detailed information on each Lodge Temple in their respective districts. The Committee knows from these reports and other sources, that some brethren. Lodges and Masonic Temple Corporations have not only violated some of Grand Lodge's Regulations, but also some of the Regulations of Building Codes, in addition to some of the Regulations of the Ontario Hydro Commission's Code. In consequence thereof, and because some lodges, when building a new Temple and or making renovations to their existing Temple, your Committee has under consideration, the framing of a document, which, on completion of the work, will be submitted to the Temple Corporation and to each lodge housed therein for the Secretary of the Corporation and the Worshipful Master to sign. On receipt of this properly signed document, the District Deputy Grand Master will forward it to the Grand Secretary, who, in turn, will send to the District Deputy Grand Master a questionnaire which he must fill out on the site. When he has signed the questionnaire, he shall then return it to the Grand Secretary. This procedure must be followed before the Advisory Committee will recommend, through the Grand Secretary, that the Grand Master permit occupation pending Dedication.

During the past twelve months, three types of delegations came to Hamilton to consult your Advisory Committee. The first type were brethren who sought help and assistance and were grateful for it. The second type were brethren who sought help and advice but ignored it. Whereas, the third type were brethren who,

apparently thought it was not necessary to consult or contact the Committee until the building and / or renovations were almost completed. They were upset when they found out they had to obey Grand Lodge's Regulations in toto.

During the same period not only did 10 new lodges inquire of the Grand Secretary as to the function and modus operandi of your Committee but also, there were three new Temples dedicated.

In conclusion each member of the Advisory Committee wishes to acknowledge the splendid and willing co-operation he has received from the Grand Lodge Office Staff.

All of which is respectfully and fraternally submitted.

E. C. HORWOOD, Chairman.

REPORT OF THE BLOOD DONORS' COMMITTEE

This Report was presented by R.W. Bro. R. J. Connor, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Connor, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

In this, our anniversary year, almost every committee will be reporting on special events which were planned and completed to help this Grand Lodge celebrate 125 years of active service.

For the Blood Donors' Committee, this was not only a year of celebration, but a year of achievement as well. Our theme, too, was participation and the reports from the district Blood Donor Chairmen point this up with a number of very interesting highlights:

For example:

Vaughan Lodge No. 54, Union Lodge No. 118 and Robertson Lodge No. 292 combined for a Blood Donor Clinic in King City and recorded 204 Masonic sponsored donations.

V.W. Bro. Joe Taylor organized a bus tour to Lindsay so that the members from Haliburton could attend that clinic, 65 miles distant.

Bro. Gerry Osborne of King Solomon Lodge No. 378 takes 3 or 4 members to the Blood Donor Clinic EVERY Monday night.

And how about these milestones:

- —75 donations each from Bro. Elgin Ritchie of Coronation Lodge No. 466, W. Bro. John Milne of Tottenham Lodge No. 467, and R.W. Bro. Don Magee of Kempenfeldt Lodge No. 673;
- —80 donations from Bros. Norman Neely and John McKenzie, both from Minerva Lodge No. 304, and from Mrs. George Moors, to equal the number of donations of her late husband from Royal Lodge No. 453;
- —100 donations from Bro. D. Bastone of Fort William Lodge No. 415;
- —and the champion, W. Bro. James Elmer of East Gate Lodge, No. 693 with 149 donations.

These are the individual efforts we have come to look for year after year. But in this special anniversary year many dedicated lodge chairmen have accepted the challenge and have made an extra effort to have year 125 one to be remembered. These lodge chairmen we do not know by name but the records set this year in their lodges will give their successors very difficult targets to aim at.

Here are a few of their results:

Lodge	Membership	Donations	Percent Participation
722—Concord	83	127	153.0
542—Metropolitan	143	128	89.5
105—St. Mark's	244	124	50.8
651—Dentonia	214	106	49.5
708—Oakridge	53	26	49.1
312—Pnyx	131	53	40.5
413—Naphtali	80	32	40.0
119—Maple Leaf	110	41	37.3
716—Ionic	114	39	34.2
232—Cameron	106	35	33.0
628—Glenrose	104	32	30.8

Results like these show great dedication by the lodge chairmen and, as well, the encouragement and assistance given by the District Chairman and the District Deputy Grand Master. The D.D.G.M.s have been generous in their praise of the virtues of being a Blood Donor and this has been of great assistance in the promotion of this life saving cause.

The District Blood Donor Chairmen are a combination of veterans and newcomers. Again, R.W. Bro. Chas. Heels of Victoria District heads the list of seniors with 19 years of dedicated service, followed by R.W. Bro. Cal Krauter of North Huron - 17 years; R.W. Bro. Wm. J. C. Noble of Sudbury-Manitoulin - 16 years; W. Bro. Howard Daines, Toronto 4 - 9 years and W. Bro. Frank Sampson of Niagara A with 6 years. To these add the 13 who have served from 2 to 5 years and the 25 first year chairmen. The selection of these dedicated Masons to assist their D.D.G.M.s has been of great satisfaction to them, as may be seen from the comparative table of their year's total against last year's result.

Windsor	359	361

This listing shows that Toronto District 4 under W. Bro. Howard Daines produced the highest total - 526, and that Frontenac District under W. Bro. Bill Ovens had both the greatest increase in donations - 154 and in percentage - 47.7%. Congratulations, W. Sirs.

Three of our ardent D.D.G.M.s this year have previously served as Blood Donor Chairmen and they have helped greatly to produce excellent results in their districts. To R.W. Bros. Edward Carson of London East, Lewis Hahn of Waterloo and Henry Jonassen of Niagara B our congratulations. Our thanks also to V.W. Bro. Irwin Safir, Algoma District, now a Grand Steward, for his continuing involvement in our Blood Donor program.

This year has shown many new records and enviable results. A very great help has been the Blood Donors Corner in many lodge summonses and in lodge and district newsletters. To the lodge secretaries and the newsletter editors, we say a very sincere "Thank-you" for your interesting, informative and encouraging words.

Blood research is making daily advancements, but the greatest advancement is in an increase of blood donations to keep up with the growing need for blood, not only for surgery, but to be separated into its components for the treatment of specific ailments.

Anniversaries are celebrations and what better way to celebrate than to provide the "gift of life" for a fellow human being.

Respectfully and fraternally submitted,

ROD J. CONNOR Chairman.

Estate of late G. E. McCormack	500.
Estate of late M. C. den Ouden	1,000.

With the Capital Funds of The Foundation nearing one million dollars, we are proposing for the following year to continue to budget revenues from approximately \$300,000. for emergency aid to students in post secondary institutions. Revenues from approximately \$600,000. will be reserved for the Ontario Deafness Research Foundation for research. Anticipated revenues for the 1980-1 year are being estimated at approximately \$87,356.

For the past two years The Masonic Foundation has been sharing with Grand Lodge in contributions to provincially declared

disaster relief funds while Grand Lodge has continued to support recognized Ontario organizations such as Heart Fund, Salvation Army. Cancer Society etc. Perhaps the time has arrived when Grand Lodge should confine itself to benevolence for Masons and their dependents and designate the Foundation to be the sole agency for response to requests for charitable aid for non-Masonic institutions. Our Board of Directors would be prepared to assume such responsibility if we were given a period of four or five years to adjust our finances.

Two of our Board of Directors, T. L. Wilson and A. C. Ashforth, will be retiring this year. The former has been a director since the inception of The Foundation in 1965 and the latter for the past twelve years with six of those as president. Mr. Ashforth was largely responsible for the booklet "Yes There is a Masonic Foundation." This excellent booklet was the means of bringing to the attention of the Masons in Ontario the objectives and work of The Foundation and of soliciting support from them. On your behalf we express genuine gratitude to these dedicated Masons. Again we are indebted to J. J. Talman for adjudicating all requests for bursary support and for arranging for presentations by members of The Foundation. T. J. Arthur has continued to administer the finances in the same highly capable manner and merits your approbation.

We can be assured that our interest in research in the area of deafness and our donations to the Ontario Deafness Research Foundation are being well looked after by Dr. A. J. Anderson and F. J. Bruce who are elected representatives on the Board of O.D.R.F. We are disappointed that O.D.R.F. has not as yet mounted a financial campaign to supplement the \$35,000.00 granted by us this year. We are, however, satisfied that our funding is being directed to a promising research project. In all probability when capital funds will have had a full year of investment, contributions towards research will reach \$50,000.00 or more.

I conclude this report with excerpts from letters received from appreciative students.

"Thank you for seeing the needs of so many students like myself. I'll never forget and I'll do my best to honour your faith in me."

"This bursary has come to my aid during a time of pressure both financial and academic." "Your generosity has enabled me to spend more time on my studies and less time working in a restaurant on week-ends to fund my education."

"I am one of eight children and am receiving no financial assistance from my family. I worked for the Bell Telephone last summer but due to the strike did not get as long employment as I had expected."

"Without your assistance, I would have had to leave university and would have lost my year."

"The future looks brighter and you have definitely ensured that I may graduate as planned with my friends and classmates."

Your Board of Directors wish to express appreciation to the growing numbers of Lodges, brethren and friends who are remembering The Foundation on an annual basis. Please bear in mind that your dollars donated today will go on working for you for worthy causes tomorrow and tomorrow.

Respectfully presented by the Board of Directors:

A. J. Anderson

A. C. Ashforth

J. N. Allan

W. E. McLeod

N. R. Richards

J. J. Talman

T. L. Wilson

T. J. Arthur, Secretary-Treasurer

W. K. Bailey, President

R.W. Bro. Alvin J. Anderson and R.W. Bro. Frank J. Bruce were present and gave an update on the status of research and accepted the \$35,000. contribution on behalf of the O.D.R.F.

A summary of Project H.E.L.P. as presented in July 1979 by the Chairman, R.W. Bro. C. John Woodburn.

To the President and the Board of Directors of The Masonic Foundation of Ontario.

Most Worshipful Brother Bailey and Brethren:

In the late fall of 1977, the Grand Master M.W. Bro. Robert E. Davies gave the Masonic Foundation authority to undertake a campaign to raise \$350,000.00. This was to be part of the 125th Anniversary of our Grand Lodge in 1980. This project or program had to support a need falling within the following objectives.

- This new venture must help both needy Masons and non-Masons in Ontario.
- 2. It must assist all age groups by virtue of their need.
- It must be a field not presently supported by the Masonic Foundation.
- It must bring credit to our Grand Lodge and the Masons of Ontario by virtue of our involvement with such a worthwhile cause.

The Foundation having this authority, selected a Central Executive Committee. It was first necessary for this Committee to find a need to support under the guide lines already stated. Two medical members of the Committee after two months of study recommended to the Committee that we support an organization called the Ontario Deafness Research Foundation. After meetings with Dr. David Mitchell and members of the O.D.R.F., the Committee agreed with this recommendation, and this recommendation was subsequently approved by the Board of Directors of the Masonic Foundation.

The area of support having been defined, it was then necessary to organize all Lodges in our Ontario Jurisdiction. With the counsel of M.W. Bro. Wm. K. Bailey District Leaders were selected.

Ontario was then divided into 6 regions. Each region headed by a co-ordinator and two group leaders - 43 District Leaders making a total of 61 in all. The District Leaders then selected a Chairman from each lodge setting in motion some 700 Masons working actively on Project H.E.L.P.

Your Committee worked for months before Grand Lodge met in July of 1978, preparing the necessary materials and working kits, along with Brochures. These kits were supplied to all leaders at a kick-off meeting, Tuesday, July 18th, 1978 in the Royal York Hotel.

As our Grand Lodge or the Foundation had never before undertaken a campaign of this type, a positive need oriented program was laid out. The sheer size of the Project required a structure with a Lodge Leader being able to handle all aspects "on the spot." This became an exciting time as hundreds of Masons, regardless of rank, went to work for their lodge.

The complete control of all monies had to be considered. Receipt books, report forms and return mailing envelopes were set up as part of the Leader Kits. A special group of twenty-six assistants was created by and for our Secretary-Treasurer R.W. Bro. John Arthur. These Masons have worked regularly at his call to handle the monthly Leader Reports mailed from the lodges (consisting of up to 350 envelopes a month), but to John himself must go the greatest vote of thanks. Without exaggeration, he has worked daily to control, compile and reply to correspondence and to all needs of the Committee. Special details asked of him were executed unselfishly and willingly. Mrs. Arthur and the family have also pitched in and our heartfelt thanks to you John and to your family.

After the first counting night, realizing the big job involved in manually tabulating the lodge reports, a brother made it possible to have it put on his company's computer. This enabled us to have in the hands of the Committee, Grand Lodge, the Leaders as well as the D.D.G.M.s, a print out of the results within 3 days of each month's tabulations. This service was provided free of charge and we express our appreciation for this generous action.

The print out showed for each district, the name of the lodge, lodge number, total amount received, lodge percentage to date and the last amount received and also showed at the end, district objectives and percentage as of that date. As this information was in the hands of Leaders and D.D.G.M.s early each month, it provided the Leaders with their lodge and district progress. This information allowed all Leaders to successfully monitor their progress.

Across the Province there has come a tremendous enthusiasm and the donation of thousands of man hours, efforts in many cases at considerable personal sacrifice and expense. The vibrancy and joy that so many Masons of all ages and rank have found has made it a pleasure to be around our 43 Masonic Districts.

We were pleased to have the support and participation of Grand Lodge, Board Members and D.D.G.M.s in Project H.E.L.P.

Your Committee has met regularly with each district, with the exception of Northern Ontario, to assist them or answer questions they had received as they were promoting the Project in their districts and lodges.

Many districts such as Bruce raised their lodge's objective to a minimum of \$5.00 per member up from the amount of \$3.00 set by the Committee. All leaders from the start were positive that the objective of \$350,000.00 would be surpassed.

In reviewing Project H.E.L.P. with Leaders at regional meetings throughout 1978 / 79 we have seen again and again the tremendous Masonic focus it has brought and the unity of effort it has created. In all cases Masons are obviously proud of this Project and Grand Lodge's leadership in it. A special thank you is extended to R.W. Bro. Frank Bruce who as Vice-Chairman worked long, hard and generously throughout the campaign.

Districts have projects underway now to close the last days of the Campaign. In June 1979 Project H.E.L.P. exceeded \$500,000.00. Many lodges have found a strong new thrust through their H.E.L.P. programs. There has been more contact with nonactive Masons in lodges than we have probably ever known. Much new positive feedback has been received for the Foundation. Lodges and district social programs have been held to benefit Project H.E.L.P. These have ranged from a baseball game in Sault Ste. Marie to a walkathon in London. From a dance in Windsor to a barbecue in Cornwall, and District No. 1 in Toronto even hosted a psychic or E.S.P. Fair in Brampton. Projects and events became the vogue this spring as Masons sought new areas of funds for Project H.E.L.P. This pattern of special events for the Foundation and the Project along with an increased positive feeling towards the Foundation are legacies of H.E.L.P.

It is probable with special communication to all Masons in the next Masonic year that this project pattern can be reinforced and expanded. The brethren have continuously repeated their wish for long and increasing efforts for hearing research. A brochure is now being prepared and will be sent out in September. It will report fully on Project H.E.L.P.

Lodges and District Leaders have told us that H.E.L.P. has overcome feelings of regional Masonic disparity. It has delivered Masonic by-products that we hope will be more important to the happiness and health of our Fraternity than a successful project has any right to expect. H.E.L.P. has shown that our Masonic

Brotherhood truly practices its philosophies and welcomes the challenges and opportunities of filling an area of human need.

A careful study of the reports of the overall project shows the weaknesses, the strengths, the workers as well as the areas of need, of our Grand Jurisdiction. It can be helpful to future long range planning of our Grand Lodge. This Campaign has not only served the need of hearing research but the by-products of it will serve to strengthen the Fraternity for all Masons.

This report is happily and humbly submitted on behalf of the 704 Leaders of Project H.E.L.P. and the Central Committee listed below. To each of them our thanks for making Project H.E.L.P. an extremely successful project and a rewarding and enriching association.

REPORT OF THE SPECIAL COMMITTEE ON THE HISTORY

This Report was presented by R.W. Bro. W. E. McLeod, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. McLeod, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Board of General Purposes, through its Special Committee on the History, begs leave to report as follows:

The Committee is composed of M.W. Bro. William K. Bailey, R.W. Bros. David C. Bradley and Aubrey M. Rhamey, and W. Bro. C. E B. Le Gresley, with the undersigned as Chairman. Last year we gave an account of the progress that had been made in preparing a history to mark the 125th Anniversary of Grand Lodge. This year we shall report on certain details associated with the completion of the project.

During the period of research and writing, your committee made several efforts to secure the assistance of the brethren at large. The Grand Lodge Bulletin for November 1976 had invited the Masons of Ontario to suggest a title for the new history. (The Bulletin. you will recall, goes to every Mason in the jurisdiction.) A total of four submissions reached the committee. In due course the committee agreed upon the title, Whence Come We? Freemasonry in Ontario 1764-1980. The Grand Lodge Bulletin also asked for the names of Masons who had achieved fame in their daily careers. That drew three responses. In May of 1978 the Committee on Masonic Education placed a copy of its Education Letter Number 4 in every lodge in the province. It included a list of all the older active lodges, as well as other historical details, and requested readers to correct any errors, or at least to give their reactions. No reply for that.

Last year we provided a list of those who had agreed to participate in the writing of the book. The name of Allan J. Cohoe should be added; at a late stage in proceedings he consented to help. The Committee was fortunate to secure the services of R.W.

Bro. F. R. Branscombe as assistant editor. His training as an historian and his sense of linguistic propriety saved us from many blunders. All contributions were subjected to close scrutiny and criticism by Bros. Bailey, Branscombe, and McLeod. Some chapters were also read and annotated by R.W. Bro. J. L. Runnalls, V.W. Bro. Jacob Pos, and Bro. John E. Taylor (holder of the William Mercer Wilson Medal). A certain amount of last-minute rewriting was required, as well as the filling in of those portions which were omitted from the original plan or were not submitted. This was done by M.W. Bro. Bailey and the editor. On the rare occasions when the editorial committee or the readers were not in total accord in matters of approach, emphasis, or content, final responsibility was left in the hands of the editor. He is to be held accountable for all lapses in taste or judgment.

The Editorial Committee must express its gratitude to all who assisted in the publication. Besides the contributors, the following were particularly helpful: R.W. Bro. Melville J. Damp, Chairman of the Library Committee; Bro. William J. McKee, Librarian of Grand Lodge, who cheerfully extended special privileges to the contributors; the staff of the Grand Secretary's office, who provided details on the Masonic careers of hundreds of brethren mentioned in the history: Maria Pezzot, who typed most of the final copy, producing a legible manuscript out of chaos; Bro. Murray Pollock, the representative of our printers, Richardson Bond Wright Incorporated, who did everything in his power to produce a volume that would be a pleasure to handle; R.W. Bro. Colin D. MacKenzie, V.W. Bro. Jacob Pos, W. Bros. R. J. L. Butler, C. E. B. Le Greslev, and Joseph H. Johnson, who provided prints of illustrations: the Metropolitan Toronto Library Board, the Public Archives of Canada, The Dictionary of Canadian Biography, and Quatuor Coronati Lodge No. 2076, E.R., who granted permission to reproduce certain pictures. The crisp and elegant maps are the work of W. Bro. R. A. K. Richards. In addition, many brethren have generously and anonymously rendered assistance, such as in sharing material that would not have been available otherwise. To all of these the Committee is appropriately grateful.

A committee always learns by doing. If in later days other committees travel the same road, they may profit from the experience of their predecessors. We therefore venture to put on paper some of the duties which this committee found it had to assume. We may call this portion of the report—

HOW TO PRODUCE A BOOK FOR GRAND LODGE

The Subject. The subject is assigned or approved by the Grand Master, or Grand Lodge, who delegates responsibility to an individual author or editor.

The Committee. If the book is to be written by more than one author, a committee is useful in order to distribute (a) labour; (b) responsibility (or guilt). The committee should be chosen by the editor. Its first duty is to set policy. It determines:

- (a) the audience for whom the book is to be written;
- (b) the approach and emphasis;
- (c) the general contents;
- (d) the detailed contents, with an estimate of the space available;
- (e) the policy to be followed with the contributors; for example, they should be warned if their work is not to appear over their names, or if their words are likely to be tampered with;
- (f) a list of potential contributors;
- (g) a tentative schedule of successive stages in production;
- (h) a tentative estimate of costs.

Contributors. The editor contacts the potential contributors, soliciting their assistance. He tells them:

- (a) the specific topic allotted to them;
- (b) the amount of space allowed;
- (c) the deadline for submissions;
- (d) the policy laid down by the committee.

Not every contributor will meet the deadline. Send one or more reminders, if necessary extending the deadline. Not every contributor will meet the extended deadline. Ensure that those parts not submitted in time are prepared by an alternate.

Editing. As the contributions are submitted they are read and criticised by members of the committee or by other critics. They may in some instances be returned to the original writer for revision. If the book is to have any sense of unity, every contribution will have to be rewritten to some degree in order to bring it into conformity with a uniform standard and to prevent

excessive overlapping. Some portions will want extensive review. This presumably is the work of the editor. After the text is revised and essentially complete, it is well to have it criticised, as a whole, for content and style by one or two skilled brethren. Have the manuscript retyped, to provide clean copy for the printer. Then comes the copy-editing, that is, marking the manuscript for the instruction of the printer, telling him what to set in smaller type, and so on.

Indexing. Decide whether or not to include an index, which is toilsome to compile, expensive to print, and in many books seldom consulted. Is there to be a single comprehensive listing, or one or more partial ones (names, places, lodges, topics)? The easiest way to compile the index is to re-read the complete book, making entries as you go on 3" x 5" cards, and including the page numbers from the typescript. The page numbers of the book will be different and must be inserted before the index can be printed. It follows that the index cannot go to the printer until the page proofs are available.

Illustrations. If illustrations are to be included, look for suitable ones. Have photographs specially taken, or drawings specially made. If the illustrations come from a book or a special collection, obtain permission from the copyright holder. If maps are to be specially drawn, discuss with the artist the information to be included.

Printing. Obtain quotations from more than one printer. Discuss with the printer the size of the potential run, the type of paper, the type of binding, the schedule of production. Submit the quotations for approval to the Grand Master (through the Grand Secretary), together with the Committee's recommendation as to which printer should be used. Ensure that the contract is signed before the date at which the quotation expires. Decide, in consultation with the printer, the style and size of type to be used. the stock, colour, and design of the cover. Read three or more sets of proofs (galley-proofs, page proofs, revised page proofs). The Grand Master will determine the size of the run (i.e., the number of copies to be printed), after consultation with the committee and the financial officers of Grand Lodge. If the contributors are to receive special commemorative copies, arrange to have presentation certificates printed and signed, and to have the recipients' names imprinted on the covers.

Publicity. Prepare brief news releases from time to time for publication in the *Bulletin* or elsewhere. Prepare a longer publicity

release and an order-form, to be sent to every Mason in the jurisdiction. The order form will have to include a pre-publication price, which should be set in consultation with the Committee on Audit and Finance. Discuss the details of the order-form, and its mailing, with the Grand Secretary, since his office will probably have to assume responsibility for this. Try to persuade the officers of Grand Lodge and the Members of the Board of General Purposes to play an active role in promoting sales.

Mailing. Arrange for mailing containers for the books. The printer may be willing to package them and mail them under a special mailing permit for bulk rate. Discuss with the Grand Secretary the typing of mailing labels and their delivery to the printer.

Most Worshipful Grand Master, the Special Committee on the History has completed the task assigned to it five years ago. This report is the final official act of the drama, and when it is adopted the committee will automatically go out of existence. We are grateful for your confidence, and we have worked hard; we have learned a lot about history, about book production, and about human nature. We can say modestly that the book is not bad. We hope the brethren will enjoy it; we know they will profit from it; and we urge them to buy every copy.

All of which is respectfully and fraternally submitted on behalf of the committee.

WALLACE McLEOD, Chairman.

REPORT OF THE COMMITTEE ON THE 125th ANNIVERSARY

Presented by R.W. Bro. C. W. Emmett, Chairman, on motion of the Deputy Grand Master, seconded by R.W. Bro. Emmett, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

In presenting this the final report of the Committee for the 125th Anniversary of our Grand Lodge, may I first express my sincere thanks to you Most Worshipful Sir for affording me the opportunity of serving Grand Lodge as General Chairman of this Special Committee.

To my Deputy Chairman - R.W. Bro. A. Lou Copeland my deep appreciation for his counsel and dedication throughout the entire program. To the Committee Chairmen R.W. Bro. C. John Woodburn - Chairman of the Public Relations Committee and supervisor of the play "The Birth of our Grand Lodge"; R.W. Bro. Ronald E. Groshaw - Chairman of the Divine Service; R.W. Bro. Melville J. Damp - Chairman of Transportation and R.W. Bro. John B. Hunter - Chairman of the Ladies' Program, I say Thank You.

Their dedication to Masonry and their untiring efforts in the discharge of their respective duties added so much to the success of our program.

To the hundreds of Brethren who assisted in the distribution of our Commemorative Coin, the Divine Service, the production and presentation of the play "The Birth of our Grand Lodge", the arranging of a most interesting display of Masonic Memorabilia and Artifacts, the distribution of our 60,000 monthly bulletins, the several details in connection with the Grand Master's Banquet, we record our profound thanks.

To the members of the Board of General Purposes and Grand Lodge officers we say thank you for your support, encouragement and help during the past two years.

We would be remiss if we did not acknowledge the outstanding assistance given by the District Anniversary

Chairman, the ten Regional Chairmen and in particular all the lodges and districts that took full advantage of the Anniversary to institute new programmes. We wish for each one continued success in all their future endeavours.

In particular, to the brethren who worked and brought into fruition, a unique new lodge to mark our Anniversary, a daytime lodge to be known as the 125th Anniversary Lodge, we say congratulations and best wishes. We would express our sincere thanks to the Past Masters' Association of Metropolitan Toronto and V.W. Bro. Snare and his committee for their assistance and co-operation.

Commemorative Coins

It is worthy of note that all the 20,000 Commemorative Coins we had struck originally were purchased within 90 days of their being offered. The demand continued to the point where we had an additional 15,000 struck; these having been disposed of, the sale closed April 15th.

It is not our desire to encroach on the reports of other Chairmen other than to record the tremendous contribution the H.E.L.P. program made toward identifying the 125th Anniversary of our Grand Lodge, the beautiful new banner showing the Coat of Arms of Grand Lodge, a gift of the seven Toronto Districts and the beautiful new Masonic book "Whence Come We?"

My brethren, as this report will form part of the printed proceedings of Grand Lodge we list herewith the

REPORT OF THE GRAND CHAPLAIN

The Grand Chaplain, R.W. Bro. Rev. Keith F. Tudor, presented his Report. On motion of the Deputy Grand Master, seconded by R.W. Bro. Tudor, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

What a privilege and joy it has been to be your Grand Chaplain in this 125th Anniversary Year! It has been a rich and rewarding experience. I have been fortunate enough to have had some satisfying part in many and varied Masonic functions in Southern Ontario. My only regret is that I was unable to make any visits into Northern Ontario. There I had to content myself with exchanging fraternal correspondence with the brethren.

The highlights of the year have been numerous. They included the Dedication of the new Temple in Exeter; Dedication or Rededication of Lodge Furnishings and Regalia; several Recognition Evenings for Distinguished Brethren; attendance and participation in countless Anniversary Occasions; in District Receptions for the Grand Master; in special programmes related to the 125th Anniversary and other such functions.

I have preached at several District Divine Services and participated in others. I appreciated taking part in the Memorial

Services at Elora and Woodhouse. Of course, the major highlight of the year was to have a part in the preparation of, and, to preach at the 125th Divine Service at the Band Shell. I am grateful for the assistance of all others in that splendid event.

My personal appreciation is expressed to the Grand Master for his appointment as Grand Chaplain; to Rt. Wor. Brothers Ernest Brown and Alan Newell for arranging transportation on various occasions. Your kindness and co-operation will be treasured always.

In preparation for this report, I sent a letter to every District Chaplain inviting him to kindly advise me of his activities during the year and of any suggestions or advice he might wish to give. The content of their replies should make us exceedingly grateful. From them we learn that many District Chaplains not only arranged for splendid District Divine Services (sometimes several in a year), but also travelled extensively with their District Deputy Grand Master, gave spiritual and education addresses, participated in dedications and memorial events and visited the sick and shut-ins. I would like to share with you some of their activities:

Canon H. C. Secker, Assistant Grand Chaplain of Kingston, Ontario travelled extensively in Eastern Ontario. He took part in Installations, Receptions, responded to the Toast to Grand Lodge on at least two occasions and preached at Divine Services. He writes: "The 125th Anniversary has stirred up a lot of interest. We are having a Family Picnic on June 21st sponsored by the lodges of the district. There have been musical entertainments of one kind and another and many outstanding lodge meetings with various out of the ordinary activities."

Rev. D. R. MacDonald, Chaplain of Eastern District, reports 300 in attendance at Martintown Lodge for a 125th Anniversary Evening. He was, also, present for the 100th Anniversary of Henderson Lodge. He dedicated a new V. S. L. for Cornwall Lodge. The District Divine Service was held at Vankleek Hill Presbyterian Church.

Wor. Bro. Wib Haney, Chaplain of Victoria District, comments he attended eleven out of fourteen visits with the D.D.G.M. He was present at a number of Installations and Church Services. Their Divine Service was held at St. Andrew's United Church, Sunderland, with approximately one hundred and fifty

Masons present. R.W. Bro. Wm. Fairley, a Past Grand Chaplain, preached the Sermon on "Comprehend Then Practice."

Wor. Bro. Donald Myke, Chaplain of Brant District, lists some excellent principles and aims that he and the D.D.G.M. endeavoured to fulfill. He writes: "The D.D.G.M. and I found each meeting a challenge and a great opportunity to express our deep feelings that Masonry rests on God, lives in God and seeks to draw men to God."

The Scripture Readings were not idle eloquence but proof of the Holy Scriptures relationship to the subjects of "The Gavel," "The Square," "More Light," "the N. E. Corner," "The Letter 'G'," "Secrecy," "the Holy Bible," "The Masonic Bible," "The Rulers of the Craft," and "The Ideal Mason."

Wor. Bro. Bryan D. Smith, District Chaplain, South Huron, accompanied his D.D.G.M. on all his official visits and arranged for the District Divine Service in Lucan in late May. He was also instrumental in arranging an Annual Divine Service in August of each year which encompasses three lodges, Lebanon Forest, Granton and Irving.

Rev. F. Paul Erb, District Chaplain, Waterloo District, had a part in the Installation of Officers of his home lodge, New Dominion, at New Hamburg. He gave the Eulogy at the Lodge of Sorrow and Rededication at a special gathering in Waterloo. It was a significant evening.

The Waterloo District Divine Service was held in Zion United Church, New Hamburg, on April 27th with 250 brethren and friends filling the Church. He reports, "it was a tremendous evening of inspiration and fellowship. My sermon subject was "The Pillars Set Up."

Wor. Bro. George Holden, District Chaplain, Wilson District, attended 23 lodges with the D.D.G.M. and spoke briefly each time. He arranged the District Divine Service in Lakeside United. He attended several "At Homes and Installations." He had the privilege of installing both his son and son-in-law as Masters of Thistle Lodge, Embro over the past two years. He feels, "The state of Masonry is in good condition with the spiritual teachings of the Craft."

Rev. Russell A. Peden, District Chaplain, Algoma District, states "that the willingness of members to come together in an exemplary public way of testimony in worship was encouraging."

"St. Andrew's Presbyterian Church was host to our 125th and the manifestation of that terrific outpouring of Spirit provided proof of the kind of annual recognition we should strive for. Our speaker stated appealingly that whatever needs to be done in any community, the Masons ought to be the leaders in doing it because they are builders . . ."

Rev. David Wilkinson, Chaplain of Toronto District 1, forwards a full report of his many activities . . . the Divine Service in Trethewey United, attendance at 125th Receptions, visits with his D.D.G.M. and other functions. He introduces prayer at the close of lodge meetings, particularly for any sick brother or prayer for a bereaved brother's family. Introduction of Biblical meanings as it relates to a degree is offered when the occasion arises. He offers interesting comments: "the threshold should be higher for entrance" (into masonry). "Masonry requires a 20th Century approach in the areas of time, content, and social involvement." "For the next few years I feel that Masonic Lodges should concentrate on fellowship, enthusiasm, meaning and purpose."

Wor. Bro. Morley W. Page, 80 years of age, served as District Chaplain for St. Thomas District. He attended all the lodges in the District with the exception of two. He speaks very highly of his D.D.G.M. He planned an unique Sunrise District Divine Service in Pinafore Park, St. Thomas on June 15th.

The D.D.G.M. of Toronto District 4 reports that their Annual Divine Service was held at St. Margaret's in the Pines Anglican Church, West Hill, on Sunday, May 4th. "Wor. Bro. David White, our District Chaplain, prepared the service well and the sermon by the Rev. Jack R. Roberts, who is not a member of our craft, was well received by some 150 Brethren and their wives and families."

The Rev. Telford Anderson, District Chaplain for Muskoka-Parry Sound, comments that he travelled throughout the District with the D.D.G.M. and found "the various Lodge Chaplains performing their functions with dignity and reverence." A District Divine Service was to be held in Emsdale United Church with the guest speaker the Rev. R.W. Bro. Eric Sisel, Past Grand Chaplain.

Wor. Bro. J. A. McNaughton, District Chaplain of Temiskaming reports on four Divine Services, in this vast region, one at Kirkland Lake with 78 brethren, Englehart had 20 in attendance and Kapuskasing Lodge was to have a Service on May 25th. Corinthian Lodge No. 657 conducted a Memorial Service.

Dean K. Purdy, Chaplain, District 1, Ottawa, states "It has been a great honour to serve as Chaplain for the year 1979-1980." His activities included a Divine Service at Carp with 100 Masons in attendance and a Masonic Quintet assisting the Choir; a Special Service of Rededication as Prince of Wales Lodge celebrated its 100th Anniversary; attendance at Doric Lodge No. 58 for their 125th Anniversary; Divine Service for both Districts 1 and 2 with a Masonic Choir and approximately 200 Masons and wives.

Rev. E. J. Furcha, Toronto 7 District Chaplain, comments: "There seems to be a fairly lively interest among those Brothers who participate in regular Lodge affairs, in hearing about the moral and spiritual teachings of the Craft, although one wonders how much of this interest is, in fact, translated into changed lifestyles of the Brothers." His duties included participation in a Memorial Service; preaching at the Annual Divine Service at Washington United with some 150-200 Masons and friends present.

Wor. Bro. J. Harvey Robertson, Chaplain of Peterborough District states his chief activities have been: attendance at the Official Visits of the D.D.G.M.; participation in the dedication of regalia; offering the blessing and prayers at various functions; presenting short Masonic Education addresses. Their Masonic Service, planned by Brother Robertson must have been a delight to him for some 260-275 brethren and friends were present.

Rev. Ronald Pierce, District Chaplain for Bruce accompanied his District Deputy on half of his visits. During those visits they endeavoured "to broaden the whole Masonic concept for the men... stressing our relationship to God and Religion..." Then Divine Service was held in Walkerton with the topic "Who Is My Brother—Who Is My Neighbour?" A formation of a District Masonic Choir was one of their 125th Anniversary projects.

Rev. Wm. Sutherland, District Chaplain, Hamilton District 'B' offers these pertinent comments: "The influence of Masonic thinking has had no small part in preserving the best in our national culture, and today it may well be having a timely stabilising influence." "A nation's real strength lies . . . in the quality of its people." "The office of Chaplain in the lodge must play a more active and aggressive part . . . his high sense of moral obligation, his talents, conduct and behaviour are to be used to foster the Masonic ideal."

R.W. Bro. George Jackson served as District Chaplain, St. Lawrence District. He writes: "I have been able to accompany the District Deputy on most of his visitations. We have been well received both from the standpoint of attendance and fellowship with our brethren." He set a high aim for attendance at the District Divine Service . . . 10 from each lodge. This was to be held on June 1st.

R.W. Bro. J. K. Forbes, District Chaplain of Eastern District travelled with his D.D.G.M. on all his official visits to the 10 lodges in a widely scattered district. This amounted to a total of over 2,000 miles. He arranged a local Annual Masonic Church Parade and a District Divine Service both held in Keewatin. "These are very well attended and are considered a very fitting end to the District functions." He has been a Mason for 44 years and has served as District Secretary, District Deputy and District Chaplain.

Alfred E. C. Bruce, Brigadier, retired of the Salvation Army, was District Chaplain for Niagara 'B'. He comments: "Regarding the moral and spiritual teaching of the Craft, I believe this was taught well by most Officers of the lodges we visited. The talks I gave at each meeting I tried to underline that men of the Craft should be better members of the Churches they belonged to because of the teachings of the Craft. Attendance at District Divine Services could be better. We had about 175 at ours, which included a good number of Wives and Friends."

Bro. R. A. Peden, District Chaplain, Algoma reports his District Service was held at St. Andrew's Presbyterian Church, Thunder Bay. R.W. Bro. Agnew Johnston, Past Grand Chaplain, conducted the service assisted by Bro. Rev. Douglas Greenough, United Church and Bro. Rev. Frank Moore of St. Stephens Anglican Church, presently Grand Chaplain of Sovereign Great Priory. It was a fine Ecumenical Service with a good attendance and volunteer Masons in the Choir.

R.W. Bro. Rev. Alex. K. Campbell, District Chaplain, Niagara 'A' reports: "We have had a very busy year in "Niagara 'A'." It has been my pleasure to accompany the D.D.G.M. to our fourteen lodges in the District for the Installation of Officers and on his official visits. I was given the courtesy of saying a few words and one occasion to give the address for the District Deputy. Our District Divine Service had over 250 in attendance."

R.W. Bro. Rev. Edwin Salkeld, District Chaplain, Hamilton District 'A' informs us that he accompanied the D.D.G.M. on all

his official visits. Many Divine Services took place throughout the district at Ancaster, Burlington, Waterdown and other areas. Bro. Salkeld promoted these services thoroughly and the Divine Service at the Band Shell on July 13th.

Rev. Wayne G. Thomas, District Chaplain, Ottawa District 2 sent full information on the two District Divine Services at Beachburg with an attendance of 170 brethren and friends and a full Masonic Choir and their proposed combined service for District 1 and 2 in Ottawa. He comments, "One of the very strong points of this district has been the degree of visiting between lodges which has built up a very good fellowship among our members."

Donald K. Newton, District Chaplain, Hamilton District 'C' accompanied the D.D.G.M. on 12 of his 14 official visits, plus several unofficial visits.

Several times he commented on some part of the work with reference to the V. S. L. He prepared and took part in a Memorial Service. Delivered an address entitled "Masonic Growth." The Masonic Board of Relief held a Divine Service in October with 130 brethren plus wives and friends in attendance. He concludes his report, "Spiritually, Masonry is in good shape."

Wor. Bro. Rev. Roy A. Taylor, District Chaplain, Sudbury-Manitoulin served part of the year as both Worshipful Master of his lodge and District Chaplain which limited his travelling with his District Deputy. Nevertheless, he was able to complete some later visits and planned two Divine Services, one at Mindemoya on Manitoulin Island and the other in Sudbury. "The theme of my address will be "Pillars of Life" based on the principles of wisdom, strength, and beauty, being the elements upon which the foundation of our personal temple of God is founded."

Brethren, time and space permits me from including all the reports, but from the above you can realize the effectiveness and great inspiration that is derived from the moral and spiritual teachings of the Craft. It has been a great privilege, as Grand Chaplain, to personify and represent all the District and Lodge Chaplains. The humble and faithful service rendered by several dedicated laymen, as well as rabbis and clergy, of various denominations, is deeply appreciated.

The Rev. Kenneth Bagnell writing in "The Review" speaks of husband and wife dining in a restaurant in this way: "Then he picked up the menu, opened it, and handed it to her in silence. She held it in both hands directly in front of her ... almost the way you would hold the steering wheel of your car ... and began to read from it, loudly but diffidently, the way you might read the directions on a can of paint, and, of course, she read in the same way she looked, not to notice, but to dismiss:

"The chef salad, it's probably been lying around here for three weeks; who needs it. The french-onion soup is probably straight out of a can; they can keep it. The smoked salmon, I had it here last time; I could smell it coming; forget it." She went on in this way, her voice an even and deliberate monotone, until at last she had gone through the entire menu, disposed of everything that was in it, and set it aside saying . . . while she looked past him to something in the distance that she had not as yet observed . . . that she would have nothing, for there was nothing that caught her fancy."

Brethren . . . Freemasonry is not like that person. It has food for every man who is initiated into the Craft. For the mind it has an unexcelled moral code; for the heart it arouses the feelings of compassion and charity; for the spirit it calls forth a belief and reverence for God and a hoped for reunion in the Grand Lodge Above.

There is sustenance for your mind, your heart and your spirit in Freemasonry. Are we aware of these needs in our brethren? Are we aware of these needs in ourselves? With the help of the Most High let us partake of this food and nourish both the fraternity and all its members.

Respectfully and fraternally submitted,

KEITH F. TUDOR, Grand Chaplain.

REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

Presented by R.W. Bro. J. W. Millar, Chairman, on motion of the Deputy Grand Master, seconded by R.W. Bro. Millar, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee now has reviewed and considered in detail the reports of the Grand Treasurer, the Auditor's Report attached thereto, and the report of the Grand Secretary as referred to it by this Annual Communication. These appear to fully and accurately record the essential details pertaining to:—

- (a) the financial position of this Grand Lodge as of April 30, 1980 and the results of its fiscal operations on a cash basis for the twelve month period ended on that date.
- (b) details of all Receipts and Disbursements in respect to the General Fund, the Commutation Fund, the Memorial and Semi-Centennial Fund; together with particulars of all transactions and changes in Capital Accounts of Grand Lodge, which have occurred during the said period.
- (c) the Investment Accounts of the above mentioned Funds and the summary of all financial resources as of April 30, 1980.

The following observations respecting certain matters covered by these reports, and or relative to its financial affairs, are presented for your consideration.

- (1) The Audited Statements of Grand Lodge accounts show that the net balance of all its resources now amount to \$2,115,871.19. This net balance includes total investments at cost value (not market value) plus cash on hand and in the bank and represents an increase in assets of \$50,491.41 over the same figures a year ago.
- (2) Total receipts under the General Fund for fees, dues, commutations, interest on investments, etc. amounted to \$380,662.68 while disbursements etc. amounted to \$340,066.95, leaving excess of income over expenditures of \$40,595.73.

(3) Grants for benevolent purposes, less those refunded and cancelled amounted to \$73,124.10, an increase of \$13,296.09 from a year ago. These grants were paid out of the combined incomes of the Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund, which last year amounted to \$22,000.00. It is anticipated that the amount for the coming year will be the same. The Committee on Audit and Finance therefore recommends that in order to provide these funds, the Board of General Purposes authorize in accordance with section 126 of the Constitution, appropriations from the General Fund up to the amount of \$22,000.00. Such funds to be transferred as and when required, to the combined Memorial and Semi-Centennial Funds. in order to supplement the interest and income therefrom, thus making adequate provision for all benevolent grants which Grand Lodge may make during the period May 1, 1980 to April 30, 1981. It should be noted that the Committee on Benevolence has shown great care in administering its funds.

Your Committee recommends approval of the special donations to charitable institutions totalling \$8,200 which were made under the authority of the Grand Master as itemized in the Financial Statement.

In its review of all matters covered in this report, your Committee has received the fullest cooperation and assistance from the Grand Secretary and his staff. The cooperation of the Grand Treasurer is also appreciated. Your Committee now formally recommends to this Grand Lodge the adoption, without amendment, the reports of the above mentioned officers and approval of the recommendations contained in the report of this Committee.

In accordance with Section 134(c) of the Constitution, your Committee submits for consideration and approval, an estimate of Receipts and Expenditures as it relates to the General Fund for the year ending April 30, 1981.

The foregoing estimates have been carefully considered and compiled after consultation with the Grand Master, the Deputy Grand Master, the Grand Treasurer and the Grand Secretary. Your Committee believes these estimates are realistic and provide for all items which might be reasonably foreseen and for such amounts as may be required to meet all Grand Lodge financial responsibilities, obligations and commitments for the current fiscal year.

Some further information concerning some of the above budget items may be of interest.

Re. Salaries — The increase in this area is due to a normal increase plus the salary of an additional person required because of the illness of a member of the staff.

Re. Pension Fund — \$25,000 of this amount represents funds set aside to provide more adequate pensions for three long time employees. This money will eventually be recovered by the General Fund of Grand Lodge.

Special Printing for re-sale — It is anticipated that most of the money required for this purpose will be recovered this year, the balance being recovered next year.

Re. Furniture and Equipment — It is anticipated that certain items will have to be replaced this year.

Re. Charitable Donations — The function for awarding donations, excluding benevolence, is to become the responsibility of the Masonic Foundation, to be phased in over a five year period.

Medals — This amount is necessary to replace the inventory which is almost exhausted. We anticipate this will meet our requirements for the next seven years.

Dues — Annual dues were raised at the 1976 meeting from \$1.50 to \$2.00 per member, effective January 1st, 1977. It is anticipated that this increase will meet requirements until January 1st, 1982. Consideration will have to be given to raising the dues to \$2.50 per member at that time. If this is to be done Notice of Motion must be given before April 1st, 1981. Accordingly we must watch this situation very carefully.

All of which is respectfully and fraternally submitted on behalf of your committee.

JOHN W. MILLAR, Chairman.

MOTION RE SIGNING OF CHEQUES, ETC.

I move, seconded by M.W. Bro. James N. Allan, that the signing of cheques and all other negotiable instruments on behalf of Grand Lodge A.F. & A.M. of Canada in the Province of Ontario be done by any two of the Grand Treasurer, the Grand Secretary, the Deputy Grand Master and the Chairman of the Audit and Finance Committee. REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This Report was presented by W. Bro. Jack Carpenter, Chairman, and on motion of the Deputy Grand Master, seconded by W. Bro. Carpenter, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Members of the Special Committee on Public Relations it is my pleasure to present this report for your information and consideration.

Because Public Relations can mean different things to different people — and as the Masonic year developed we became

more involved — not always by design; it became apparent that Public Relations could make some constructive contribution to the fraternity today, and for the future.

By its nature Public Relations involves some publicity and promotion. Be assured brethren that "when you seek publicity you must accept criticism" and "controversy creates more publicity than purity."

However, you will have noted that for the past two years at the Grand Master's Banquet the Keynote speakers emphasized Public Relations. Reflecting on the words of R.W. Bro. Donald Fleming, who reminded us of the need for Public Relations and as promoters we must at all times be concerned with the image we project! This committee feel that the guidelines for that image are already well documented in our Masonic ritual, and so concentrated its efforts on the work, visitations, and words of the Grand Master as an ideal vehicle to project a public image with the following results:

- —The Grand East and visiting Grand Masters were seen on television in regalia for the first time.
- —M.W. Bro. R. E. Davies and M.W. Bro. N. R. Richards were both interviewed for television in the Masonic Temple at Guelph. They discussed their roles and ambitions as well as the regalia. Reception was extremely favourable from Masons and public alike.
- —The Masonic evening convened by district and hosted by King Solomon's Lodge in Woodstock where donations were made to the Tornado Disaster Fund with non-Masons present received a wide coverage from newspapers, daily and weekly, radio and television. The \$5,000 donated equally from Grand Lodge and the Masonic Foundation swelled to over \$9,700 from donations made from the floor. The reports acknowledged the Freemason's generosity and carried our message 'that there was still need to help the fund'. A good example of Masonry within the community.

This was one of the occasions reporters were invited into the lodge for interviews and questions.

—Dedication of the Masonic Temple in Exeter also received newspaper, radio and television attention with an interesting lead to the story 'community has new facility for meetings and receptions, provided by the Freemasons'. —The Port Hope Flood Disaster Fund prospered from another Masonic evening, with non-Masons participating. The Grand Master presented a donation from Grand Lodge matched by the Masonic Foundation for a total of \$2,500. I understand that the total grew to exceed \$5,000, which when matched with the governments 3 to 1 grant, meant \$20,000 to the Port Hope community.

These highlight events were well publicized and provided a favourable image of Freemasonry.

Last but by no means least the 125th Anniversary has generated considerable interest in Freemasonry. Coverage of the Divine Service received more than average attention. Requests for information, stories and interviews in the media as well as to individuals and Masonic tourists have been covered to the limits of the committee and availability of the Grand Master.

The Anniversary offered a splendid opportunity to present Freemasonry to the public. This committee is pleased to report that the entire 125th Divine Service was recorded on video tape for immediate and future viewing. It will be showing throughout the day Wednesday. The edited tapes will be available through the office of the Grand Secretary with the necessary information on equipment. The event now becomes available to all the lodges in the Grand Jurisdiction.

The committee also arranged a conference for the press to meet the Grand Master, Grand Secretary, and Committee Chairmen of the 125th Anniversary and H.E.L.P. Project.

A press kit became a necessity. The folder, photographs and biographical notes were produced in enough quantities to provide a source of information for any future enquiries. They are in the hands of the Grand Secretary for distribution when needed.

The requests to Grand Lodge for suggestions on press coverage and related subjects caused the committee to write some guidelines for such occasions. These are now being updated and will also be available through the Grand Secretary. The committee recommended they be used when the occasion arises and not be made a general distribution at this time.

All of the above was carried out with the best intentions of portraying Freemasonry in Ontario as we would want the world to know us.

In today's world of escalating communications we should endeavor to show ourselves as we would want. Record our events as they happen so that our history does not demand research, and be prepared to join, even if not fully equipped, the 21st century.

While we may be insular in our approach, others are not. Recently a Boston radio station presented an open line radio show on Freemasonry, based upon material supplied by a non-Mason writer. A new singing group is called the 'Three Degrees', their hit song 'Dirty Old Man'. I trust neither was promoted by a knowledge of the institution. The 'Shriners Convention' is a popular recording and frequent radio request item, — all in good fun, but nevertheless getting more recognition than the fraternity itself.

Knowledge of the Craft and public recognition can come from simple and convenient sources. Besides identifying buildings encourage the use of the words Masons, Freemasons, Masonic Lodge, Masonic Temple, Masonic Fraternity and do not forget notices such as 'meeting or reception, held at the Masonic Hall'.

Above all support and promote and function with families and friends of Freemasons and do things educational as well as social — but be ever mindful as a Mason you are charged TO BE HAPPY AND COMMUNICATE HAPPINESS.

Respectfully and fraternally submitted,

J. CARPENTER, Chairman.

DISTRICT DEPUTY GRAND MASTERS

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I present, herewith, the foreword to the reviews of the Annual Proceedings of our sister Grand Lodges. We thank R.W. Bro. C. A. Sankey for his selection of items of interest to us in Ontario. These summaries serve to keep us abreast of conditions and happenings in the Masonic world.

Committees on Masonic Education are constantly looking for material to present to the brethren. I would refer them to Massachusetts 1977 and 1978, Colorado, Japan and Kansas.

Lowering the age of admission to the Craft to the legal voting age of the area has presented some interesting decisions. Read Arkansas.

The translation of the ritual to accommodate the majority language group should bring satisfying results in some Grand Lodges. Read Quebec and Japan.

Population shifts cause many problems for administrators of education, church, business and lodges. Some areas cease to be viable locations for lodges and amalgamation or complete removal to a new area seem to be the best answers. We have not been faced with this situation yet in Ontario but we should be prepared. Check Quebec, Illinois, Kansas, Massachusetts, Ohio, Alberta, Michigan and Victoria (Australia).

Some years ago our Grand Lodge followed the lead of the Grand Lodge of England in the modification of the penalties in the obligations. This caused much discussion among the membership at that time. Modification of penalties is mentioned in Massachusetts and British Columbia.

Several of the reviews contain facts that should be of interest to our historically minded members. These include Finland, China, Philippines and Virginia. Your Chairman extends sincere thanks to R.W. Bro. Dr. Sankey for including in the review of Massachusetts 1977 an extract from an address by M.W. Bro. S. F. Maxwell, G.M., to his Grand Lodge. This extract has a message for every Mason in every jurisdiction.

I hope that you will all read the complete set of reviews. I can assure you that it will be time well spent.

Respectfully and fraternally submitted

BRUCE B. FOSTER, Chairman.

Fraternal Correspondence and Reviews

Reviews written by R.W. BRO. CHARLES A. SANKEY

Your reviewer first shares with his brethren two items, both from Australia, very different, each pertinent in its own way.

First, M.W. Bro. R. E. Gregory, Grand Master of Victoria, quoted this poem in presenting a 75-year jewel at Grand Lodge to Bro. George Saker:—

"I know a man who kept on sighing Said he wasn't young Didn't feel as good as he used to Times were all unstrung Troubles, double aches, and favours Went a flying past Modern ways and modern living Left him quite aghast.

Another man he kept on saying
Life was like the spring
Brighter blossoms always coming
Birds around to sing
Troubles came and went — he let 'em
Didn't count the throng
Thanked the Lord 'most every morning
He'd been young so long."

Second, M.W. Bro. C. H. Harnett, Grand Master of Tasmania, concluded his address to his Grand Lodge during their 88th Annual Communication thus:—

"In conclusion, I bring you a message (written by) M.W. Bro. H. Vernon Jones:

'An individual lives his age. He may live backward in that age or forward. If he lives backward, he will accept its established ways; he will fit in comfortably and uncreatively. If he lives forward, he will meet his age at the point at which it is shaping itself into something new. The greatest individual lives on the forward edge of his age, on the margin of expanding life.

My own unrepentant view is that if Freemasonry is to live in any sense that is worth while it must live on the forward edge of the age. It is easy for Masons to look backward, for their whole training is retrospective, and what we call Masonic education has tended to mean an attempt to recreate in the modern mind the spirit of tradition.

No one would deny the importance of tradition in our Masonic training, but surely we must be creative as well as traditional. Both of these attitudes are important, for whether we like it or not, society is being pushed into new integrations of life and thought. We must put more realism into our Masonic professions.'

And I, as your Grand Master, suggest to you, brethren, that one way of putting more realism into our Masonic professions, is to build and maintain a new image, an image in the mind of the public that Freemasonry is a great institution, a most valuable asset for the community, a tremendous influence for public good, and above all, an institution of dignity, quality and substance."

There was one Especial Communication for laying the cornerstone of St. Mark's Masonic Temple in Calgary.

A Friday evening banquet, at which M.W. Bro. Chamberlain, P.G.M. Manitoba, was the speaker, preceded the formal Opening of Grand Lodge at 9 p.m. After a Thanksgiving and Memorial Service, formal introductions, a report of the Jurisprudence Committee, the Grand Master's Address, and a report on the Masonic Spring Workshop, it must have been near midnight. Grand Lodge resumed at 8 a.m. on Saturday, necessitated by the "week-end" schedule of Grand Lodge. This was discussed. The change (some years ago) from mid-week to week-end has not worked out as hoped in that attendance is down, more lodges are not represented, and everybody is under time pressures. No action was taken, but some dissatisfaction is obvious.

The financial dilemma into which Grand Lodge had worked itself by the combination of annual deficits, the rejection of a recommended per capita fee increase the previous year, and the regulation that a proposed Constitutional amendment, if defeated, could not be reintroduced for 3 years, was tentatively resolved with acceptance of a \$1.15 per member assessment to cover existing deficits. No one questioned that Grand Lodge had operated on and within a tight budget. Next year's budget was for a \$29,000 deficit with expectations that this would be reduced. This way of dealing with deficits may have to be continued as an amendment to remove the fees sections of the Constitution from the 3-year rule failed to get the necessary ½ majority.

Some 40 Masons from Alberta, including the Grand Master, and their wives joined a charter trip to Australia for the dedication in Sydney of the new Masonic Temple featuring a final parade of 10,000 Masons in regalia at the end of a week of major Masonic activities. It was a tremendous experience. The Grand Master also comments on the wonderful hospitality of the Masons in New Zealand during his subsequent visits there.

The Grand Master believed that we make Freemasonry too cheap, — contrasting a new Service Club fee of \$200 initiation and \$90 per year dues with a lodge in the same town, initiation \$50 and anual fee of \$7.

Membership problems are closely linked to urbanization. Country lodges lack initiates "because the town has moved out from under the lodge and taken the potential candidates to the big cities with them." 36 lodges, including the 2 smallest, had no candidates, yet 16 lodges had 7 or more initiations (max. 11). There were two amalgamations and there will be more.

A Research Lodge will be established. A new section of the Constitution dealing with establishment and government of Research Lodges was approved unanimously, the resolution being presented under the auspices of Perfection Lodge No. 9.

While only 14 persons are beneficiaries of Grand Lodge grants, the range from \$3600 to less than \$100 indicates close individual attention. 36 bursaries of \$700 each were awarded from 165 applications.

The Grand Lodge of Pernambuco, Brazil, was recognized.

The Committee on Foreign Correspondence dealt with several sensitive areas:— Italy (now O.K.), Wisconsin and Prince Hall Grand Lodge (reports of positive recognition are premature), Portugal (Masonry, revived in 1974, appears to be "completely irregular"), Cuba (The G.M. of Cuba wrote "I affirm that Masonry follows its relations with the Cuban State on the same plane of reciprocal respect (as before). --- the work of our Institution has not been hindered by the State."), Brazil (the Grand Orient has a schism. --- "The so-called 'irregular' rites create problems for the State Grand Lodges."), Belgium (the new G.M. "announced that a belief in God was not a condition of membership."), Uruguay (the committee is still checking that the V.S.L. is required on the altar), Saudi Arabia ("It is my understanding that the Saudi Arabia government, which still allows the practice of slavery, cannot digest Masonry, as a too progressive order and are therefore automatically against it"). The report concludes with "Some isolated items of interest" from 8 jurisdictions, which are a compliment to your reviewer in that they are taken from his reviews as previously published.

ARKANSAS — 1978

There were 8 Emergent Communications including "placing" 4 "Commemorative Stones."

The Grand Master ruled that an 18-year-old Mason from another jurisdiction could visit a lodge in Arkansas, but could not affiliate until he was 21. At the other end of the age scale, M.W. Bro. Mitchell presented a 77-year jewel to Bro. Hobgood who was 106. A picture of this presentation is in the Proceedings.

Many resolutions were presented. Among those approved was authority for a Worshipful Master to open "A Lodge of Sorrow" which would remain open during his term of office so that the lodge would not have to be opened separately for each Masonic funeral. Another made the Board of Grievances and Appeals an elected Board of Grand Lodge, this because of an increasing number of Masonic Trials. Resolutions defeated would have made members below M.M. rank eligible for Masonic funerals, and would have required a visit to the home of each applicant by the investigating committee before they could submit a report to their lodge.

The Youth and Scholarship Board awarded 27 scholarships (total \$9,000).

Grand Lodge accounts were examined by Internal Revenue and tax exempt status was confirmed. In view of this check, the Auditor recommended submission of vouchers for expense accounts on a more stringent basis than heretofore.

Ten lodges were reprimanded for not having attended Grand Lodge for 3 years, 2 others had their Charter suspended for 6 months for 4 years' absence and 1 Charter was suspended for a year for a longer consecutive absence.

The Scottish Rite facilities at Little Rock have, for some time, been used, without charge, be Grand Lodge for their Communication. The Scottish Rite also provided the banquet.

Our M.W. Bro. Robert Davies attended the Annual Communication and spoke briefly.

After many years of service, M.W. Bro. David Taylor retired as Grand Secretary. He becomes Grand Secretary Emeritus. R.W. Bro. Charles Lorimer was installed in his place.

A uniform ritual for use by all lodges for the Board of Installed Masters was approved. It may be noted that although all new lodges follow an approved, essentially Emulation, degree ritual, several different rituals are in use in older lodges, so there is considerable diversity throughout the jurisdiction. A committee dealing with penalties recommended changing "no less a" to "the symbolic," with final action deferred to next year.

Correspondence with Provincial officials to provide some municipal tax relief was "not encouraging." Adequate insurance is also a problem and a standing committee on taxation and insurance may have to be set up.

An "historic event" was reported in the raising together of a father, son and grandson, in Meridian Lodge No. 108, three teams of Masters and Wardens acting together in the raisings, four brothers of the Robinson family acting as Wardens.

A charter was approved for Langley Lodge U.D.

The Committee on Finance recommended, and Grand Lodge approved, an increase in per capita dues to \$4.25. "There (had) been no increase --- for 2 years." The Bursary Fund now has a capital of \$225,000. Awards of 84 Bursaries and 15 Educational Grants were made (average \$350). Disbursements of the Board of Benevolence were \$75,000, \$20,000 of which went to the Bursary Fund.

Four proposed amendments to the Constitution, two of which would have defined (and restricted) the status of a demitted brother, were all defeated. Recognition was given to the Grand Lodge of Puerto Rico and withdrawn from Belgium.

The Committee of Fraternal Correspondence reviewed Proceedings of over 50 jurisdictions. It is assumed that some of these reach the lodges via the Masonic Bulletin. "It is hoped that the Grand Lodge may see fit to direct that these Reviews be printed as a supplement to Grand Lodge Proceedings." They are not in the Proceedings at hand.

6 Lodges — No membership data available.

Your reviewer has a brochure featuring the 30th Anniversary of this Grand Lodge. It is well prepared with numerous photographs, some in colour, and was financed by advertisements and messages of good will comprising about a third of its pages. Much of the text is in English. A significant part is in Chinese.

The "Synopsis of the Masonic History of China" is especially interesting, Amity Lodge No. 407 E.C. started in Canton in 1767, followed by Lodge Elizabeth, Swedish Constitution in 1788. These ceased operation before the turn of the next century. Royal Sussex Lodge No. 735 E.C. began in 1844 in Canton. Later nine foreign jurisdictions established lodges, England, Scotland, Massachusetts, Germany, Ireland, Australia, Italy, Philippines and California. Locations included Hong Kong as well as Canton, Swatow, Foochow, Shanghai, Nanking, Tientsin, Peking and Chungking. There were 9 lodges under Massachusetts dating from 1864 to 1928. Lodges in Mukden, Dairen and Harbin chartered in the late 1920's were deactivated "because of Hostile Activities between Northern War Lords and the 1931 war between China and Japan." Five Massachusetts lodges still hold charters although four of these are inactive. (See review of Massachusetts). "Membership was mainly confined to specific foreign nationals until 1949 when a group of American and Chinese Master Masons, all raised abroad, petitioned Massachusetts for a charter as a Grand Lodge of China. This was refused, but an application to the Grand Lodge of the Philippines was granted.

As a result the Grand Lodge of Massachusetts broke off relations with the Grand Lodge of the Philippines for several years. Masonry went "into darkness" after Pearl Harbour. One group of Chinese brethren met fortnightly in the Chungking Canadian Mission Hotel. These had escaped from Japanese-occupied territory and were joined by American Military brethren assigned to Chungking, the War-time Capital of China. They became Fortitude Lodge U.D. California. Four of this group of Masons later became Grand Masters of the reactivated Grand Lodge of China.

Of the present 6 lodges, four revive lodges under Philippine charters dating from 1931 to 1937. The two others, Liberty Lodge No. 7 and Han Lodge No. 8 (works in Chinese) originated in Taipei.

The brochure includes the program for the 30th Anniversary Banquet, pictures of Past Grand Masters and data on co-ordinate hodies, Scottish Rite, one "York Rite" Chapter U.D., a Shrine Cluh, Eastern Star and Rainbow. The final article is "This is Freemasonry — A Universal Brotherhood." On the page facing this is a sketch of the Temple in Taipei (built 1963) under the heading "How good it is for the Brethren to live in unity together" and with the sub-heading:—

Coming TOGETHER is a beginning Keeping TOGETHER is progress Working TOGETHER is success.

Because the Annual Communication is in January the Proceedings are marked as on the previous year. Of the 6 Special Communications 5 were for public occasions:— cornerstones of a City Hall, a high school, an Administrative Services Centre and a Community Centre; "memorial stones" in a high school and in a middle school.

At the Annual Communication, a lodge of Master Masons was opened by Perfection Lodge No. 193 and the Grand Master and Grand Lodge then received. In his Address, the Grand Master was especially pleased that the next Conference of the Grand Masters of Masons in North America was to be held in Colorado Springs. A special visitor during his year had been M.W. Bro. Mr. Justice Madon, G.M. of India. His list of 110 dispensations granted must surely be a record. 26 of these were to allow joint communications for the purpose of receiving the Grand Master. He also approved by-law changes for 64 lodges, nearly all these dealing with fees.

The Grand Secretary supplies letterheads, dues cards etc. to lodges "at a fraction of the cost (from) the local printer."

Grand Lodge approved a charter for Centurian Daylight Lodge who have "built for themselves a charming temple among the pines of the Colorado foot hills." Custodians of the Work are preparing an open Installation Ceremony. Four issues of the "Colorado Masonic Craftsman" were printed.

Nine resolutions for changes in the Constitution were presented. Only 1 of these was accepted, this dealing with control of the "masonic key." Among those rejected were proposals for short forms when moving from one degree to another, and for the admission of 18-year-olds.

The Committee on Masonic Education concluded their thoughtful report:—

"There are none among us who want Masonry to disappear from this land, but they want others to keep it alive. How dare you claim to be a Mason if you leave the exercise of Masonic privileges and Masonic duties to others? May you be found among those 'who have a mind to work'."

At a Special Communication, Wolcott Lodge was constituted as No. 146. This is the first new lodge to be chartered in Connecticut in 13 years.

Our M.W. Bro. Robert Davies attended the Annual Communication.

The Grand Master found that some lodges, which had to give a W.M. a second year in office because a successor was not available, profited by better programs from an experienced hand in the East. He claimed Masonry to be "stronger in spirit" although the Grand Secretary reported the lowest number of raisings since 1935 and an increase in the average age of initiates from 38.9 to 41.2.

The Grand Master was particularly enthusiastic about Table Lodges, "a delightful variation in Masonic Ceremony." He recommended changes in the Rules and Regulations to simplify opening and closing of these lodges. Participation in a Table Lodge "either at Lodge or District Level" is a mandatory requirement for "The Master's Award Program."

Grand Lodge carries significant insurance. Lodges which had failed to submit inventory of their paraphernalia for insurance purposes are listed and prompt attention requested.

Over \$340,000 was turned over to the Masonic Charity Foundation of Connecticut, principally from \$10 of the \$15 per capita fee to Grand Lodge. It is regretted that no report from the Foundation appears in the Proceedings. Your reviewer recognizes that this, like our own Foundation, is an entity separate from Grand Lodge, but believes that some factual reference to its scope and activities would have merit.

"The Masonic Culture and Public Relations Committee" is active in the Northeast Conference on Masonic Education and Libraries. Their report gives the agenda for seminars for Senior Wardens, for Junior Wardens, for Senior Deacons and for Junior Officers.

Well over half of the pages of the Proceedings are a listing of all Lodge Officers, living P.M.s, raisings, affiliations, demits, suspensions and deaths, each by name and lodge by lodge.

Your reviewer found the Proceedings of this Grand Lodge depressing. The annual membership loss continued to be over 4% and there were only 66 raisings in the jurisdiction. There was an amalgamation of 2 lodges. Both the Masonic Temple Association and the Home operated in the red for the year and Grand Lodge holds over \$450,000 in promissory notes from the Temple which "appear to have no value to the Grand Lodge." At least the general funds had a nominal surplus for the year. Silver medallions produced to commemorate the U. S. Centennial remain largely unsold.

The Masonic and Eastern Star Home has "overpowering" financial problems. There are 88 residents. The budget ("the first in several years") included a deficit but was not met. Money was borrowed from the endowment fund against "a known inheritance" and eventually repaid. Major maintenance and repairs are needed. The Home doctor reported "Its awful, the deplorable condition children allow their parents to get in before dumping them on the home." The President's Report notes that:—

"---regulations required many consultants to be under contract. ---We terminated the speech pathologist for charging individual rates for group therapy. This had to be resolved through legal action and expense."

The only bright spot is that some sizeable donations were received.

The Grand Master issued an edict that:-

"---no organization — which requires Masonic membership either directly or indirectly as a prerequisite for its membership may permit any man suspended or expelled as a Master Mason — to retain membership in or attend tiled meetings of said organization. ---The Master Mason who is Potentate of the Shrine Temple in this jurisdiction shall be responsible for the implementation of this edict."

The Blood Bank Committee exceeded its quota.

The new Grand Master was elected and installed at the St. John's Day Celebration.

The attendance at Quarterly Communications varied from 852 to 1,163. There were 1,708 at the Annual Investiture, admission to which was carefully controlled by ticket.

At the March Quarterly, dues to Grand Lodge were set at £3.45 for London, £2.35 for the provinces, £0.33 for districts and £0.56 for abroad. A substantial surplus of over £200.000 was reported in general funds which will go towards rebuilding the reserve depleted in recent years. The Pro Grand Master reported on his visit to the Grand Lodge of Virginia on their Bi-centennial.

The Grand Master's Address at the Annual Investiture referred to the problems of "overseas" lodges. He added:—

"I am not infrequently asked why we do not recognize such and such a Grand Lodge when the whole of the North American Continent does, and I am able to reply with confidence that the Board is not influenced by such considerations and is taking the case on its merits: it has the advantage too in many cases of having advice available from expert members of our own Constitution on the spot."

A Joint Educational Trust is to be formed by a union between the Royal Masonic Institution for Girls and the Royal Masonic Institution for Boys.

The June Quarterly approved the erasure of a lodge in Aden. Most of the members had left the area.

At the September Quarterly benevolent grants of £100,000 to an old folks project in Lancashire and £25,000 to a similar "Masonic Haven" in Pretoria, South Africa were approved. The Pro Grand Master and the Grand Secretary reported on their 10-day trip to South Africa, during which they had been at the Haven. In addition to Masonic events, some of which had to be moved from the Temple to accommodate the number present, included were a Game Reserve, horse racing, evensong at the Anglican Cathedral in Pretoria and a visit to the University of South Africa.

The December Quarterly saw approval of grants of £4,000 to each of the Masonic Institutions and to the Royal Masonic Hospital, £1,000 each to the District Grand Lodge of Bengal and Northern India for flood relief and £27,500 placed at the disposal of the Board for general (i.e. including non-Masonic) charitable purposes. Previously during the year the Board of Benevolence had distributed £144,750 to 485 petitioners (average just under £300 each).

The Deputy Grand Master reported on a visit to India during the last half of November. He had been received most courteously by the Grand Master of India, M.W. Bro. Mr. Justice Madon, as well as by Provincial Grand Masters of Scottish and of Irish Constitution Lodges in India and carried out visits to E.C. Lodges in several locations. A meeting was arranged, with his wife, to meet Mother Teresa in Calcutta. Itinerary ranged from Madras to Northern India.

(Your reviewer is indebted to V.W. Bro. V. F. Koivu for preparing this review. The material at hand comprises 6 issues of KOILLIS-KULMA which V.W. Bro. Koivu tells me is "The North-East Corner.")

At the Annual Communication, attended by 308 brethren, M.W. Bro. Meriluoto was re-elected for another 2-year term. The membership gain for the year was 4.8% (235 initiations, 40 deaths, 28 demits, 9 suspensions or expulsions).

The first Masonic Summer Convention of Grand Lodge was held from 24th - 26th of August in the city of Turku, which had just celebrated its 750th Anniversary. The convention was attended by brethren and their families. Program included a church concert at the Cathedral, lectures and discussions, sight seeing, evening parties at local Masonic Homes, and a Grand Lodge meeting at the old Academy Festival Hall. Brethren from U.S.A., Sweden and Germany attended. At the gala dinner, M.W. Bro. Jaakko Meriluoto delivered an address in Finnish and partly in Swedish, in English and in German. It was very appropriate that the Convention be held in Turku, as the first Finnish Lodge, St. Johannes, was founded in Turku on August 28, 1758, with the help of St. Jean Auxiliare Lodge from St. Augustin, Sweden.

Three summer seminars were held, as in previous years, at Sompala, one of these being organized by the Mark Master Masons Grand Lodge of Finland.

Memorials are recorded for R.W. Bro. Arvo Aalto, Deputy Grand Master of Finland 1945-1969, Past Grand Master of the M.M.M. Grand Lodge and a member of Supreme Council 33° and for R.W. Bro. Karl Hokka Liinpaa who served as Grand Treasurer of the Grand Lodge of Finland 1961 - 1978 and was also a member of Supreme Council 33°.

A group of Greek Freemasons with their families visited Kasarmikatu Lodge in Helsinki. They were shown the lodge, museum and the library and also told about the history of Finnish Freemasonry. The Greek Grand Lodge was founded in 1811 and, at present, has some 70 lodges.

Music has always played a very important part in the tradition of Freemasonry. The best known Freemasonic music is, of course, that of Bro. Mozart. In Finland, Ritual Music composed by Bro. Jean Sibelius, is an essential part of the Ritual. A recording of Ritual Music, called "Musique Religieuse" Op. 113 by Jean Sibelius is available "in limited numbers" from Suomi Loosi 1. Kasarmikatu 16D, 00130, Helsinki 13.

KOILLIS-KULMA sends fraternal greetings to brethren all over the world.

There were 5 Emergent Communications, one to lay the cornerstone of a Baptist Church.

The Grand Master filled 316 Masonic engagements during the year. He ruled that a candidate of the Moslem faith could take his obligations on the Koran (possibly supplying his own) after some members of the lodge had insisted on the use of the Holy Bible. He was concerned with the membership loss, much the largest to date. A look at the figures, however, shows that about half of the total loss was in 1 of the 12 Districts where there was a (probably overdue) housecleaning. The extreme was in Solomon's Lodge No. 1 which combined 14 raisings and 4 affiliations with 10 demits, 38 suspensions and 32 deaths for a net loss of 62.

The Jurisprudence Committee had numerous petitions to deal with. Three were concerned with the absolute prohibition against any association with the liquor business. One petition, which would have restricted the prohibition to *illegal* liquor dealings, was rejected, but another was approved, permitting a Mason to have a licence in his name if he had to do so as a condition of employment and had no personal interest in or association with the business

himself. Other approved changes removed a \$12,000 ceiling on the salary of the Grand Secretary, and set up retirement pension schemes for Grand Lodge and Masonic Home employees.

Grand Lodge made a brother, not a Past Master, an honorary member of Grand Lodge so that the incoming Grand Master could appoint him Grand Chaplain.

The Masonic Home is for children and, as previously reported, is well run. "Work days" provide an opportunity for Masons to provide painting, carpentry, repairs etc. and these are important events for the Craft as well as for the Home. The Board of the Home also employs a case worker for benevolent work throughout the State. There were 50 children and 3 college students in the Home, a decrease of 15 in residence. Cost was up to \$12,600 per resident, a probably significant part of the increase being due to taking the students out of public school (where there had been problems) and putting them in a private school. As a result the surplus funds were reduced by \$131,000, \$25,000 of this being "relief." A scheme to set up a "Masonic Village" for the elderly was abandoned.

ILLINOIS - 1978

139th Annual Communication — October 6, 7

Grand Master M.W. Bro. V. C. VanTassell presiding

Lodges 776 Membership 161,208 Loss 4.009

There were 5 "Occasional Grand Lodge" sessions, all for Masonic purposes. One of these for laying the cornerstone of the new Grand Lodge Offices in Springfield (the lot, valued at \$50,000, had been donated by the owner of the subdivision, Bro. Kreider) was most unusual in that the Deputy Grand Master acted as Grand Master and the Grand Master as Deputy Grand Master!

The Grand Master reported on the success of "State Schools of Instruction," — 3 two-day seminars for Grand Lecturers and 42 one-day schools for Lodge Officers. Over 3,000 Lodge Officers attended and 85% of the lodges were represented.

Action was taken on Illinois' "very high rate of unfinished candidates." The Deputy Grand Master reported over 30,000 had "stopped" after their E.A., or, sometimes F.C. degrees. As a pilot project, one lodge in each of the five major areas of the State was

permitted to waive the catechism requirement for such of their members. The result, in these lodges, was 78 new M.M.s, mostly "candidates of long standing." Questionnaires to these candidates left no doubt but that the reasons for "drop-out" had been almost exclusively the time and effort required to learn the catechism (most of the brethren had never been told that they would have extensive memory work) or lack of providing a brother who worked with the candidate instructing in the catechism. The Grand Master reported, "Many other Jurisdictions are looking to see just what Illinois is going to do. Frankly, we are not exactly sure just what we will do."

The Grand Master also took action on "so called preparation room petitions for other bodies." He directed that no petition for membership in any other organization could be received by anyone on lodge premises for 1 hour before, during, or 1 hour after a tiled meeting of a Masonic Lodge.

Seven consolidations (14 lodges) were approved. Inability to get brethren to accept responsibility of office was cited as a principal reason.

Twenty-eight proposed amendments to the Code were considered and 8 more held over for future action. Among those approved were a directive that no lodge could confer the E.A. degree on the same date that the candidate had been elected to receive it, temporary suspension of any lodge not represented at the Annual Communication for two successive years, minimum lodge fees of \$15.00, and an increase in the Grand Master's salary to \$15,000. An amendment to permit collective balloting for candidates was rejected.

Although they had nothing to report, it is noted that there is a Committee on Legislative Liaison, comprising all Masons who are members of the State Legislature, to advise on legislative action affecting Masonry.

The cost of the Masonic Home was just under \$10,000 per resident (average 261 guests) exclusive of \$230,000 cost of "improvements." Next year this will rise to about \$11,500 and \$1.15 million will be needed for improvements, for a required budget of over \$4 million. The endowment fund is over \$22.5 million. About \$1.7 million is available annually from residents (pensions, insurance, payments on entering etc.).

The Masonic Children's Home had 19 residents and needs more to make the cost per child more reasonable (now near \$16,000 per child). The Board of Management report increasing interest in use of the Home and are cautiously optimistic about the prospects.

The Grand Lodge of the State of Espirito Santo (Brazil) was recognized.

The Grand Master, M.W. Bro. VanTassell, was reelected and installed for a second term.

Your reviewer has been placed on the mailing list for the Grand Lodge Newsletter. This is appreciated. There are 60 Proceedings summarized in the Fraternal Reviews. We are one of three Canadian Grand Lodges included. Special mention is made of our Operation Lifeline, Benevolence and the Masonic Foundation, as well as an extensive quotation from M.W. Bro. Nancekivell's Address (1977).

(Your reviewer is indebted to R.W. Bro. A. Lou Copeland for preparing this review. R.W. Bro. Copeland is the Grand Representative of the Grand Lodge of Israel near our Grand Lodge, and is an Honorary Grand Director of Ceremonies of the Grand Lodge of Israel.)

Freemasonry in the Holy Land dates its origin back to 1873 in what was then known as Palestine. The Masonic Grand Lodge of the State of Israel was consecrated in 1953. Grand Masters normally serve a one-year term. In the past some Grand Masters have served for 2 consecutive years.

M.W. Bro. Gross holds an important position with Revenue and Taxation, Israeli, a department of the Government of the State of Israel. His organizational and administrative abilities are so outstanding that he has been asked to stay in office for a 3rd term.

There are 57 active lodges in the jurisdiction situated in all parts of the country, from Safed in the North to Eilat in the South.

The main concentration occurs in the major cities of Tel-Aviv, Jerusalem and Haifa.

A new lodge is being consecrated in the city of Ra- anana which will be composed in the main of brethren from Rhodesia and South Africa, and will work in the English language.

Elections of the Grand Lodge Office Bearers for the year 1980-81 will take place on May 13th, 1980. The Grand Lodge of Israel maintains cordial relations with over 105 other Grand Lodges.

This past year has seen an increase in the number of visiting brethren, singly and in Pilgrimage groups. Amongst them have been two large delegations from the jurisdictions of Delaware and the District of Columbia in the U.S.A., headed by their respective Grand Masters. Smaller Masonic groups have come from literally all corners of the globe.

NOTE: At first glance the membership figures, when compared to the '78 figures, indicate a loss. However, the current figure is a result of the new method of reporting actual Masons, eliminating those who hold dual membership.

The reduction of American security forces has had serious impact on Masonry in Japan and its survival must depend on increasing Japanese membership and participation. This is recognized and fully accepted. The Grand Master put it this way:—

"--- We have many pamphlets that tell more about Masonry than before. --- Don't you think its about time for us to reproduce those pamphlets in the Japanese language? I do.

This is Japan and we have a Grand Lodge of Japan. Why then should so many of us who are foreigners be Grand Lodge Officers? --- Brethren let us do something."

The Grand Master is leaving Japan with his Japanese wife and children to live in Florida. He promised to come back every year for Grand Lodge. Two other Grand Lodge Officers are also leaving.

In spite of problems, charitable activities remain outstanding. The second Annual Children's Festival got public recognition. One lodge gave 4 scholarships of Y3,000 per month. A brother of the same lodge gave a xylophone concert and records went to various welfare organizations. Two lodges gave real assistance to orphanages. Grand Lodge Relief Fund made donations of Y295,000 for disaster relief and for a school for the handicapped. A donation of Y120,000 was made by the Sight Assistance Program.

The Translation Committee, having completed the ritual, is moving on to "the lodge system of Masonic Education" as well as revisions to the Constitution and the Code.

The new Grand Master's acceptance speech continued on the theme of his predecessor:—

"--- It is my opinion that we have not properly introduced Masonry to the Japanese on an individual basis. Almost all of us either work with the Japanese or live in the Japanese community. I think each of us should ask ourselves a few questions, --- Is my character such that it will gain the confidence and respect of the Japanese? --- How well do I know my Japanese neighbours? Do I know their families? Do I invite them to my home? Have I taken them to Masonic functions which could be attended by non-masons? --- I think many of us expect someone else to educate the Japanese in the ways of Masonry. (This is saying) 'Let George do it!' Brethren each of us is George. ---

All of us have a great task before us, I think we can be successful."

KANSAS - 1979

123rd Annual Communication — March 9, 10

Grand Master M.W. Bro. C. L. Gilbert presiding Grand Master M.W. Bro. W. N. Artz elected and installed Seven of eight Special Communications were for dedications. The other was to celebrate St. John's Day in December during which a wreath was placed on President Eisenhower's tomb.

Much of the large loss in membership flowed from 1,974 deaths as against 991 raisings. The Grand Master was more concerned with 1,033 suspensions and numerous drop-outs. He had no pat answers — only individual effort and follow-up with the W.M. and Wardens as focus. Two lodges were closed by amalgamations of which more are expected. The Grand Master "visualizes a time in the future when several lodges will meet in a district lodge so the facilities can be used each day of the week to conserve energy and costs."

The Masonic Home received much attention at Grand Lodge because the cost was \$1.75 million, there had been two changes in the "Administrator" during the year, with Medicare and Medicade the Home had to be open to anyone, there had been a newspaper article saying that the Home Board had been "ordered" to advise the secretaries of all Prince Hall Masonic Lodges in Kansas that the Home was so open, and a new \$2.5 million health care centre complex was planned with 120 beds. Your reviewer was unable to find the number of residents in the Home. The answers are that reasonable control of admissions is possible because there is a long waiting list from which special cases can be given priority; that the Prince Hall suggestion had resulted in the Prince Hall headquarters refusing to supply a list of their lodges, that the dollar requirements were so high that the Masons in Kansas could choose between raising \$15 million as an endowment, or providing \$1.5 million per year additional funds, or put up with government regulations, or shut up the Home, and that the new facilities were very badly needed because of obsolescence of the old ones. Present Home endowment is \$6.85 million and contributed over \$600,000 towards expenses. Insurance on the Home and contents is \$7.3 million.

The Kansas Masonic Foundation supports a cancer clinic at the U. of Kansas Medical Centre and also makes student loans.

The Committee on Public Schools sponsored their essay scholarship awards again. 138 entries were submitted on "What are the responsibilities of freedom." Prizes of \$800, \$500, \$200 and \$50 were given in the girls and also in the boys categories. The Committee recommended larger and more awards next year.

The Committee on Masonic Education held Warden's schools, district meetings. 4-man panel programs will be considered for the future as well as point/counterpoint exchanges on subjects such as "What does a man do with his religion when he comes into Masonry?", or "Do we display the beauties of art, drama and science when presenting the ritual?", together with topical subjects such as the Masonic Home or the Masonic Foundation.

The Committee on Foreign Relations dealt with matters both pleasant (congratulations to New South Wales on their outstanding celebrations at the opening of their new Temple) and unpleasant (an advertised cruise including an announced visit to the Grand Lodge of Haiti, which is not recognized as Masonic). The Committee on Correspondence reviewed 65 jurisdictions including our 1976 Proceedings. One quotation from the Grand Master of Maryland: "Freemasonry is what Freemasons are, nothing more or less. Let us allow our light to shine."

There were 10 Emergent Communications for dedications and cornerstones, two of which were non-Masonic; a Presbyterian Church cornerstone in De Ritter and the City Hall cornerstone in West Monroe. The size of the depository in the stone for the City Hall is not stated but the list of several hundred items sealed in it is staggering, starting with "three United States Flags and one Louisiana State Flag, including holders and staff," and continuing through 16 separate "statements" by civic officials, lists (e.g. "City Employees giving birthdays and addresses") newspapers, histories, maps and coins by the dozen, "a Louisiana Masonic Monitor," "A Masonic Lecture Book," "a complete set of 1978 dues cards of the various Masonic Bodies," numerous Masonic miscellany (e.g. "a catechism proficiency card of West Monroe Lodge No. 419," "a K.C.C.H. lapel pin, a Commandery medal," "a Ladies Blue Lodge Slipper" etc. etc.) and, believe it or not, "Ticket No. 5,000 to the Northeast Louisiana Shrine Club's Old Fashioned hot dog eating contest "

The Grand Master granted 16 permissions for sales or solicitations at lodge meetings, principally for Shrine or for youth group projects. He refused permission for a joint garage sale with the Eastern Star. He also refused permission for a lodge to use a civic flag in their ceremonies, "Only the United States Flag is sanctioned for all lodge meetings." One of his rulings approved the receipt of a petition from "a native of Lebanon" who had been resident in Louisiana for 3 years. He felt bound to do so because of precedent approved by Grand Lodge, but added, "(This is) not according to my personal opinion. I am unalterably opposed to an alien holding a principal office in a lodge. I also raise the question 'How can a satisfactory investigation be made of a foreigner?"

While Masonic bodies are exempt from State income tax, the lodges were reminded of heavy penalties (up to \$5,000 per lodge) for failure to file required returns.

In spite of committee approval, a resolution to increase Grand Lodge dues from \$1 to \$3 was defeated by a 404 to 329 vote. The escalating costs of operating the New Orleans Masonic Hall were recognized and a resolution was approved for a committee to sell the Temple for not less than \$2.5 million, subject to first refusal to purchase by the constituent lodges using the building and to a 3-year lease to Grand Lodge for their office space while new quarters were being obtained.

The Committee on Grievances and Appeals had numerous decisions to make. The Grand Master had suspended an I.P.M. for "improper and un-Masonic acts committed while he was serving as Master." The committee concurred, voided the brother's subsequent election as secretary of his lodge, but approved reinstatement as of the day following Grand Lodge. A "not guilty" verdict of a lodge for a brother convicted of "influencing another man to commit murder of a third party" and sentenced to hard labour was reversed and the brother indefinitely suspended. Another "not guilty" verdict by a lodge of a brother convicted of practicing medicine without a license and of contempt of court was, however, upheld. In another case, a brother, convicted of mail fraud in 1974, had applied for reinstatement from his suspension. His lodge had approved 68 to 32, the committee recommended no reinstatement, but Grand Lodge overruled the committee.

There were 49 children in the Home (age 3 to 17 and including 6 children from one family) at the end of the year. There was an operating deficit (including depreciation) of \$23,800, on a total

cost of \$221,800 or \$4,526 per child. The "net worth" of the Home is given as \$1.1 million.

Your reviewer found it of interest that there are three lodges in Louisiana which use a Scottish Rite Ritual. Etoile Pollaire Lodge No. 1, and Perseverance Lodge No. 4 in English and Cervantes Lodge No. 5 in Spanish. There are two lodges chartered as No. 1, Perfect Union Lodge No. 1 originated in the Grand Lodge of South Carolina in 1793, and Etoile Pollaire Lodge No. 1 had its organization in New Orleans in 1794. Both were charter members of the Grand Lodge of Louisiana as of August 15, 1812.

Tours organized by Grand Lodge to Finland and for a Caribbean Cruise were successful. In Finland, Grand Lodge was presented with a copy of "Masonic Ritual Music" composed by Sibelius.

The Grand Master was concerned with "a social club atmosphere and allowing the use of alcoholic beverages on (Masonic) premises." Slot machines had been found (the lodge had been offered 30% of the take!). Suspension of lodge charters would follow any future such incidents.

To promote public relations, a supplement in the Maine Sunday Telegram (Grand Lodge to subsidize half the cost and appendent orders being asked to cover the balance) "to tell the public the real story of Masonry" will be printed. "Many other Grand Lodges have used such a Supplement with great success." There was also a joint meeting of Grand Lodge and the State Officers of the Knights of Columbus at the Veteran's Administration Hospital.

The Grand Master ruled that newly raised Master Masons were not to be given or sign an application for membership in an appendent body until they had completed their M.M. examination,

but the Committee on Jurisprudence held that this ruling was not within his competence. He ordered joint mailing of Craft Lodge and Eastern Star notices terminated. He strongly supported a "Widows' Program" of individual attention to widows and maintenance of lodge and Grand Lodge files of names and addresses.

A Constitutional Amendment was approved giving the Grand Master authority to approve changes in time and date of lodge meetings in the event of civil emergency or disaster. A proposed amendment to require all lodges to hold their annual meetings in December was defeated.

The Proceedings of the Trustees of the Charity Fund are printed in the Grand Lodge Proceedings. Investments amount to \$1.35 million, and there are some \$130,000 in addition in special funds. 80 benevolent grants were made for a total of \$94,000 and some \$41,000 was reported as assistance from funds of individual lodges.

R.W. Bro. J. L. McCain, P.G.M. of Pennsylvania, gave a stirring speech at the Grand Lodge banquet based on "Every man in his place" and the story of Gideon.

Eleven Grand Lodges are reviewed in Fraternal Correspondence. We are not included.

After the Opening of Grand Lodge, the I.P.G.M. of Minnesota presented a Gavel to the Grand Master for his use during the year and to be returned to Minnesota for similar use

later so that "The International Peace Gavel" would be in the two jurisdictions as the Grand Lodge Gavel in alternate years.

The Memorial Address of R.W. Bro, J. G. Fairclough, Grand Chaplain was outstanding:—

"--- We must have a living doctrine, related to our way of life, not an intellectual formula, else what we teach our candidates becomes a hollow sham. As time goes on we will find more and more thoughtful brethren who will say not 'Is it according to ancient form?' but 'Is it right?'

We still venerate the V.S.L. and this Book illustrates from cover to cover the principle of change. In the Book of Genesis the name of God is Elohim — the Strong One --- a good name, but it changed by the time we come to the Gospels which speak of God as 'Our Father'. The values remain, but our experience convinces us of the need for development (a better word than change) even in our relationship with God. We cannot linger indefinitely in the old paths, nor can we constantly choose the easy way. ---

--- It is the nature of the Divine Architect to create, and this gives us a clue to the meaning of the world-process. All real faith must begin with a judgement value and is founded on experience. ---

R.W. Bro. Fairclough has served as Grand Chaplain for 10 years as well as assuming other Masonic duties. He was given the Grand Master's Award for Merit.

The Grand Master's visit to the northern lodges at The Pas. Flin Flon, Churchill, Lynn Lake and Thompson was an odyssey of friendship, hospitality and encouragement. "We even had our own pilot." These lodges are directly under the Grand Master, being outside any of the Masonic "Districts."

The Board of General Purposes (elected for staggered 3-year terms) met 5 time during the year (averaging attendance 46). Current and long-range problems were considered and there was consultation with D.D.G.M.s at each meeting. Because the membership loss has decreased recently they were more optimistic in view of younger candidates etc., but the Grand Master, in his Address, was realistic, "We have had a steady decline for --- 20 years, one right after the other. --- one of our Districts from 14 lodges to 6 --- we do have problems and should be trying to do something about them." Approximately one-third of the lodges did not have any candidates.

General funds were \$9,500 in the black, and the Benevolent Endowment Fund now over \$355,000. It is noted, however, that \$280,000 of this is in a mortgage to Masonic Memorial Temple Ltd. — a dangerous proceeding if the experience of Quebec and of the District of Columbia is considered. One of the benevolent grants provided a Phonic Mirror Handi-Voice to enable a brother to speak.

The Grand Secretary is in course of retiring. M.W. Bro. Rankin will carry on with reduced duties for a year. The new Grand Master, M.W. Bro. Bingeman, has a year's leave from his position and will devote full time to Grand Lodge including Grand Lodge office.

Your reviewer had been delighted to meet the then recently installed M.W. Bro. Reesor Bingeman at our Grand Lodge last year. The Grand Master's late father and mother had shared a warm and most pleasant friendship for many years with your reviewer and his wife. It is his belief that the Grand Lodge of Manitoba is in good hands.

Both the Semi-annual and the Annual Communications are "full" in that all committees report and necessary decisions are taken. There was 1 Special Communication for laying a cornerstone of a Temple.

In his Address at the semi-annual meeting the Grand Master included the text of a paper "Tradition versus Change" he had given at the Conference of Grand Masters and Grand Secretaries at Washington. Its provocative suggestions deserve attention:—

"--- I believe in tradition --- one of the great joys of my heart is the celebration of Christmas in our home with the family. These are traditional practices that have been followed in our celebrations for three generations. --- Tradition has a way of keeping alive the truths and basic elements of our lives that need to be preserved in order that life may be fully lived, pressed down and running over.

--- (Yet) following tradition --- can be a most lazy way to handle many situations. --- When Bismark was Prussian ambassador to the court of Alexander II in the early 1860's. he (saw) through a window a sentry on duty in the middle of a vast lawn. He asked the Czar why the man was there. The Czar asked the aide-de-camp. He didn't know. The general --- was summoned and replied: 'I beg to inform his majesty that it is in accordance with ancient custom.' 'What is the origin of that custom?' --- 'I can't recollect at present.' 'Investigate and report the results,' ordered Alexander. The investigation took three days. --- It had all started one spring morning in 1780 when Catherine the Great looked out her window and saw the first flower thrusting its head above the frozen ground. She ordered a sentry to be posted to prevent anyone picking the flower, and in 1860 there was still a sentry on the lawn.

--- Somehow we have gotten into our heads --- that Masonry is practically ageless --- and to start tampering with it not only would undermine its foundations, but is also downright treason. ---

Some may be saying here, 'Yes, but change is dangerous.' To be sure it is. It is probably the most perilous thing in the world. But there is one thing more dangerous than change. It is not to change. ---

First, I would suggest the possibility of changing our requirement --- that no man is to be solicited. --- Open solicitation of excellent men (should be considered) --- Membership continues to decline and I do not feel our present public witness to Masonry is strong enough to stop it.

A second change --- is an up-dating of some of our ritualistic procedures, (e.g. in opening and closing, in changing from one degree to another), --- why take time to communicate messages from the East, to the West, to the South. ---

There needs to be more openness --- with the general public. Many jurisdictions --- have adopted open installations. ---

--- Constitutions, By-Laws, Edicts (need screening), from out-dated requirements.

--- We need to rethink our position on prohibiting certain Masonic-sponsored events on Sunday at hours which do not conflict with Sunday morning services. --- Let's face the facts. People still go to athletic events on Sunday --- they still dine out. --- Such a change needs to be considered with sound reasoning and logic and just good down-right common sense. --- [Please remember M.W. Bro. Stetler is a clergyman]

Where we agree things should be changed for the good of the Craft, change them. Otherwise, I can foresee the time coming when we will wish we had. May God give us the strength and vision to do so."

There follows a list of changes in 19 jurisdictions which the Grand Master had verified, including public installations (7), Table Lodges (2), change in regulations re alcohol (5), non-Masons allowed to address meetings, better budget information and control (2), use of slides in lodge lectures, requiring prenomination of Grand Lodge Officers, limiting term of office on major Boards, waiting period between M.M. degree and petitioning coordinate bodies, concurrent state-wide jurisdiction, group insurance etc. etc.

Our M.W. Bro. Robert Davies attended the Annual Communication. The Grand Master continued on the same theme:—

"---My greatest concern is the decrease in the number of candidates. --- (We must) bring Masonry out from behind the tiled door. --- We have made strides. --- One lodge reported 30 special events, 22 involved open meetings and activities with the families involved."

Grand Lodge, at the semi-annual meeting, had rejected permitting public installations on an optional basis.

A Committee charged with complete revision of the Constitution had completed their draft, but presentation to Grand Lodge was given at least a 6-month hoist to deal with many criticisms by senior members filed before the Annual Communication.

Sale of 350 of the 425 acres of Bonnie Blink (Masonic Home property) had been approved for \$12 million in 1973. Zoning problems and related court actions had delayed the deal until the buyers were no longer interested. Another developer is now

proceeding with plans including a large shopping centre. Some payments have been received. Future payments depend on progress.

There were 144 guests in the Home. There was a \$85,000 surplus over \$1.54 million expense. Revenue came 11% from lodges, 54% from endowment, 28% from residents. "Corn Husking and Harvest Home Day" was its usual success.

One of the Special Communications was during a 5-day visit of the Grand Master, accompanied by some of his officers and their ladies, to the U.S. Naval Station at Guantanamo Bay, Cuba. The lodge there is very active (30 initiations, much the largest in the jurisdiction) but has tremendous turnover. It increased membership from 175 to only 177 as a result. One year it had 3 secretaries!

The Grand Master clarified the regulations for alcoholic beverages. These could be served only after the lodge was closed and only with permission of the lodge or Temple Association. A Temple Association may not take out a general liquor licence. He reaffirmed previous rulings that lodge funds for charity were restricted to Masonic charity (lodge, Grand Lodge, and named charities of coordinate bodies). He had permitted, as a pilot project, the sponsoring of bingo and the like by a few lodges prior

to a decision by Grand Lodge. Grand Lodge barred such games by a 487 to 303 vote.

With reference to special costumes and regalia for degrees, these require permission of the Grand Master. M.W. Bro. Maxwell quoted from "a statement made in 1896":—

"--- that it should always be a cardinal principle to endeavor to inculcate the moral precepts, rather than exhibit our dramatic abilities; to appeal to the higher nature, rather than to the love of the spectacular. --- We should strive to cultivate that impressive and intelligent simplicity, which is always the most appropriate vesture for such truths."

Fees for degrees vary from the \$31 to \$40 bracket to the \$201 to \$210 bracket. Cost of operating lodge quarters include 9 lodges from \$100 to \$500 to 7 lodges over \$7000.

In his last major address as Grand Master to Grand Lodge (Quarterly Communication of December 14) M.W. Bro. Maxwell emphasized individual responsibility in a very pertinent way:—

"It takes a wise man to recognize that, after we have tried every conceivable shortcut, after we have been given all the instant answers --- we come back to basic principles. That is what the philosopher Goethe wanted to convey when (in 1827) he wrote the simple words; 'Let everyone sweep in front of his own door and the whole world will be clean.'

As Masons we know he was right. The most important issue of all is personal responsibility. --- It is much more exciting and much more thrilling to talk about rights, —'demanding your rights' is popular. --- It is time to make clear that human happiness, as well as the welfare of our nation, depends on accepting personal responsibility.---

The responsible person believes in achievement. It is distressing to realize that pride in accomplishment is seen as almost a negative idea today. --- Being mediocre (seems) of greater value than aiming for the stars. We have the basic responsibility to keep alive the idea that each of us has the inner capability of achieving greatness. It may seem trite to say that the fate of the world depends on each man sweeping his own doorstep, but it happens to be true.

Achievement and, then accountability. This is another unpopular idea. (Today) Children blame their parents. Parents blame the schools. Employees blame the boss. And everybody blames the government.

The responsible person --- recognizes that there should be a relationship between productivity and pay. Putting in time on the job is not the same as being a productive worker. Sitting in a classroom is not the same as being a student. Wearing a Masonic emblem is not what makes a man a Mason.

Achievement, Accountability and (then) Urgency. Only with an overwhelming sense of urgency will we accomplish anything worthy to be remembered. --- The man who lives by these basic principles is not worried about his rights. He is too busy building a solid life --- constructing his community, --- working for his country. He has discovered a great truth: If I sweep in front of my own door, the whole world is a better place."

Our M.W. Bro. Robert Davies spoke briefly at the St. John's Day Banquet at the Stated Communication. The new Grand Master, M.W. Bro. Melanson had been installed previously. The Deputy Grand Master is an appointee of the Grand Master and is not in direct line for the Grand Mastership.

The Masonic Home ended the year with 88 residents in the Home and 59 in the Hospital "Juniper Hall." Total costs were just under \$1.6 million. Residents' funds covered 41% of this and endowments 36%. The balance was more than made up by the \$5 per member assessment. Grand Lodge as a whole (including the Home) ended with some \$300,000 excess revenue over expenditures.

One of the Special Communications was to unite two lodges. The ceremony, printed in full, is almost masochistic in its detail of charter surrender and disposition of property and assets.

Dispensations will not be granted over the telephone in the future except by the Grand Master personally and then only under unusual circumstances. "Telephone dispensations" had been abused by failing to follow-up with written requests.

A required reprinting of the Candidates' Ciphers and the Official Cipher provided an opportunity for important changes. Effective in March 1979 when these are issued the catechisms (68 questions 1st Degree; 38, 2nd Degree; 48, 3rd Degree, each plus obligation) will be printed partly in bold face type. Only the bold face portion will be essential, the remainder being optional at the discretion of the W.M. This should result in reducing "drop-outs." The penalties in the obligations will also be modified (to the "traditional" wording?).

The Grand Master was, properly, deeply concerned with the membership loss. In his Address at the December Quarterly he not only stressed personal checkup on demits and suspensions but continued:—

"We also need to do what I will call particular procurement.
---You all know particular men, upright men of good moral character who ought to belong to the Craft, to your lodge. There is nothing to prevent you from asking this man if he has ever thought of becoming a Mason. There is no reason that you should not seriously cultivate this man for Masonry. Cultivation is the process, not pressure. If you believe that Masonry has something important to offer this man, that will enrich every facet of his life, you should not deny him the opportunity. --- There are still men waiting to be asked to join Masonry. We can no longer afford the luxury of hiding our light under a bushel. The final decision --- is the individual's alone. It is of his own free will and accord. You are blazing the trail; he must decide whether or not to follow it."

The Grand Master also strongly supported DeMolay.

Our Grand Master, M.W. Bro. Robert Davies, spoke, representing Canadian Grand Lodges, during the St. John's Day Banquet at the Stated Communication at which M.W. Bro. Melanson was re-elected and re-installed.

The 4 traditional toasts at the St. John's Day Banquet may be noted:—

"To the Memory of the Holy Saints John. May their saintly qualities inspire each of us to live a life of more exalted usefulness.

To the memory of our Illustrious Brother George Washington. May his integrity of character, his dedicated service to his country, and his devotion to our beloved Craft ever be the criterion of our own aspirations.

To the memory of our Departed Brethren. May their contributions to our Brotherhood inspire us more earnestly to dedicate our lives to the services of our fellow men.

To the Fraternity wheresoever dispersed upon the face of the earth. May Masons of all nations be united under the mantle of universal friendship and brotherhood for the benefit of all mankind."

The "Grand Master's Day" at the Masonic Home was a big success, some 4,000 people joining for a family picnic and a fun time as well as a visit. At the end of the year there were 84 residents in the Home (cost \$8,200 each), and 61 in hospital in Juniper Hall (cost \$11,300 each). Consolidated revenue (Grand Lodge plus Home) exceeded expenses by \$55,000 but extensive improvements are required in Juniper Hall.

Lodges 523 Membership 129,156 Loss 3,636

Our M.W. Bro. Davies attended and responded at the reception of distinguished visitors. M.W. Bro. Schwartz had been at our Annual Communication.

The Grand Master's Address was a crazy-quilt of the good and the bad. "All matters" relating to the 1970 strike at the Home had been resolved and he was pleased with the operation of the Home, but he found the response to "the Grand Master's Annual Appeal" of \$116,000 "terrible" in that only 6% of the brethren responded. A Cancer Telethon by Grand Lodge for the American Cancer Society fell through because the "many safeguards demanded" by both Grand Lodge and by the Society could not be

satisfied. Committees on Community Relations and on Insurance did not function as he had hoped. A Masonic trip to Israel, largely organized by Perfection Lodge No. 486, which the Grand Master and his wife joined, was highly successful and meaningful. He approved the remission of Grand Lodge per capita from a lodge whose premises were destroyed by fire and ordered "outside relief" to a P.M. and to a Secretary who had lost two herds of fine cattle to chemical contamination as well as their barns by fire. He approved the acceptance of two petitions from candidates who were "legally totally blind," and had been advised that they were active now as M.M.s. He reprimanded a Master who was "grossly misquoted, statements misconstrued and taken out of context" by a smart reporter whose article caused animosity and discontent. He also reprimanded a Master who acted on a request for a demit of a brother who was in the penitentiary, declaring the demit null and void and ordering charges laid. He approved two amalgamations and the moving of two lodges due to city-core problems.

Nominees for office in Michigan are not only allowed to name two tellers but are given an opportunity to speak at Grand Lodge on their own behalf before the ballot! There were 3 nominees for Grand Marshal, the beginning of a 7-year line to the Grand Mastership. Electioneering is not confined to Grand Lodge as the brother elected (after 2 ballots) had said that he had attended 40 Schools of Instruction and "listened to over 400 Worshipful Masters and their representatives." Your reviewer must admit that he was not amused to note there were pre-ballot speeches by 2 candidates for the office of Grand Chaplain.

Under the code, Masons attending church services as such may not wear regalia or jewels. A resolution to permit wearing Masonic clothing at a "church, synagogue or other house of worship" subject to a written invitation, unanimous approval by vote in lodge and permission of the Grand Master, was ruled out-of-order.

The Board of Directors of Grand Lodge and the Executive Committee each met 6 times during the year to take numerous administrative and business decisions. They employ an Investment Counsel at \$25,000 per year. The "Recognized Assets" of Grand Lodge are \$25.5 million of which \$20.8 million are Home endowment and other Home funds, the balance of \$4.7 million being operating funds.

The next year's budget for the Home of \$3.3 million was approved after sometimes confused discussion. The year ended with 276 residents and a waiting list of 101. An amendment to increase per capita dues to Grand Lodge from \$3 to \$5, largely for Home purposes, was defeated. There is \$1 million in the "restricted" portion of Home Funds. Several changes, including major kitchen renovations, have to be completed if the licence to operate is to continue. The Grand Treasurer's motion:—

"--- that in order to comply with the requirements of the State Board of Health, Michigan State Hospital Association, and all the myriad of other Michigan organizations, bureaus, departments etc., which investigate, which dictate to us how we operate our Home ---"

expenditure of restricted funds, not to exceed \$1 million, be approved for remodeling, rebuilding or refurbishing, was approved by Grand Lodge.

The Committee on Fraternal Relations reviewed the situation in Italy (no recognition until there is a new Grand Master), Cuba ("Michigan Lodges should turn away all would-be visitors from the Cuban Grand Lodge in Exile"), Saudi Arabia (persecution reported) and Wisconsin (action re Prince Hall Masonry noted).

There is a Committee on Masonic Historiology. That is a word your reviewer had never seen before, but his Oxford Dictionary says it has been in use since 1616. The report is a biography of Oliver Williams—Ship Builder—Merchant—Hotel Keeper—Farmer—Indian Peacemaker—School Founder (and, of course, Freemason).

The Children's Home has 24 children ages 4 to 17. The new dining room and kitchen will make a big improvement and other changes are planned. Cost was \$90,000 (\$3,750 per child). The 1st of 9 Emergent Communications was to dedicate, consecrate and constitute Singing River Lodge No. 633 (the number of lodges remained the same as there was one consolidation during the year). The 2nd for a cornerstone for the Veterinary Science Building at Mississippi State University, the first to be laid in a State owned building in over 60 years.

The Grand Master suspended one lodge for gross delay in filing returns to Grand Lodge. The returns were in 4 days later! He was very active in Masonic Home work, joining, with his family, a 4-day special trip of the Home children to Opryland in Tennessee.

The Home had 25 children, age 7 to 20, total cost \$154,000 or \$6,150 per child. Revenues were sufficient to increase the reserves by over \$30,000.

By contrast, the General Fund was \$38,000 in the red. Grand Lodge approved fees increases including raising the per capita to \$5 from \$4 to take effect the following year.

Grand Lodge made W. Bro. Adams an Honorary Past Grand Master for "long and faithful service assisting the Grand Secretary." Bro. Adams had retired due to illness.

The Grand Secretary reported what seems to your reviewer to be very great variation in degrees conferred by individual lodges, range 112 (2 other lodges over 90) to zero (27 lodges). The previous year the high was 131 degrees, 4 were over 90 and 29 did not work any degrees.

The report of the Fraternal Correspondent is a single page, chiefly commenting on membership losses. The need for good public relations and more community activities is stressed.

Special Communications of Grand Lodge for public purposes were exceptional for any Grand Lodge, let alone one of Nevada's size: a Senior Citizens' Building was dedicated, cornerstones were laid for an Elementary School, for a Rehabilitation Centre, for a public library, for a branch library, and for a Senior Citizens' Service Centre. Each of these was carefully organized with support from appendant bodies, and in the presence of such dignitaries as the Governor of the State, an Associate Justice of the Supreme Court, as well as local officials. In addition, the original cornerstone of the State Capitol, laid by Grand Lodge on June 9th 1870, and subsequently "lost" during a reconstruction, was recovered and opened. The contents, of which there was no written record in Grand Lodge, included a "Canadian pence coin 1859" and a "Nova Scotia coin 1864." The items will be with the Nevada State Museum for safekeeping and public display until returned to the remodelled State Capitol in about a year when a second box with present-day memorabilia will be placed alongside.

Another Special Communication instituted Nevada Lodge of Research U.D.

The Grand Master issued an edict that no Master Mason expelled or suspended by Nevada "or any other jurisdiction," was to retain membership in or attend any tiled meeting in any Shrine Temple.

Grand Lodge added the Eastern Star to the "official" list of bodies to which Nevada Masons could belong. (Of course, they had so belonged for years, — this was merely a formal action). A "widow's pin" was also approved.

The Grand Master denied a request to form a "Lodge of Past Masters." Grand Lodge approved a charter for the Lodge of Research U.D. and assigned it the number 2, the lowest "vacant" number on the roll.

It is indeed encouraging to see a gain in membership in a Canadian Grand Lodge. The Grand Master, who attended our Grand Lodge in July, visited every lodge in his jurisdiction during the last year of his 2-year term. He too is encouraged by greater enthusiasm and activity in the jurisdiction. 40 of the 49 Worshipful Masters were at Grand Lodge. Only 2 lodges were not represented. Only 4 lodges had no candidates.

The 16th Biennial Conference of Grand and District Grand Lodges of Canada was held in St. John. Serving as President of this Conference was a highlight of the Grand Master's year. Another was the investiture as Past Senior Grand Warden of V.W. Bro. Franchetti, Past Grand Chaplain, who is nearly 100.

There was over \$4,000 surplus revenue over expenses in general funds. The Quinn Trust account now has assets of over \$300,000. The Finance Committee recommended that the capital remain intact and only the interest be used for purposes as approved by the Board of General Purposes and Grand Lodge. The "Quinn Library" will be established. Other recommendations allot

the interest from \$110,000 to post-graduate scholarships, and from \$127,000 to provide \$250 per lodge.

One lodge held their Annual Church Service in a Roman Catholic Church.

There were 2 Special Communications and Lodges of Instruction were held under Grand Lodge auspices in each of the 8 Masonic Districts.

Restoration of the William Pitt Tavern Building, the site of the founding meetings of this Grand Lodge, is under active consideration as a 200th Anniversary project. At the Semi-Annual Meeting a motion, introduced to assess each member \$30 (payable over 6 years if desired) for this project, was tabled. Adequate data were still not available at the Annual Communication and action is reserved to the next Semi-Annual Meeting.

The Grand Lodge offices are being moved to the Masonic Home for economy. The Home had 30 residents, cost \$11,300 each. Only 7% comes directly from Grand Lodge. Endowments (\$2.6 million) and residents covering the balance.

An amendment to the Constitution directed Lodge Secretaries to notify all brethren in arrears on August 1st as to their indebtedness.

Recognition was withdrawn from the Grand Orient of Italy and the Grand Lodge of Pernambuco, Brazil recognized. DeMolay was strongly supported.

Approval for amalgamation of two lodges was approved. A charter was approved for General William Whipple Military Lodge. This latter lodge plans celebration of Revolutionary War dates to culminate in a pilgrimage to Yorktown in 1981.

Five Special Communications included the traditional St. John's Day Service on the Sunday nearest June 24th. Each of the 8 Districts held Lodges of Instruction under Grand Lodge.

The project to restore the William Pitt Tavern was discussed at length at the Semi-Annual Meeting. The decision was to proceed relying on voluntary contributions, although some brethren doubted that this would yield enough capital. \$500 will be set aside each year to finance 200th-year activities in 1989.

Grand Lodge offices were moved to the Masonic Home. This will certainly help to reduce the impact of rising expenses but "simply staying in business is a cause for concern." General fund was \$8,000 in the red above \$92,000 revenue.

The Grand Master will serve as Conference Chairman for the 1980 Conference of Grand Masters of Masons in North America. During the year he issued dispensations for 21 Table Lodges, as well as presiding at a Table Lodge at the end of the Semi-Annual Communication. He urged more "family participation" and "semi-public" meetings for presentation of awards. The Jurisprudence Committee commented that he may have been too liberal in dispensations to shorten the time between degrees.

Recognition was restored to Italy in view of their new Grand Master.

Thanks to large "entrance receipt gifts," the Home cash receipts exceeded expenditures by over \$126,000, although the cost per resident rose to \$13,300, due in part to only 26 residents in the Home at year end.

Constitutional changes included giving the Grand Master some discretionary power as to presence of non-Masons in public processions which included the Craft. The term of office for D.D.G.M.s was reduced from 2 years to 1 year.

The Grand Master was re-elected and reinstalled for his 2nd term.

The Grand Master, M.W. Bro. Wright, is a mechanical engineer on the staff of the Re-entry Vehicle Aerothermodynamics Division of Sandia Laboratories. He was honoured by being elected Chairman of the 1979 Conference of Grand Masters of North America held in Colorado Springs.

The Grand Master observed "that the public image of Freemasonry is good among those who know about us. (But) many people today, especially the young, have not heard of the Fraternity and when they have, they equate it to the Shrine. --- We need to be less reserved in our dealings with our non-Masonic friends. Let them know you are a Mason. --- Don't be a 'Masonic Secret'." He emphasized the importance of a Masonic presence in small communities.

A firm edict was issued relative to the Shrine by-law on Masonic offences. "The Grand Lodge --- is the supreme authority within its jurisdiction. --- All other masonic bodies are strictly forbidden to try a Mason for unmasonic conduct or to retry on such charges or to review the results of such a trial."

An actuarial plan for purchase of life membership, either by lump sum or by installments, will be presented for action at the next Annual Communication

The Committee on Public Schools gave a very strong report condemning teacher union politics, lack of adequate student grading and ranking, and failure to recognize the difference between excellence and adequacy. They had submitted articles during the year for publication in The Freemason. The Grand Secretary had not published these, presumably because they were so positively controversial. The report was uncompromising in advocating action and involvement by the Craft and changes in the editorship of The Freemason. The report was "accepted only — not adopted."

The Committee on Fraternal Correspondence recommended continuing recognition of Italy now that there is a new Grand Master there. No action was taken to recognize Uruguay, who now assert that they comply with basic Masonic requirements. The action of Wisconsin in recognizing the legitimacy of the Prince Hall Grand Lodge of Wisconsin was reported "as information only."

Cornerstones of the Woolworth Community Library, Jail, and of a Masonic Temple at Rio Rancho were laid at Special Communications.

The Proceedings list the addresses and telephone numbers (office and home) of all Grand Lodge Officers, Worshipful Masters and Lodge Secretaries as well as the names of all lodge officers.

Our M.W. Bro. Bruce B. Foster represented our Grand Lodge at the Annual Communication.

This Grand Lodge has the largest membership loss of any jurisdiction and this will continue until the age mix yields deaths much less than double the number of raisings. There was a loss of 14 lodges, 27 consolidating into 13. Swings in membership have been very great. The highest membership recorded was 346,413 in 1929. This fell to 240,193 in 1942, climbed to 308,459 in 1956 and has been falling severely ever since. "Clearly these statistics are not inspirational." Part of the story is the working out of the abnormal post-war boom when raisings skyrocketed from 8.036 in 1943 to 16,494 in 1946 (and are now at a low for the 20th century of 2,799). The Grand Master, completing his second year in office, has been trying to stabilize things, advocating "The Pursuit of Excellence" and "Greater Excellence through Motivation." The old big boom philosophy just has not worked (at least Masonically). It is hoped that a more realistic and, ultimately, more valued and valuable place for Masonry in society may mature.

Reports of the numerous committees were preprinted and not read, their adoption being moved and brief debate following. Here are notes on a few that seemed different from the usual:—

The Committee on Lodge Sales provides for sale of supplies to lodges. They had receipts of nearly \$280,000 and turned over \$67,000 profit to Grand Lodge. The report refers particularly to Masonic birthday, get-well, and sympathy cards. They have a sales room in the Grand Lodge building.

The Committee on Community Service promotes this at the lodge and at the district level. \$80,000 was raised in one district for diabetes research. One lodge provides a free blood-pressure check-up service, another works with the Association for Retarded Children. Two lodges combined to reconstruct a widow's home damaged by fire in which her husband died, to provide a new heating plant for the home of an elderly member of the Eastern Star, and to help the local Firemen's childrens Christmas Party. Numerous other examples are cited.

The Masonic Charity Corporations Committee report organization of 14 District M.C.Cs, and more are being formed. They are regional tax-exempt bodies raising funds for charitable purposes primarily by promotion of local events. An annual charity ball raised \$6,000. An "Oktoberfest" has 1,300 attending and raised \$3,000 for Masonic and local charities. Another group got pledges of \$30,000 for the Masonic Home. "There are intangible benefits of bringing Masons, their families and friends together socially on a broader basis."

The Committee on Masonic Fellowship organizes bowling, golf, photography, fishing, baseball, campers clubs, gun clubs, marine clubs, art contests, archery, trap and skeet, glee clubs, snowmobile races, card clubs, chess, track, hiking, billiards, ping pong as well as picnics, cruises, air trips to Europe, youth activities, — you name it!

The Committee on Service and Rehabilitation provides voluntary service at 13 different Veterans Hospitals.

The Masonic Home and Asylum had 518 guests. Total expenses were \$6.8 million, revenue \$5.5 million and "support" (legacies and special contributions) \$4.4 million. Obviously some of the "support" has to be used for current requirements. The Grand Master has strongly promoted a \$7.5 million extra endowment package which is progressing. Current financial assets are \$17.4 million unrestricted and \$1.2 million restricted.

The Masonic Medical Research Laboratory had \$875,000 expenses, \$3,000 over the year's revenue and support. There are over \$1.4 million in unrestricted funds in reserve.

In spite of the strong representations and objections of Grand Lodge, the Grand Lodge of England authorized and approved the transfer of one of their E.C. Lodges in New Zealand to a new location a significant distance away. The background and extensive relevant correspondence between the Grand Secretaries was published in full in the "New Zealand Freemason" together with the decision of the New Zealand Board of General Purposes that Masonic communication between the moved lodge and its members with lodges and Masons of New Zealand constitution was barred for as long as it remained in its changed location. Relations with other E. C. Lodges remained unaffected. Both sides have taken the position that a matter of principle is involved. With the information and correspondence before him, your reviewer is of the same personal opinion as he expressed in his review last year. It is regretted that a satisfactory solution could not have been found before the situation hardened

Grand Lodge is, properly, very concerned with the continuing membership loss. There has been a loss each year since 1964. Present membership is 7,634 below the peak and the loss now reported is the highest annually to date. Two strong suggestions came from consideration of the numbers:—

"--- make it a personal issue that you see each one of your members. How many Masters (can) in fact, — say they personally know each one of (their) members? ---

There are suitable people in your community who you feel could be admirable members of your lodges. I am not suggesting soliciting --- but there are ways in which people can be made interested in Masonry ---"

The Grand Superintendent of Works presented a comprehensive report on Lodge Buildings with recommendations for the establishment of a Masonic Building Board of Management who could authorize loans etc. for renovation and for new buildings.

"--- Lodge Rooms --- number 250, with an average age of 50 years, showing that most predate all modern codes for structure, strength, fire and safety standards. --- Country Lodges are in a more difficult situation (than city lodges) with falling membership and greater distances between lodge rooms and, in most cases will require financial assistance."

The recommendations will be dealt with by the Board of General Purposes. Current accounts of Grand Lodge are in the black. General funds have a NZ\$1.1 million in investments and charitable funds of NZ\$2.8 million.

Voluntary donations of NZ\$130,000 (average NZ\$3.25 per member!) with available interest permitted benevolent expenditures including NZ\$34,000 in annuities to 117 individuals; other grants to 36 individuals and for special purposes of NZ\$14,500; NZ\$50,000 to Kirkpatrick House (a home for young girls whose Board includes representatives of the English, Scottish and Irish Constitutions as well as New Zealand); NZ\$10,000, plus NZ\$11,000 in matching grants for donations by New Zealand brethren, for flood relief: NZ\$14,000 for 45 bursaries (33) secondary school, 12 university); and acceptance of a contingent liability of NZ\$20,000 per year for 5 years for redevelopment of the Papakura Masonic Boys' Home. In addition NZ\$200,000 in interest free mortgage bonds went to some Masonic Association Trust Boards (these have title to and operate Masonic Homes and Villages) and NZ\$80,000 at a preferred interest rate to another such trust

Two proposed ritual changes were debated. One, in the funeral service, was approved. The other which would have changed the charge "never losing sight of the allegiance due to the sovereign of your native land" was rejected.

Your reviewer, his wife, a daughter and an 11-year old granddaughter included over 2 weeks in New Zealand as a major part of a February holiday (late summer in New Zealand). As we travelled we were met by 5 Provincial Grand Masters (our D.D.G.M.s) and the Grand Master and Mrs. Ashby spent a very pleasant evening with us when we were near their home. We were never allowed to feel that we were strangers. We found brethren and friends everywhere. We are deeply grateful.

Nine Emergent Communications included laying the cornerstone for the new Scottish Rite Temple in Charlotte.

The Grand Master held "area meetings," rather than attempt visits to each of the 65 districts. He had to take drastic action in one lodge where there was serious dissent. The W.M. was ordered to remove four of his officers, including both Wardens, from office and they were barred from further lodge office for 5 years. This decision was upheld on appeal to the Jurisprudence Committee and confirmed by Grand Lodge. A decision of interest dealt with 18 lodges having concurrent jurisdiction. Sixteen of these increased initiation fees to \$100 and the Grand Master ordered the remaining 2 to do likewise, as the Code requires uniform fees for initiation among such lodges.

The Grand Master constituted one lodge previously U.D. Grand Lodge approved a charter for another lodge also U.D. The Proceedings include facsimiles of the appropriate charter documents.

The Masonic and Eastern Star Home which had 156 residents (cost \$6,000 each), showed a deficit of \$34,000 over \$906,000 revenue. The latter was derived 39% from guests, 33% from Masonic sources, 20% from the Eastern Star and only some 3% from endowments. Next year's budget is \$1.15 million and the number of guests will be increasing as 16 apartment units for independent living are being added.

The Oxford Orphanage Inc. has 172 children, only 2% from Masonic families. Donations from Grand Lodge were over \$400,000. Total budget was \$1.5 million. The Proceedings of Grand Lodge were printed in the Orphanage printshop. "Our dairy herd is becoming well known — we sold 2 calves for \$1,500 each — and a heifer for \$10,000." It is planned to hold future Grand Lodge St. John's Day celebrations at the orphanage. "Our goal in future years is to have every lodge in North Carolina participating in the orphanage."

The Grand Historian's report shows that the original title of Grand Lodge in 1787 was "The Grand Lodge of Ancient York Masons of North Carolina." There were several other changes until the present "Ancient, Free and Accepted Masons of North Carolina" was adopted in 1867. Grand Lodge chartered the Grand Lodge of Tennessee in 1813, the only case where one U. S. Grand Lodge chartered another.

The Grand Master, completing 2 years in office, had visited every lodge in his jurisdiction, some 2 or 3 times. He was frequently at the Masonic Home in Windsor, and had some kind of Masonic contact nearly every day. He enjoyed a tour to Spain and Africa organized by Truro Lodge No. 43 when 90 "Masons and friends" were together for 12 days.

St. John's Lodge No. 2 celebrates its 200th Anniversary in 1980 and special ceremonies are planned. The Grand Historian reported that Grand Lodge had been offered the (written) text of the first Masonic Sermon preached in St. Paul's Church, Halifax on June 24th 1785. The price was too high but permission was granted to make copies for Grand Lodge files.

The Board of Ritual "devised" a memorial service, and also "designed" "a relatively short lecture" for use when the M.M. apron was presented.

The Grand Treasurer resigned after 13 years in office. An amendment to the Constitution requiring the Grand Secretary and Grand Treasurer to live within commuting distance of the Halifax-Dartmouth area, or to undertake to move there as a condition of election to office, was approved.

Another motion would have permitted quarterly notices to be issued by lodges containing "time, place and date of each meeting in that quarterly period under separate headings," Your reviewer was unable to find out its disposition. It is assumed that it was laid over

The Masonic Home operated with a nominal surplus. Cost for each of the 55 residents was \$5,300. Revenue came 55% from guests' assigned pensions and contributions, 31% from endowment and 12% from Grand Lodge funds. As in previous years there was a significant donation from military lodges in Germany which brethren in our Armed Forces attend.

Our Grand Master, M.W. Bro. Davies attended the Annual Communication and spoke in response to the reception of Distinguished Guests.

From his Address at the dinner at our Grand Lodge in 1978, the brethren here know what a dynamic person M.W. Bro. Rasor is. His Address (59 pages of the Proceedings) bristles with activity in his efforts to rouse "the sleeping giant which is the Grand Lodge of Ohio."

There were 33 Emergent Communications; 1 to constitute a new lodge (the number of lodges remained the same as there was 1 amalgamation), 5 cornerstones (including a County Courthouse and a Firehouse), 6 dedications of new Temples, and 21 "rededications" (many on Anniversaries from 25th to 175th).

While Deputy Grand Master, M.W. Bro. Rasor had held meetings with Masters first on "Let's Plan Together" and later on "Let's Work Together," He insisted on, and got, the first public installation as Grand Master for himself. Four new programs were instituted in lodges during his year:—

"Let's Hear It For Ohio":—the year 1978 was the State's 175th birthday. Full advantage was taken of this in lodge activities and in public relations. Activities of the 6 founding lodges included street parades, television programs, rallies in the park, plays, placing historical markers, displays in museums, — all the stops were out! As a final event the Grand Master made Senator John H. Glenn a Mason at Sight, this ceremony taking place in the Chillicothe High School Gymnasium.

"A Night With The Clergy":— Local clergy were invited to meetings and the place of Masonry in relation to religion and to the church discussed. Grand Lodge also held a series of "Brotherhood Meetings" in conjunction with the Knights of Columbus and with B'nai B'rith. These were big public occasions. "Though I speak with the tongues of men and of angels and have not love, I am become as sounding brass or a tinkling cymbal." Over 1000 attended at least two of the five meetings reported and there was tremendous participation by representatives of all three groups involved.

"Let's Get Acquainted":—Many lodges organized programs for non-Masons. "Quality men" were invited with their ladies. The special film "A Precious Heritage" was often shown. The lodges were urged to have such meetings annually, to tell the story of Freemasonry and to invite questions. A booklet, "Freemasonry, A Way of Life" was given to the guests.

"A Widows' Night":— This "should be implemented by every lodge. --- These wonderful ladies --- must remain a part of our thoughts, our prayers and our lodge activities."

The Grand Master recommended that each lodge celebrate the Feast of St. John the Baptist by having a Church Service on either the Sunday preceding or following June 24th and that they hold a Table Lodge during the week before Christmas. "The Table Lodge is an ideal vehicle in which to make the return journey — to good old fashioned fellowship," — near December 27th.

There were District Receptions and Memorial Day Meetings. One of the latter saw the Grand Master present the first 80-year award in the history of Grand Lodge to Bro. Dr. Albert Linscott, 102, who was initiated in 1898. Later Bro. Linscott spoke at Grand Lodge, as did Bro. Palmer Laughlin, 100, 78 years a Mason. Both are vigorous, keen, vocal, and delightful! At the other end of the age scale, Youth organizations were promoted and supported in Rasor-fashion.

The Grand Master and his family and "clan" spent Thanksgiving Day together as they did traditionally, but this time they were at the Masonic Home. Two teas were held at the Home later, attended by the Grand Master and other prominent Masons. The Home averaged 475 residents and has a projected budget of over \$5.6 million, up \$400,000 from the 1978 cost (\$11,350 per resident of whom 75% require some level of hospital care). Grand Lodge provides about 10% of the cost, the remainder from

endowment, residents' surrender etc. Substantial additions and renovations are proceeding as part of a long range program.

The Grand Master concluded his Address with a 13 point "Masonic Survival Kit":— meetings with non-Masons and families, telling the clergy the *true* story of Freemasonry, discard the "ultra-secret" image, careful investigation of candidates, education of candidates, a Masonic publication, "the Family of Freemasonry," Leadership courses, Youth organizations, planned lodge programs, long range planning, full-time liaison officer between Grand Lodge and the individual lodges, and "Walk with Masonry every day of your life — YOU ARE FREEMASONRY!"

Your reviewer has never seen a Proceedings so full of activity throughout the jurisdiction and throughout the year as this. The real test for the "aroused giant" is in the future, but the Grand Lodge of Ohio can hardly ever be the same again.

There were 23 Special Communications, 1 for constituting a new lodge, 3 for cornerstones (including a bank building and the new "Ambulatory Building" at the Masonic Home), the rest dedications

The Grand Master, who had Masonic engagements on some 210 days during his year, had advocated "involvement and participation." Masons contributed very significantly to the Ohio Special Olympics for retarded athletes, which were also assisted by DeMolay volunteers. Obviously the continuing loss of membership caused concern. The Public Relations Committee worked on "sharing Masonry." Their report ended:— "We'll help with anything from a news release to a speaking engagement. We love to get involved."

The "Brotherhood meetings" were organized by the Knights of Columbus (Grand Lodge had organized them the previous year)

and seven cities saw a joint celebration with B'nai B'rith completing the triangle.

A resolution to appoint a paid Director of Education was defeated. Invitation, subject to dispensation, for "guests, not members of the craft" to attend installation of District officers was approved.

The Committee on Grievances rejected an appeal from expulsion of a brother whose remarks and conduct in open lodge and at the banquet table had been highly unacceptable and who had publicly threatened to blackball all candidates for his lodge.

The Masonic Home averaged 478 residents (cost \$12,160 each). This was some \$150,000 over budget. Next year's budget is \$6 million. Grand Lodge expenses of close to \$2 million (including \$627,000 for the Home) were \$20,000 in the red for the year. An appropriation of \$200,000 for the Home building program and of \$2.20 from the \$3.50 per capita for Home operating expenses were approved. Resolutions were introduced to increase the per capita to \$4.25 and to increase other Grand Lodge fees. These will be voted on next year.

Grand Lodge awarded 29 scholarships of \$500 each to students in "Ohio colleges, universities and seminaries."

The State of the Craft Committee proposed a 16-point program for maintaining "interest and participation."

There were 4 Occasional Communications. Of 3 cornerstones laid, one was for a combined Grade and High School and one for a City Hall.

The potential tax problems, noted in the 1977 review, have temporarily subsided. The crucial bills in the Legislature all "died" in committee. A resolution to establish a separate "Government and Legislative Affairs Committee" was, on recommendation of the Jurisprudence Committee, defeated.

The Grand Master ruled that each Grand Master must rule on questions of alcohol in Masonic buildings and that such rulings end with his term of office. If Grand Lodge wished otherwise, they would set up rules in the Masonic Code for the Grand Master to follow. He advocated specific action by Grand Lodge on matters of principle:—

"Masonry has always stated that it stands for certain principles (yet) Masonry in Oregon has not taken a firm stand on anything. --- For too long we have stood around with our heads in the sand. --- To date we have been lucky. For the most part our posterior is still intact. --- It is time to give those Legislators who are members of the Craft some ammunition with which to fight. It is time for us (to) become a political force for the principles in which we believe."

The Grand Master was encouraged by younger men joining. Rural areas are more active where lodge activities in the community have created interest. There are serious problems in highly populated areas, lack of safety in city cores and no community involvement. Increased participation in Youth programs was advocated, although the Grand Master's oratorical contest is being cancelled because of lack of interest. Twenty-two grants were made for educational assistance (total \$35,000). These are restricted to the secondary school level. A resolution to make awards available at universities and colleges was defeated.

The Grand Lodge per capita was raised from \$5 to \$7, the increase being allocated to the Home. The Home had 82 residents (average cost \$10,400). It operated substantially in the black because of over \$250,000 credited from gain on sale of investments. There are \$6.3 million in the endowment fund, and fixed assets valued at \$900,000. The Grand Master initiated a "One Million Dollar Club," dedicated to raising \$1 million per year for three years to increase the Home endowment. Your reviewer was amused that the report of the Home Administrator quoted a new resident as commenting "There's too darn many women," to which she adds, "Most men would agree that a ratio of seven to one is a little much."

The report of the Fraternal Reviewer is a carefully prepared 10-page essay on his findings. Our "Operation Lifeline" is recognized under "Blood Donor Service." Two Chapters of the History of the Grand Lodge are printed at the end of the Proceedings. This reprinting of text is now nearly up to date, the current installment reaching 1975.

As in the previous year, an Address was given at the opening of Grand Lodge by an outstanding citizen. Here are some of the challenging thoughts of Hon. Salvador Lopez, former Secretary for Foreign Affairs, former Ambassador to the U.S., just retired as President of the University of the Philippines and who, in earlier years, had served on General MacArthur's HQ staff at Corregidor:—

"--- Central to the concept of human rights is the principle of balance and limitation. --- (Man's) right to life is balanced by his correlative duty to respect the rights of others.

Man has a right to liberty. But this right is balanced by his duty to respect the rights of others. ---

Man has a right to property. He is entitled to the fruit of his own labor. --- But this right is limited by the need to prevent the exploitation of one man by another.

The essential ingredient of a just society is equality of rights enforced by positive law. This is important because ---governments have a natural tendency to evade the restraints placed upon their authority by the constitution and the laws.

Since human rights are inherent in man, it follows that the state is merely the *guarantor*, not the *grantor*, of human rights.

The Filipinos mounted more than a hundred revolts and uprisings against Spanish colonial rule, --- provoked (by) brutal oppression, slavery, forced labor, unjust payment of tribute and religious intolerence. --- During the Japanese invasion and occupation, the Filipino people resisted with a courage that knew no bounds.

Thus the love of liberty runs, like a crimson thread through Philippine history from Mactan to Bataan and beyond.

In the matter of human rights, there are no Americans, Europeans, Asians or Africans; only human beings. There are only two kinds of people in the world: those who love liberty and those who don't."

The vibrant condition of Masonry in this jurisdiction is shown by the constitution of 4 new lodges, with 8 more U.D. There are enquiries as to formation of lodges in 4 provinces where Masonry is not now formally represented. There is also realism. In Okinawa, membership in the Philippine Lodges was substantially confined to U.S. Armed Forces personnel. With their continuing withdrawal, 5 lodges on Okinawa have been reduced to 2.

The Grand Master had many public as well as Masonic duties. He reports: "I have never missed an opportunity to explain to the people what Masonry is, what it is for, and what kind of people the masons are."

The Proceedings contain full instructions for conducting public and private installations. The Committee on Custodian of the Work had been critical of lapses in decorum and dignity in the past. They were also critical of reported instances of "short-cutting" and short form closing of lodges, and of the occasional, but perennial, problems in the 3rd Degree.

A resolution to limit the appointment of D.D.G.M.s to nominees of the district was defeated but another resolution to prohibit appointment of a D.D.G.M. for 2 consecutive terms was approved.

A new Grand Lodge Building is required. "This building is --- old --- constitutes a fire hazard --- and has become too small." A loan for P\$52 million (\$3.3 million) is being negotiated.

Several amendments to the Constitution were approved and instructions given that the Constitution be reprinted, consolidating all amendments of the past several years.

Strong support of Youth organizations was maintained. The Masonic Hospital for Crippled Children remains a major charity. Reports of the Acacia Mutual Aid Society Inc. are included in the Proceedings. Grand Lodge finances for the year are in the black.

The new Grand Master came alone to Manila from his father's remote farm at the age of 14 with only PS11 in his pocket. Performing odd jobs, he worked his way through elementary school, high school and university, and became a stevedore in Davao City. He served as a member of the Labor Management Advisory Board on the labor side, and later, after establishing his own stevedoring company, on the management side. His charitable contributions, no less in personal effort than in money, have been outstanding. His company's workers' children have been given free elementary education for many years, and he has provided "many" scholarships. He is intensely active in charitable foundations, in the YMCA, in supporting school buildings, and in Catholic charities. "He has walked the world for the poor --- He was one among them." He now has very extensive business responsibilities in several fields.

This Grand Lodge, the numerically smallest in Canada and the United States, established a record which will never be surpassed. There was not a single member suspended during the year for any cause!

The first lodge chartered in Prince Edward Island, St. John's No. 1, under warrant of the Grand Lodge of Nova Scotia dated 1797, had had, as its first initiate the then Lieutenant-Governor of the Island, Hon. Edmund Fanning. The current Lieutenant-Governor, M.W. Bro. Gordon Bennett, P.G.M., was formally received in his official capacity.

The Grand Master reported:-

"I was pleased to continue the fraternal cooperation, which has been fostered over the years with our brothers, the Knights of Columbus. My wife and I attended the 75th Anniversary of the Founding of the Knights of Columbus in Atlantic Canada --- and were invited to the 60th Annual State Banquet and Reception at the new Parish Hall at the Holy Redeemer Church at Charlottetown."

Nine bursaries for a total of \$2,125 were awarded to sons and daughters of the brethren attending universities.

QUEBEC — 1979

109th Annual Communication — June 7

Grand Master M.W. Bro. W. R. Carmichael presiding Grand Master M.W. Bro. W. Worwood elected and installed

Lodges 107, plus 1 U.D. Membership 12,693 Loss 332

There were two Special Communications. The first instituted Phil-Can Lodge which will, it is hoped, serve as a Masonic base for Masons from the Philippines. At the Annual Communication its dispensation was continued. The second dealt with the Montreal Masonic Temple and authorized, "by a small majority," the Board of Directors to offer the property for sale for an amount not less than the indebtedness of the Temple to Grand Lodge. As far as your reviewer is aware no sale has been effected and the situation remains as critical as it has been.

Our M.W. Bro. Davies attended the Annual Communication. The Grand Master reported that the 3rd degree ritual in French was now at the printers, completing the ritual translations. The Constitution is also available in French. A portion of the Grand Master's Address was in French during which he quoted a translation of Kipling's "If". A dispensation had been granted to form a new Lodge "La Loge de l'Espérance" which will work in both French and English. In spite of this welcome progress, the moves from the province of so many English-speaking brethren and the increasing age of those remaining will necessitate the consolidation of numerous lodges. This is obvious from the reports of the D.D.G.M.s. Many lodges will become bilingual or fail.

During his two years in office M.W. Bro. Carmichael had devoted himself with total commitment to his task. The closing words of his Address must have had impact because they reflected his own actions:—

""Whatsoever thy hand findeth to do, do it with all thy might'. --- Let us decide to be builders and not destroyers; --- let us decide to promote progress and better standards of living in our fraternity, in our communities and in our nation; --- let us decide to live in peace and harmony with one another; let us decide to be Freemasons in act as well as in word."

The Capital Funds of Grand Lodge are nominally \$1.65 million, but the "real capital" is \$300,000 only, the balance being tied up in the Montreal Temple. The "Save the Temple Fund" stood at \$400,000 as of May 1979. The decision that the Temple is subject to municipal and school taxes is being appealed. A motion to authorize an assessment not to exceed \$10 per year per member to cover the operating deficit of the Temple was defeated when it failed to get the necessary ½ majority. There was a nominal surplus, revenue over expenditure, in general account of Grand Lodge, but per capita will have to go up again shortly with reduced revenues and spiraling expenses. The Report of the Committee on the State of Masonry makes pretty grim reading both with respect to individual lodges and the overall picture. On the positive side, the issues are being faced. The difficulties cannot be, and are not being, swept under the rug.

The new Grand Master, M.W. Bro. Worwood, has been a good friend since your reviewer's Quebec City days in the 1930's. If his personal devotion to the task can bring forth brighter days, then such days should be in prospect.

73rd Annual Communication — June 15

Grand Master M.W. Bro. J. Melynick presiding Grand Master M.W. Bro. D. Saunders elected and installed

Lodges 173 Membership 12,409 Loss 271

Our M.W. Bro. Robert Davies attended the Annual Communication and was made an Honorary Past Grand Master.

Kinistino Lodge No. 1 established in 1879 as No. 381, G.R.C., celebrated its 100th Anniversary. This lodge has belonged to 3 Grand Lodges in its history, passing from Canada to Manitoba to Saskatchewan.

The Grand Master attended the Masonic Festival and the opening of the Masonic Centre in Sydney, Australia, and spoke briefly on behalf of all the Masons in Canada. During his year he presided at 6 amalgamations (12 lodges reduced to 6). He refused dispensations for an installation on Sunday and for consideration of an application for a candidate under 21.

The Committee on the Study of Life Memberships recommended that a new Committee "with members knowledgeable and qualified in the fields of insurance, finance and accounting" be set up to formulate an actuarial plan for life memberships. They had found the usual inadequacies in cost and in reserves in existing lodge plans. Their recommendations included a minimum of 25 years' membership and a minimum age of 60 before life membership could be granted, no permanent dues cards for anyone, and separate funds for life membership reserves both at the Grand Lodge and the lodge level.

The Benevolent and Associated Funds have \$1 million in reserve. Benevolent expenditure was \$112,400, (for a deficit of \$33,600 after receipts) and included \$3,000 for the youth camp at Camp Wakonda (41 boys attended) and two \$250 scholarships. General funds showed a small surplus following the increase in per capita dues the previous year.

The Committee on the Condition of Masonry was critical of Masonic Education, officer training and financial management at the lodge level. They welcomed increasing social activities.

A constitutional amendment to permit encouragement of DeMolay and of Job's Daughters was passed. A motion to give an elder brother honorary P.M. rank was defeated.

Your reviewer is happy to record the election of his friend, R.W. Bro. P. H. S. Campbell, as Deputy Grand Master.

The material at hand is the 1979 "Year Book" of Grand Lodge. Among its several illustrations is a picture taken at the installation of Brother Anthony Young as Master of Lodge Griffin, Gartcosh, No. 1254. Brother Young is totally blind.

Of special interest are the informal diaries of the Grand Master Mason on a six-week visit to India, Sri Lanka, Malaysia, Singapore, Australia, New Zealand, Philippine Islands, Hong Kong and Thailand in February and March, followed by nearly three weeks in Nigeria, Ghana, Togo, Sierra Leone and the Gambia in May-June. Here are some days (and a night) from the life of a Grand Master Mason!

18th February (in India) "Left the hotel (in Bombay) at 4:45 a.m. and --- emplaned for Delhi. On arrival at 8:15 a.m. we were met --- taken to our hotel and, after a brief rest, drove past the Presidential Palace and through --- the spacious avenues of New Delhi. We entered Old Delhi by the Lahore Gate and proceeded to the Red Fort, a fascinating fortress surrounding a town and bazaar. (After) lunch we set off by car for Meerut where ---the Lodge Room had been decorated with flags and a welcome banner. As I stepped out of the car, the Mounted Veterinary Corps Pipe Band struck up 'Scotland the Brave'. After the usual photographs, we adjourned to the Lodge where an excellent First Degree was conferred on Brothers M. Kohli and V. Seu. Grand Secretary and I were presented with beautiful brass and copper jugs. The Lodge is on the road to Dehra Dun --- the scene of the start of the Indian Mutiny. At the conclusion --- we repaired to the Officers' Club where we were again entertained by the Pipe Band, who played, at my request, 'The Back of Bennachie'. We found Scottish Freemasonry in Western India very strong indeed."

March 2nd (in Perth, Australia) "We were collected from our hotel at 9:15 and driven to the Masonic Hall in Subjaco. where we rehearsed the Ceremony of Installation of the District Grand Master. Later that morning we attended a reception in the City Hall, Perth, which was given by the Deputy Lord Mayor, Bro. Silbert. --- The reception was attended by city councillors and by the brethren of the Scottish Lodges in Western Australia together with their wives. After lunch, --- we visited the Scottish Masonic Home at Mount Lawley (consisting) of 39 one-roomed flatlets with 12 (more) under construction. We had tea with the residents. mostly elderly ladies, under a scorching sun in a temperature of 105°. Fortunately the humidity was very low and there was a cool breeze. On leaving Mount Lawley we called on Bro. Solomon, Grand Master of the Grand Lodge of Western Australia and met Past Grand Masters and senior Officebearers. --- At 7:30 we met the ladies who had kindly undertaken to entertain my wife while we carried out the Installation Ceremony. On arrival at the Temple, we met a deputation from the Grand Lodge of Western Australia --- and from the District Grand Lodge of Western Australia (Goldfields). --- Some 200 brethren were present at what was a most successful meeting and I gave an address on Scottish traditions and customs which seemed to be very well received. Certainly Grand Secretary and I were asked --- most interesting questions at the Harmony which followed."

May 23rd (and 24th) (in Nigeria and Ghana) "I rose early and was ready to leave at 8 a.m. --- Our first stop was at the home of Bro. Prince Ene where we were entertained to refreshments. Unfortunately Grand Secretary's car missed the turning and it was 8 p.m. before I saw him again. We drove to Benin (where) the Oba of Benin, Bro. Akenzua II, a member of Lodge Liberty, --- received us most hospitably in his Palace and we were given fresh palm wine. --- After being presented with two beautiful teak walking sticks --- we returned to the Temple in Benin where we lunched with the brethren. --- We set out for Warri and were met at the outskirts of the town by members of Lodge Warri Highland No. 1357. After a quick snack, we attended a joint meeting of Benin and Delta Lodges and installed Bro. Wellington A. Igunbor as Master of Lodge Warri Highland. --- I was presented with a very fine bronze Benin head. The installation was concluded by 11 p.m. but we had a long drive to Lagos (and) could not stay to dine. --- We reached Abeoku about dawn and, after a third attempt, found a garage which could sell us petrol, --- We finally arrived at Lagos airport at 9 a.m. --- On our arrival at Accra, our luggage was unloaded, but there was no sign of the regalia case. We cabled Nigeria, had a quick lunch, and left (by car) for Kumasi, and, after a snack --- were driven to the Temple of Lodge Kumasi No. 1472. After the usual photographs, we entered and were welcomed by the Master, Bro. Joseph Asafo, and then the lights went out! By the light of three candles, I installed Bro. Opoku Ware II, the Otumfuo, as Depute District Grand Master. I returned the gavel to the Master and then the lights came on again. As the Otumfuo was very kindly giving a reception for us, he retired. The Master and Office-bearers thereafter initiated Bros. Kobia-Amfi and Abu-Badu. We set off for the Manhyia Palace, and our arrival was signalled by the total failure of the

lighting system which the Otumfuo found very amusing. We were given cool drinks and entertained to a display of dancing, to the accompaniment of a band of drummers, --- depicting the Ashanti trampling their enemies underfoot. We were thereafter presented to the Queen Mother (who) presented me with a very fine lamp in the form of talking drums. --- Afterwards a banquet was held in a hotel --- and I received a pair of (teak) book-ends." (and so to bed.)

A special event was the opening of the final stage of the Masonic Memorial Village on July 27th by His Excellency Sir Zelman Cowen, Governor-General of Australia. Over 1,000 people attended. The Village provides a home for 353 aged persons in independent living and hostel units, with a further 128 under medical supervision in the Nursing Home. A Day-Care Centre will be operational shortly to look after 30 more people.

At the Half-Yearly Communication the Grand Master's report included his participation in installations of the Darwin Lodge of Remembrance, Port Darwin Lodge and Katherine Lodge of Fidelity, whose new lodge room was also dedicated as was a new lodge room at Alice Springs. At the latter, he was joined by the Deputy Grand Master and the Assistant Grand Master, while the Grand First Principal of the Royal Arch and the Grand Master of Mark Master Masons acted as Grand Wardens.

At the Annual Communication constitutional amendments approved provided for procedure when lodges consolidated, changing the "Masonic Memorial Village Fund" to the "Masonic Charitable Home Fund," and setting up a Grand Lodge Centenary Fund. The Grand Master referred especially to his attendance at the Grand Installation in Western Australia, and at the Sydney Masonic Festival.

The Grand Installation of M.W. Bro. Mr. Justice Jacobs was attended by the Grand Masters of all 5 other Australian jurisdictions and by the Grand Master of New Zealand, each accompanied by a delegation, and was replete with fanfares and all the trimmings. Here is an excerpt from the new Grand Master's Address:—

"--- If there is one thing which distinguishes Freemasons everywhere, it is that not withstanding --- (our) diversity, a Freemason knows what it means to be compatible with his fellow-men. Think about that word 'compatible' --- It involves much more than tolerance and understanding --- it involves sympathy with human frailty, yet a desire to fan the spark of human dignity that is to be found in all men.

But true compassion also calls for courage, courage to face the realities of a way of life for men and women whose standards may differ from our own, to face the conflicts aroused by different points of view; courage to search for compatibility and not to retreat into an ivory tower of self-satisfaction."

The Board of General Purposes commented on difficulties in approval of 50-year jewels due to inadequate lodge records of subscribing membership for the full period. The Grand Secretary had cleared "Category B" postage rates for lodge notices for an annual saving of A\$800.

The Grand Master commented favourably on Christmas Parties and on Debutante Balls. He had attended the public and televised Grand Installation of the Grand Lodge of Western Australia in Perth. The conclusion of his Address is given at the beginning of these reviews.

The Board of Benevolence gave A\$5,000 in grants etc. and assigned half the "surplus" of over A\$10,000 to the Masonic Homes. Trust accounts have assets of A\$167,000 of which

A\$88,500 is in loans to lodges. As is the case with other Australian Grand Lodges, the Homes are run as separate incorporated entities.

The Grand Master was re-elected for another term.

At the Half-Yearly Communication, the Board of General Purposes authorized public "devotional services" on special occasions on Temple premises, subject to dispensation from the Grand Master, no Masonic regalia, officers not to occupy their normal positions in the lodge. A suggestion that the penal clauses in the ritual be changed was rejected.

An amendment to the Constitution dealing in detail with amalgamation of lodges was introduced and will be dealt with at the next Annual Communication.

The Grand Master's Address included reading from correspondence thanking Grand Lodge for "tremendous support" of the Salvation Army's Red Shield drive. He was pleased at the amount of Masonic news appearing in newspapers, and concluded:—

"--- I mentioned the desirability of attracting good men towards our Order. --- It is very desirable that we should do this without in any way discarding care in our selection. ---

It is well to bear in mind that, while Masonry itself cannot change, its outlook certainly must. New attitudes arise with each generation. Today many disillusioned men are searching for true basic values. Masonry can help to supply these so long as it does not remain hidden in mysterious seclusion. Change is inevitable.---

So, --- by ourselves being KNOWN and SEEN --- we should be unremitting in continuing the improvement in our public relations which has already begun.

You know, Brethren, there's a lesson in Nature --- plants grow towards the light. So may the light of Freemasonry shine. --- If Masonry is good, let us talk about it."

Grand Lodge, after discussion and a written ballot, approved a major change in denial of membership to anyone associated with the liquor business. Only "illegal" association is now barred. Other code changes included forbidding applications to "any Masonically related organization" until the M.M. had either passed his proficiency examination or 6 months had elapsed after his M.M. degree, and raising the per capita fees from \$2.25 to \$3.

One lodge was disrupted by a Past Master, who was responsible for eleven appeals to Grand Lodge (some against actions of the Grand Master and the Grand Secretary). His deliberate unpleasantness and refusal to accept any opinion or ruling other than his own made the situation so bad that the Grand Master suspended the Lodge Charter for several months. The Committee on Grievances and Appeals Report, approved by Grand Lodge, ordered the brother to prefer no more charges, make no more appeals (except in the event of UMC charges against himself), write no letters to Grand Lodge Officers about disciplinary matters and cease and desist activity impairing the harmony of his lodge. The Committee left no doubt about what it thought of the brother's conduct.

The Masonic Widows' and Orphans' Home of Tennessee Fund (there is no Home) disbursed \$112,000 in assistance, including some student bursaries.

Fraternal Correspondence was under M.W. Bro. W. P. Douglas. His eyesight has been failing and he had put his material on tape for transcription in the Grand Secretary's office. He had asked to be relieved of his work. Tragically, a "replacement secretary" disposed of the folder, tapes, transcripts and all! All the Grand Secretary could do was report "with deep regret and profuse apologies."

Grand Lodge withdrew recognition from the Grand Orient of Italy and recognized the Grand Lodge of Pernambuco, Brazil.

There were 23 Special Communications, including "Leveling Cornerstones" on 6 public buildings (a Court House, 2 libraries and 3 High Schools).

The open session of Grand Lodge on the evening of November 30th, was devoted to a program by the students of the Masonic Home and School, including the report of its Board of Directors to Grand Lodge:—

"Our school is fully accredited with the Texas Education Agency, kindergarten through grade 12, being an independent school district which receives no federal Home or preschool funds, and no state available funds, except per capita funds, which qualifies our teachers to be members of the Teachers' Retirement System of Texas."

School assets are \$13.3 million (\$2.7 million fixed). At year end there were 165 students. Deducting the \$540,000 paid to the R. A. Widows' Home for support of 69 widows from the \$1.25 million expense and adding \$365,000 paid to the independent school district plus transfers to a plant fund, the cost per student comes out at close to \$6.600 each.

The school placed first in Interscholastic League in "literary events" and did well in competitive sports. Six of 7 graduates will go to college.

Grand Lodge formally opened the following morning. The Committee on Masonic Education and Service has made a moving picture, "This is Freemasonry," the cost being shared by the Home, the R. A. Home for Aged Masons, the Scottish Rite, Shrine and DeMolay. A Manual for "An Approach to Lodge Officer Training, for implementation by the Junior Wardens of Texas Lodges" is printed in full. It is divided into 9 separate "Leadership challenges" and appears to be sound as well as comprehensive.

The Grand Master recommended a system of "endowed membership." A Committee will report and make recommendations next year.

The Committee on Fraternal Relations denied recognition to the Grand Orient of Brazil ("(it) is attempting to invade the jurisdiction of all other Grand Lodges in Brazil"), withdrew recognition from Italy, and delayed action on some Brazil State Grand Lodges.

Grand Lodge expenses were \$460,000, over \$60,000 under budget. The cost of the P.G.M.'s jewel, collar, apron and case is now \$3,450! Assets in reserve funds exceed \$3 million.

Our Grand Lodge is not among the 70 Proceedings briefly reviewed.

The Deputy Grand Master, R.W. Bro. Thomas presided at the Annual Communication as the Grand Master was ill. For the second year in a row, 27 of the 31 Worshipful Masters were at Grand Lodge and were presented at the Altar to introduce themselves.

The Grand Master's Address, read by the J.G.W., reported visiting every lodge in the State and numerous other visits with particular reference to the Grand Masters' Conference. He declined to permit the Order of Amaranth to be established in Utah on the ground that there were not enough Masons in Utah to stand further dilution of effort. He issued an edict to the Shrine that no suspended or expelled Master Mason could be a member of the Shrine as long as the Shrine required Masonic membership, either directly or indirectly, as a prerequisite for membership.

Fifteen pages of the Proceedings are given to analysis of a questionnaire circulated by the Youth Committee to DeMolay and to Job's Daughters. A 17% response (222?) from 1,310 mailings was obtained. More than half of the replies indicated substantially no understanding of Masonry and individual comments about "cliques" etc. were not restrained. The Committee's conclusions: "Our youth are trying to talk to us --- are crying out for personal contact with Masons. --- Interaction and interplanning are necessary."

The Masonic Foundation increased its assets to \$960,000. Some \$40,000 was distributed to "assist worthy activities."

The Grand Lodge recognizes 113 other jurisdictions. An attempt to promote correspondence between Grand Representatives and their counterparts got only 6 responses.

The Research Lodge published 3 papers. These and other material were circulated to the lodges by the Education Committee, who also published reports in the Utah Mason.

Sale of some Grand Lodge property, valued at \$58,000 was approved at a Special Communication. Whether the proceeds will be set up as a reserve for a future Temple or otherwise distributed will be determined later by Grand Lodge.

Grand Lodge Officers of New Hampshire and of Vermont held a Table Lodge at Manchester, Vermont to commemorate the Battle of Bennington. Members of General Whipple Masonic Military Lodge No. 79 of New Hampshire were present in colonial costume.

The Grand Master issued an emergency dispensation on the spot under most unusual circumstances. Arriving to visit a lodge, he found that a major fire (still burning) had destroyed a large dairy barn. Most of the cattle had been saved. The W.M. was away taking a load of saved prize cattle to Maine, the S.W. was still fighting the fire and the J.W. was in Florida. Two Articles in the Masonic Code required that one of these three officers had to be present if the lodge were to be opened. There were 40 brethren and a candidate waiting. The Grand Master, acting "for the good of Masonry," instructed the Senior Past Master present to open the lodge, and to apply for a dispensation, citing the Grand Master's instruction. Needless to say, the Grand Master's action was approved by Grand Lodge.

Five Honor Award Medals were given, one to R.W. Bro. Brimblecombe, still active at 92 and a Mason for 71 years.

A resolution to relieve lodges from paying Grand Lodge dues to those of their members who were, by lodge by-law, exempt from lodge dues because of age, was rejected. Grand Lodge approved assessments of 25¢ per member for DeMolay and 10¢ per member towards a 200th Anniversary Fund. The recommended per capita totals \$4.25. This will have to be increased in the future as operating accounts show a deficit of some \$13,000 after revenues of \$44,400.

The March Quarterly saw the installation of the Grand Master and of Grand Lodge Officers. As usual, the Grand Masters of all the other Australian jurisdictions were present each with a delegation, and there was outstanding music from the Masonic Choir throughout.

In his Inaugural Address the new Grand Master commended the ongoing work of the Building Committee in compiling and collating complete information on every Temple and Hall in the jurisdiction and the use of this for grants and loans to lodges, of the Membership Committee whose Liaison Officers Scheme was encouraging, and of the Benevolent Fund and its applications.

The Board of General Purposes met every month and are the executive of Grand Lodge. Here are some items from their quarterly reports:— based on data from the Building Committee, grants of A\$14,800 and loans of A\$174,400 were cleared. The largest of 12 grants was A\$1,800 to reduce debt due to renovations and the largest of 21 loans A\$45,000 for remodelling and renovating a Masonic centre; set up a Central Call Depot Fund in which surplus lodge funds could be deposited for loan at interest to

other lodges as approved by the Board; approved 22 scholarships (28 next year) in secondary schools; subsidized 2 research lodges; authorized support for DeMolay "as individuals, not as Freemasons," and approved renting space (not lodge rooms) to DeMolay; made available cassettes of music for all degrees and for installation; cleared a course for lodge organists at a music school; assisted in dealing with 70 applications from candidates "who were not known personally by any member of the lodges of their choice"; sponsored a film "portraying the broad concept of Freemasonry" for use in lodges; got Melbourne Street Directories to mark location of metropolitan Masonic Temples with a Square and Compass; and arranged a group policy for A\$1 million public liability, A\$500,000 fire and perils per Temple, and workman's compensation for 4 persons per lodge, cost borne by Grand Lodge.

The Board of Benevolence made 94 grants for a total of A\$73,450, range A\$2,000 "to settle rates and funeral expenses and assist in the care of student children of a member," to \$A200 "for general support," and granted 36 loans (total A\$111,500) (max. A\$5,000 "free of interest and legal costs to cover amount owing on renovations to the house of a widow.").

Two lodges surrendered their charter and two others were absorbed by amalgamation. One new lodge "Blue Dandenongs No. 859," was chartered.

The Freemasons' Hospital treated over 6,000 patients and there were 5000 operations. The "Masonic percentage" of occupancy was 20%. Rebates of 15% are available to Masons. There was an operating surplus of A\$250,000 for the year 1977. A new wing is being added at a cost of A\$2.4 million. The Hospital financial statements are in the Proceedings.

The Royal Freemasons' Homes have independent units at Moe, Coburg, Murrumbeena, Windsor and Wangaratta, a hostel at Prahran and a nursing home. There were 625 residents in December and 194 on the waiting list. An extension of 130 beds is planned for the nursing home "when we gain approval from the Federal Government." Finances are separate from those of Grand Lodge and are not in the Proceedings.

Nineteen different reviewers share the report on "Correspondence" of 22 Proceedings. Our 1977 meeting is included with quotations from M.W. Bro. Davies' Address, and reference to our Foundation, to blood donors and to education.

M.W. Bro. Gregory was nominated for his second year in office as Grand Master.

A 200th Annual Communication is very special. There were delegations from 49 other Grand Lodges, our M.W. Bro. Davies representing our Grand Lodge. The Grand Masters from five other Canadian jurisdictions, the Pro Grand Master of England and the Grand Masters of Italy, Japan and Southern Africa were also present. There were delegations from 8 related Masonic bodies.

Organization meetings leading to the establishment of the Grand Lodge of Virginia began in Williamsburg on May 6, 1777, attended by representatives of 9 lodges then chartered by the Grand Lodges of Scotland, England and Ireland. Subsequent correspondence with "Grand Masters in the Mother Country" suggested they approve His Excellency General George Washington as the first Grand Master of a new Grand Lodge. Nothing coming from this, and Bro. George Washington being unavailable because he was in command of the Continental army, W. Bro. John Blair Jr. was selected on October 13, 1778, and was installed on October 30, 1778. M.W. Bro. Blair's Masonic progress must be a record for rapid election to office. He was raised December 23, 1773, elected W.M. of his Lodge (Williamsburg No. 6) the following May! He served as Grand Master from 1778 to 1784.

Grand Lodge held 6 Special and 3 Occasional Communications — 2 new lodges (both daylight lodges) consecrated, 3 instituted U.D. (one of these in "open" ceremony), 2 cornerstones laid and 2 building dedications. In addition, the day before the Annual Communication, a wreath was laid at the gravesite of M.W. Bro. Blair, the "John Blair Jr. Medal" presented to the College of William and Mary (his alma mater) and a service of rededication held.

The Annual Communication required 3 days because of the large number of special presentations, greetings, awards, gifts and congratulations. It began in open session including an Address by

Bro. John Dalton, Governor of the State, and presentation to him of the John J. Blair Jr. Medal, speeches by representatives of several youth groups, a welcome from the Mayor of Williamsburg, floral presentations etc. and later continued, in closed sessions, after the Grand Master's Address and scattered through the business with dozens of expressions of goodwill both spoken and tangible.

The Grand Master had taken as his slogan "Today — the Threshold to Tomorrow." He had asked himself, "How many men in the business world are identified in the public mind as Masons? What doors can be opened to let the light of Freemasonry cast its 'gleam on the public mind?" He strongly advocated open meetings when possible and his dispensations included 67 for public installation of officers. He established a new committee "on Masonic Image and Growth." This committee later made 10 recommendations, including placing Masonic publications and books in school libraries, distribution of pamphlets "Freemasonry - What is it?" and "To a Non-Mason," recognition banquets (open) for Masons for public service, lodge sponsorship and encouragement of youth organizations, adequate ladies nights' programs, etc. He commended the Committee on Public Relations and took part in a 30-minute broadcast on the 200th Anniversary of Grand Lodge and related history of the State of Virginia. The Grand Master's comment, "Organizations such as ours must renew themselves continuously. --- And where do we begin? Right with the members we have today," sums up his approach.

The Grand Master reprimanded a lodge for holding a stated meeting while Grand Lodge was in Annual Communication the previous year. This is contrary to the code, — the Master and Wardens are expected to be at Grand Lodge! He directed the Lodge to change its by-laws so that there would be no excuse for such a conflict of interest to occur in the future.

A very major and comprehensive report was presented by the Committee on Advance Planning, Research and Construction on problems of the Masonic Home. Comprising 47 numbered sections, it was, even after extensive debate, too big an item to be fully considered under the time pressures of the Annual Communication. The Board of Governors was given authority to make changes in the rules for admission to the Home and Grand Lodge undertook to employ a consultant to make a feasibility study, his report to go to all subordinate lodges for action at the next Annual Communication. The Masonic Home (71 residents) is in better shape than many other Homes, the yearly financial

statement showing \$900,000 revenue (22% Grand Lodge assessment, 53% endowment, 22% from residents) and \$714,000 expenses. The endowment fund has \$7.5 million. What impressed your reviewer was the recognition that there were serious problems of inflation, medical costs and obsolescence, and that constructive action should be carefully planned and taken now, rather than wait (as have other jurisdictions) until the roof started to fall in.

There were, of course, bicentennial celebrations during the year. One was a concert for "several thousand Masons, their families and friends" by the Richmond Symphony Orchestra in the William and Mary Hall during which Miss Ethel Merman "gave a memorable performance of the songs which made her famous." She is still quite a gal!

There were 6 Special Communications for cornerstones. Four of these were non-Masonic, —a courthouse, a family care centre, a library, a city hall.

The extent of the Grand Master's activities are indicated by his having made "240 prepared speeches" during his term. He spent over 2 weeks in Alaska, being flown, while visiting 18 lodges, by the District Deputy in a private plane. "The weather was marginal on some occasions." He presented Atak Lodge No. 309 with its charter. He "had the opportunity to assume the role of King Solomon in full costume at the Open Air Third Degree at Anchorage. The temperature was in the high eighties." The formation of an Alaska Grand Lodge was considered at a meeting of the Alaska Masonic Research Association. "There is great strength and pride demonstrated on the part of the Alaskan Brethren."

The Grand Master recommended an optional actuarial life membership, with funds controlled by Grand Lodge and also a Grand Lodge sponsored insurance scheme for lodge property and buildings. He presented a paper at the Conference of Grand Masters of North America on "Conduct of Meetings" which included an outline for a workshop on Lodge Management and Program Planning.

"Following investigation, correspondence and personal contact" the Grand Master removed a Worshipful Master from office "because of his conflict between religious convictions and Masonic obligations." The Master refused to recognize the universality of Masonry.

In 1977 M.W. Bro. Sandoz, G.M., had ruled that the officers of a Shrine Club would be subject to charges of U.M.C. if they obtained a "Class H" liquor license (see review of Washington in our 1978 Proceedings). The club had held their application in abeyance. At Grand Lodge three resolutions were submitted each seeking, by slightly different approaches, to permit use of alcoholic beverages in Masonically owned premises under certain restricted conditions. All three were defeated.

Another resolution, providing an optional funeral service for cremation, was deferred until the next Annual Communication.

Ninety-six participated in public school programs involving 108 schools and 834 students (less than 8 students per school seems low). "Freemasonry has a deep and abiding interest in public education." Individual Masons were strongly urged to involve themselves and to influence elected officials and the legislature in support of public schools.

The Masonic Home has assets of \$2.65 million (65% fixed). It operated on an almost balanced budget of approximately \$1.3 million, only 3% of which comes from Grand Lodge dues (75c per member). 54% comes from the endowment fund of over \$8.6 million, and 30% from "Donations — members of the home." There were 140 residents (average cost \$8,386). The Board of Trustees meets monthly and is very active.

The Fraternal Correspondent is M.W. Bro. J. W. J. Stedman (G.M. 1942). His excellent reviews are really digests with extensive quotations, often of several pages. In his formal report he quotes in full a summary of relations, as published in A.Q.C., on the Roman Catholic Church and the Craft from the first Church condemnation in 1738 up to the present when—

"The Sacred Congregation for the Doctrine of the Faith --has ruled that Canon 2335 no longer bars a Catholic from
Membership of masonic groups. --- And so a Catholic who
joins the Freemasons is excommunicated only if the policy
and actions of the Freemasons in his area are known to be
hostile to the Church."

Canada in Ontario is not among the 6 Canadian Grand Lodges which receive generous coverage. Your reviewer appreciates the many hours which M.W. Bro. Stedman has spent in preparing his material. He invariably finds the unusual and interesting as well as the important.

The 4 Special Communications included laying cornerstones of an elementary school and of a church.

The Grand Master had particular praise for a new edition of the Masonic Law. Most of his "opinions" simply referred to this work. He ordered a retrial of a brother convicted of a felony and imposition of a more severe penalty than one "not adequate" resulting from the first trial. He attended our Grand Lodge in Toronto last year.

Your reviewer was unable to reconcile financial data on the Masonic Home. Total disbursements of \$437,526 are reported, equivalent to \$8,750 for each of the 50 residents, but the Board of Governors say the per capita cost was \$5,767. The Treasurer's Report shows an excess revenue over expenditures of some \$35,000, but the Finance Committee asked for and got an increase of the levy per member for the Home to \$3.50 "in view of the \$80,965 Masonic Home deficit during the past year." In addition they recommended that "effective planning be immediately implemented between the Grand Lodge Trustees, the Masonic Home Board and the Committee on Finance (so that) the Home may be operated on a sound financial basis." There is obviously not a common basis for the different reports.

The remarkable scholarship scheme at Marshall University and at West Virginia University continued, over 340 students receiving assistance which was augmented by matching grants from the Maier Foundation and from university sources.

The Committee on Fraternal Correspondence deals with problems in Saudi Arabia ("Arabs have promoted the idea that Masonry is a Jewish organization"), Brazil (recognition of the

Grand Orient denied) and Italy (recognition withdrawn). Some 68 jurisdictions are given brief reviews. Our Grand Lodge receives a generous half-page.

Nearly two-thirds of the pages in the Proceedings reproduce the detailed returns from individual lodges with complete membership lists and tables of changes of status of individual members.

Cornerstones for three public buildings were laid at Special Communications, — a public school, a county courthouse, and a community recreation centre.

At "Public Exercises" the evening before the formal opening of Grand Lodge, following many introductions, special awards were announced in categories of service to an individual lodge, service to Grand Lodge, and in public service (the latter not restricted to Freemasons) as well as an award to "the outstanding lodge in the State."

The Grand Master, M.W. Bro. Nixson, was highly concerned with continually decreasing Masonic membership throughout the United States, citing statistical analyses which indicated a substantial wipe-out of the Order by mid-next century, if present trends continue. He issued a lengthy and most unusual "Newsletter" indicating the necessity for immediate affirmative action, stating, "Now is the time — and here is the place." Here is the strong medicine he advocated:—

"As Grand Master, I will be receptive to granting all requests for special dispensations --- to perform all three degrees on the same day by the so called "Class Method." In this case one candidate will act as the "Active Candidate" and the rest of the class will be seated in a proper place, so that they may witness the degree. --- All candidates must be conducted to the Altar at the proper time and repeat, in unison with the Active Candidate the obligations. --- The Active Candidate must receive the M.M. degree in long form, and upon arriving at the point of "Raising" --- all candidates will be

conducted to a position near the Active Candidate — whereupon they will participate either with the Worshipful Master or some other Master Mason in all the procedures from that point to the end of the degree.

A lodge may pursue its own course of action relative to proficiencies, however, as Grand Master, I authorize the waiving of the proficiencies for the E.A. and F.C. degrees.

The above means of exemplifying the degrees is not to be construed as an invitation to --- less than desirable degree work. --- With this in mind, I direct all lodges, who feel less than competent in degree work to make arrangements with nearby proficient lodges, or with special degree teams from Appendant groups, to put the work on for them --- or to join another lodge or group in a joint endeavor.

None of the suggested solutions are mandatory, for I am convinced that a mandate is devisive, irritating. --- If a lodge is unwilling (to) utilize the suggested means --- they should initiate programs of their own to accomplish the same purpose --- a minimum of no losses for the year."

There is no indication in the Proceedings to indicate how many "Class Method" degrees were conferred, but 37 of the 60 special dispensations issued by the Grand Master were to confer degrees in less than the specified time and two of these were to the award winning lodge who reported 11 initiations, 20 passings and 24 raisings for a gain in membership of 19, while four such dispensations went to another lodge with the largest number of initiations, 16.

The Proceedings contain a well prepared and comprehensive report on State-wide Concurrent Jurisdiction reviewing the experience of 20 Grand Lodges with such a regulation. The overall result is highly favourable. A second part of this report details, through 16 printed pages, all the changes in the Masonic Code which would have to be altered to effect concurrent jurisdiction within the State, together with the safeguards which appeared prudent. The report was adopted and referred to the Jurisprudence Committee.

A "Committee of the Future" was set up on a trial basis "for a year or two," composed of "several of the junior Grand Lodge Officers."

About a third of the Proceedings consists of a complete membership roster by lodges.

APPENDIX "A" ADDRESS—"NEW LAMPS FOR OLD!" BY R.W. BRO. H. ALLAN LEAL, Q.C. AT THE

GRAND MASTER'S BANQUET

Held in the Canadian Room Royal York Hotel, Toronto, Ontario WEDNESDAY, JULY 16, 1980

THE GRAND MASTER: I am now going to ask M.W. Bro. Wm. K. Bailey to introduce the speaker.

M.W. BRO. WM. K. BAILEY:

Most Worshipful Grand Master, distinguished Guests and Brethren:

Most Worshipful Sir, I acknowledge with gratitude the privilege you have extended to me this evening but with such a versatile choir from your University I am sure they could have provided a musical setting for the introduction of our Guest Speaker.

It was Bob Edwards in the Calgary Eye Opener who said, "people are ready to admit a mans ability when he gets there." The Leal family lived in Tweed and attended the Anglican Church where Most Worshipful Brother Wright was Rector during the late 1920's and early 1930's. One member of that family excelled in school and sports especially in hockey. Most Worshipful Brother Wright recognized that outstanding ability early in the life of Allan's adolesence. Allan Leal was a Syl Apps and Wayne Gretzky in one and with his two brothers was pretty much the whole Tweed hockey team.

There were no Ontario Scholarships or Government Aid Programs and little money in the Leal family bank. The O.H.A., however, came through with an Ontario Hockey Association Scholarship enabling Allan to enrol in McMaster University. He entered wholeheartedly into various classroom and campus activities, won the Governor Generals Scholarship in 1939, graduated in honours history in 1940 and was awarded a Rhodes Scholarship for study in England. But there were more pressing matters in that country in that year. So all Rhodes Scholarships were temporarily suspended. I think Allan plans to take the cash surrender value at age 65. (Laughter).

Three years in the Royal Canadian Artillery and retirement as captain no doubt has served him well in his present post as Deputy Attorney General and the principal troubleshooter for the Attorney General and keeper of a watchful eye over a staff of nearly 5000. After Graduation from Osgoode Hall Law School and two years of legal practice Allan Leal rejoined his alma mater for a tenure of 16 years as lecturer and latterly as Dean. Perhaps of all the honours he had received, Allan Leal treasures most his Honorary Doctorates from Osgoode Law School and McMaster University and that of Chancellor of the latter. In 1966 our guest was selected as chairman of the Ontario Law Reform Commission, the first permanent Law Reform Commission in the Commonwealth. He directed the work of that commission for 12 years and during this period 52 reports dealing with a broad range of legal topics were published. The commission obtained provincial, national and international recognition under his guidance.

Allan Leal has discharged leadership roles with distinction to himself at the Hague Conference, the Washington Diplomatic Conference and several Dominion Provincial Conferences and has not turned from accepting responsibilities of office in numerous professional and community organizations. i.e: The Empire Club, The Canadian Law Teachers Association and the African Students Foundation.

Right Worshipful Brother Leal is a Past Master of Ionic Lodge No. 25. I seem to recall that our speaker last year Right Worshipful Brother Donald Fleming was also an Ionic No. 25 Past Master. Dare lightning strike thrice in the same lodge? Right Worshipful Brother Leal was a valued member of the Board of General Purposes for six years. It is a cliche to say that Allan Leal has led and still leads a full life and thrives on hard work. He is never too busy to spare a minute or an hour to discuss a problem and missed only about three of the 60 or so Committee Meetings on the Revision of the Constitution. He was chosen as lead off man on that team to present the Constitution Revision in 1972. In 1976, when he elected to retire from the Board we dropped him to second spot for the play offs. By 1979 he had slowed up in the outfield and on the bases so much that the only spot we could find for him was as a designated batter. He still possessed a keen eye, good reflexes. powerful shoulders and arms to produce home runs when they were needed. Those of us who were present for the Thursday morning Session of Grand Lodge last year will recall his superb job of stick handling his way through and around the opposition to end up with a score of almost 20 to 1 for the Constitution.

Most Worshipful Grand Master we are delighted that you have invited Allan Leal for a return engagement on the occasion of the Grand Master's Banquet as the designated and distinguished speaker. My brethren, Right Worshipful Brother H. Allan Leal.

R.W. BRO. H. ALLAN LEAL:

Most Worshipful Grand Master, distinguished head table guests, my brethren in the Masonic Order:

My first words must be to thank the Most Worshipful, the Grand Master simply and sincerely for the gracious and generous invitation extended to me to be your spokesman on this auspicious occasion. I feel a quickening and deep sense of privilege in having been chosen from amongst my peers, to give voice on your behalf to sentiments of great joy and thanksgiving for the continued corporate existence of our gentle craft in this jurisdiction for these one hundred and twenty-five years; to express our gratitude for the blessings that have come to us, in great measure from these associations in our individual lives, our homes and in the broader community; to seize upon this opportunity for a recommitment to the tenets and principles which we have cheerfully embraced and perhaps have let lapse; and for the future to pledge ourselves to give back a little where so much has been given!

It is, of course, no mean task to know and to express the thoughts of all of you in the way that you would wish this to be done. I confess without embarrassment that I find it a very humbling experience. But then, as the late Sir Winston Churchill once observed, some people have much to be humble about. On one occasion the English judges were called upon to render an address to the sovereign. The Lord Chief Justice in beginning a first draft for circulation to his brother judges began "Your Majesty's Justices, conscious of their limitations, beg leave to advise, etc." The draft came back to him with a suggestion for amendment by one of his colleagues reading "Your Majesty's Justices, conscious of each other's limitations, beg leave to advise etc."

In a more contemporaneous vein, I am reminded of an occasion when one of our more extroverted crown attorneys was being interviewed on television and when it was finished he observed to the commentator that he thought it had gone very well and he ought to have him on his programme as a permanent guest because he was sure this would sell a lot of television sets. "No doubt," said the commentator, "I would sell mine, my neighbour would sell his for starters!"

Permit me to say also, Grand Master, what a moving experience it is to be back in this magnificent room once again for the Grand Master's Banquet during yet another Annual Communication of Grand Lodge. The work of Grand Lodge has always been and must continue to be performed with despatch and proper decorum.

But equally important, if not more so, in my view it is conducted in a format and inspirational setting which has significance far beyond the practical details of merely getting things done. I confess to having a kindred feeling with those newly formed masons, here for the first time, not a little in awe of things unfolding before them and deeply moved by the sound of a thousand throats giving expression to our beliefs and aspirations in the singing of our anthems and favourite hymns. May these great occasions and the ceremonies which attend them continue until time shall be no more.

With the kind indulgence of our American brethren, I wish to say something about our country. It has been very much in our minds of late. I find it easier to talk in these terms in their company because they are such close and esteemed friends, and I sense that because of recent events our nations are closer than ever before in our long history. We rejoice at that!

When I was at The Hague in 1976 attending an international conference, one of the senior delegates of a major European nation said to me that Canada must be a fine country because Canadians appear to be such a happy lot. Then came the November 1976 election in Quebec and other events which cast a pall of gloom over our affairs. Indeed, it almost seemed as if the angel of death was abroad in this land. The harbinger of the death of a country. It was in this atmosphere of foreboding that I addressed the Prayer Breakfast in this very room with these words a year or so ago:

"With the will to try I think of ourselves as we could be a year from this day, with our prolixities docked; our ideologies adjusted; our bitterness purged; prejudices shorn away; hopes rekindled; humour enlivened; faith restored; and our honour unblemished, so that we become, once again, a happy united people."

Grand Master, with the referendum on May 20 last, we have been to the brink, and because a substantial number of Canadians in our sister province felt with respect to our nation the way you and I feel, we have had a resounding vote for Canada. Our gratitude should know no bounds. We are now on the long road back. Not only in Quebec there are families to be reunited, harsh words to be retracted, feelings to be assuaged, forgiveness to be given, and the future to be fashioned.

Even as we are assembled here this evening, there is another group of about two hundred people, ministers of the federal and provincial governments and their advisors, meeting a few hundred yards away in another urgent attempt to renew our constitution. I have the firm conviction, and it is a rare privilege to be associated with them in this critical task, that this time they will succeed. They dare not fail!

If they do in fact succeed, or partially succeed, is that the end? Again to quote Sir Winston Churchill, it is surely not the end, perhaps not even the beginning of the end, but it is the end of the beginning. This brings me, Grand Master, to the reason why I deigned to accept your kind invitation to appear here tonight. The revival of a nation and its moral renewal are not in the nature of an observer sport. We cannot afford to be bystanders in that exercise. The best efforts of our statesmen and politicians will have been in vain if the results of the new governmental mechanisms which they are able to fashion, no matter how worthy, are lost because we as a people lack the conviction to make them work or we are otherwise unworthy of them. At times we can question whether the constitution has failed the people, or the people the constitution.

And so Grand Master, I return to the title of these remarks. All of you will recall that Aladdin's lamp, with the power of the genie to gratify every wish, was initially lost because the holder of the lamp was duped into taking in exchange for it, the burnished bauble offered up in the cry of the street hawker — "New Lamps for Old." After a period of intense and unparalleled national commitment to principle and integrity of purpose in World War II, a period during which thousands remained faithful even unto death, in the last two decades or so, we have been adrift, deceived or content to trade off devotion and dedication for the tinselled trophies of a self-centered society. Surely the time is ripe for a return to better behaviour and sounder citizenship. Without them our country can never be great nor our lives enriched.

What do we expect of the Constitution? That it be the embodiment of our national spirit and our collective values. That it should structure and regulate our common life, providing the general framework for our undertakings as a nation. That it promote peace, order, and good government.

But let us never delude ourselves that this will necessarily guarantee harmony. Only a drab uniformity could do that. And the identifying characteristic of our nation is a dedication to the promotion of unity in diversity. We can expect that those who live and work in this vast land will have differing views of life and opportunity, views that differ because of their varying experiences, history, upbringing and attitudes. As one of our greatest constitutional scholars Dr. J. Alex Corry recently said, "Our greatest mistake in a federal system is to be unhappy because we cannot live in close unity like a loving family, all for one and one for all. If we were like that, we wouldn't be struggling to live under a federal system."

In short, a constitution is no more and no less than what we make of it. Which brings me to ask the reverse question: what can the constitution, what can Canada expect of us? It must command our loyalty, our respect, and our devotion. I feel that were this devotion to be more widespread and more evident, we would not have drifted for so long with our constitutional fabric in need of repair. The commitment to Canada would have been sufficient to overcome any passing political obstacle and inspired us to fashion a new constitutional order.

We may even start to suspect that our current troubles stem in part from a lack of the spirit of tolerance and good sense necessary to govern ourselves. Politics is subject to some basic rules, one of which is more a rule of hydraulics: a stream cannot rise higher than its source, except by some artificial engineering. So too in politics: even a perfect constitution won't do much for a people who haven't learned how to govern themselves well.

So I conclude that for a new constitution to succeed there must be some basic changes in attitude for all of us. Since I have opened the topic you have every right to enquire of me what I have in mind. The ingredients of good behaviour and sound citizenship are certainly fundamental. They are old lamps.

You will recognize them because they are principles which we, as Masons, are taught and in which we profess to believe. A more assiduous practice of them by all men is what is required. The first of which I would speak is tolerance. Truly when our forefathers came to this land they set their feet in a very large room. Ever since those early days we have been concerned to fill it up — to fill it with all manner of men from all over the world. We are now a multi-cultural nation of people of highly diversified ethnic origin. We are, indeed, a pluralistic society. This is one of our potential

strengths as a nation, but to build upon it requires tolerance and understanding. Those of us who are called upon from time to time to deal with ugly incidents of racial prejudice, hatred and violence, have reason for concern about the future of our life together, particularly in large metropolitan areas, unless new accommodations can be found for dealing decently and fairly with others in some superficial way unlike ourselves. People like you who ascribe to the fatherhood of God and the brotherhood of man have no difficulty with this concept. Therefore there should be no reluctance to us becoming personally involved in a meaningful way in citizen's committees and the like to ensure that this scourge is banished from our society forever. In my view there is no other way to get the job done and Masons are pre-eminently qualified to do it. It certainly cannot be left to law and law enforcement alone.

Another quality of good behaviour and sound citizenship continually needed in our day is that of self-restraint. The lack of self-restraint is the hallmark of the permissive society. To insist on doing one's thing in order to maximize personal freedom is quite simply a fallacy. It rests on the erroneous assumption that the boundaries of freedom are infinite whereas in fact they are subject also to the rights of others. A web of rules and constraints is, paradoxically, a precondition for the exercise of any rights or liberties. Wise constraints truly make men free. The conduct of parents reflects on their children and the conduct of children on their parents. We are not free to speak of others in a way that does injury to them. It has all been said so well by others that it would be presumptuous on my part not to quote at least one of them. Dr. Elton Trueblood has stated the matter in these terms:

"If freedom means the right or the privilege of doing anything we happen to want to do at the moment, then nothing is prohibited. The person who proposes to be free to do whatever he likes may like to murder or malign his neighbour or to be a parasite and let others support him. A false philosophy of freedom, accepting a doctrine of permissiveness at every level, will ultimately destroy any people. A world in which anything goes will ultimately become a world in which nothing goes."

Clearly some forms of freedom can only be bought at the price of another's slavery. Accordingly self-constraint must be exercised if one is to live in a civilized society. The truth of this proposition is so basic and so obvious that one wonders why it has been lost on so many for so long. Lest anyone draw the inference

that I speak only of our young people, I would like to disabuse them of that notion. It is by no means a malady known only to the young. Many of our young people who have had to endure overbearing, proprietary and unreasonable parents can attest to that fact. I am constantly annoyed and saddened by the number of parents who act as if they owned their children. They are given to us in trust to love, cherish, support, to comfort and guide but we do not own them either in law or fact. The freedom of acting as a parent is likewise subject to the necessity for the exercise of self-restraint.

Freedom is also an important ingredient in the enactment of those laws by which men are governed. The law as a matter of public ordering sets the bounds of permissible behaviour and thereby defines the boundaries of our freedom. As a lawyer for over thirty years, I am acutely aware that there are dangers in going too far in this direction to the point where rules and regulations of the enacted law totally supplant the legitimate role of individual and corporate self-restraint. The proper balance between freedom and order is never a constant. It is perennially difficult to achieve; but no one is left in doubt once the pendulum has swung too far one way or the other. If freedom supplants order and takes the form of licence then chaos and even revolution is the inevitable result. If order supplants freedom then dictatorship, oppression, human degradation and misery follow in train. Unhappily the world has known too much of the excesses in both directions. We who are gathered in this room have been spared that, although some of you may have had to endure it elsewhere than in our respective countries.

As Masons we know and value these things but I would remind you that the price we pay for them is eternal vigilance. In saying these things I am in no sense advocating collective political activism. The prescription against any such conduct by our order is so sound and so well established that it would be the sheerest folly to abandon it. It really boils down to this, that as individuals we can influence the course of events by the precepts which we follow. I remind myself that the Duke of Wellington when barred at the gate by the young boy intent on doing his duty to keep out all trespassers from his master's land, was heard to comment "with an army like that I could conquer the world."

New lamps are hawked abroad. They may have their merits too. As Masons we cannot remain over-attached to days gone by. Oil lamps must yield to electricity. One day, it too may yield to

other forms of energy. The dynamic of change is its only constant. But the attractions of new lamps must never be accompanied by a casting aside of those settled values that have served us so well. The challenge is to accept the new and to preserve the old, striving to preserve a balance in our personal, and in our social, order.

Finding a new Canada, making a new Canada, is the challenge we face, but it is also in reality the challenge faced by those generations before us. The challenge was different then of course, the challenge of pioneering, or of the battlefield, or of those bleak depression years. I know we shall rise to it. I know that we will pass through the current crisis, more united, more hopeful. better aware of our land and its great potential, provided that we keep in mind the precepts and values that guided the founders of this land, the precepts kept alive in Masonry today. As individuals and as Canadians, we Masons have our part to play. It is not an easy part, but then which of our tasks ever is. It is our task to embody, to teach and to demonstrate, wisdom, moderation, a concern for our brother man and a dedication to God. These values may not appear expressly in the words of our new constitution. But if that document is not infused with their presence, it will be of little worth. And unless Canada is built upon them, who can doubt that it is scarcely worth preserving.

That is our task. And it is a task as exciting as any that has been faced in the century and a quarter since this Grand Lodge of Canada was founded. We have come a long way since then. But the way ahead is equally bright, if we show ourselves equal to the task.

Appreciation to Guest Speaker by R.W. Bro. H. O. Polk, Deputy Grand Master.

Most Worshipful Sir, Distinguished Guests and my Brethren:

The Grand Master has graciously granted me the privilege of thanking on behalf of those attending this banquet, Rt. Wor. Bro. Leal for the superb address with which he has just favoured us.

The timeliness of having Dr. Leal speak to us on this occasion is two-fold. First this is year one of the challenging decade of the 1980's — a year in which the passionate prescription for continued nationhood surfaced by an isolated group posing destructive stresses, on the future unity of our beloved Canada, which fortunately resulted in failure. Secondly, this is the 125th

Anniversary of our Grand Lodge — a year of significant achievement and accomplishment in our History.

We are most fortunate in this Grand Jurisdiction to have a native Son, a member of our Craft, so capable and unusually gifted, address us at this particular annual communication, and at such a critical period in our History, when we should be striving to rectify the present state of affairs, and applying our energies to find means to close the gaps that divide people. Being a loyal servant of Her Majesty the Queen, learned in the art of teaching Law, revising established Law, formulating new Laws, presently contributing to the maintenance of Law and Order and so gravely concerned for the future of our country, has qualified our speaker exceedingly well to admonish, and to impress upon all at this banquet the meaning of the Cardinal virtue of the fraternal teaching of our Order — Justice. These attributes were exemplified in the great contributions our speaker rendered in the revision of our constitution.

Rt. Wor. Sir, your dynamic address delivered with such intense sensitivity and eloquence has challenged each of us to undertake a fresh, fraternal, collective commitment to assure the future flourishing of our Craft, and to our Common Treasure "Love for one another."

Your inspiring address will long be remembered as the pinnacle of our 125th Anniversary Grand Master's Banquet for which, on behalf of everyone here, I extend our sincere thanks.
